

**ASSEMBLY AMENDMENT 2,  
TO 1995 ASSEMBLY BILL 393**

July 25, 1995 - Offered by COMMITTEE ON ENVIRONMENT AND UTILITIES.

1 At the locations indicated, amend the bill as follows:

2 **1.** Page 3, line 1: delete lines 1 to 5 and substitute:

3 “(d) The committee shall study the management, maintenance and ownership  
4 options of each state-owned heating and cooling plant, including an examination of  
5 the organizational responsibility and reporting of plant management, the sources  
6 and amounts of funds used to support operations and maintenance work, integrated  
7 management improvement opportunities, the capital investment needs of the plant  
8 and the alternative sources of funds available to meet those needs. Of primary  
9 consideration shall be the need to provide a safe, reliable and cost-efficient source  
10 of heating and cooling services while reducing environmental pollutants.

11 (e) The secretary of administration may implement representative pilot  
12 projects in order to assess the practical feasibility of potential study  
13 recommendations.”

14 **2.** Page 3, line 6: substitute “(f)” for “(e)”.
