

**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO 1995 SENATE BILL 210**

July 13, 1995 - Offered by COMMITTEE ON AGRICULTURE.

1 **AN ACT to amend** 95.72 (3) of the statutes; **relating to:** processing of dead
2 animals.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 95.72 (3) of the statutes is amended to read:

4 95.72 (3) RENDERING OR PROCESSING PLANT LOCATION. No person may establish
5 a rendering or processing plant within one-eighth mile of a dwelling, other than a
6 dwelling associated with the rendering or processing plant, or within one-eighth
7 mile of a public or private business building ~~or public highway~~, but a rendering or
8 processing plant is not required to cease operations because a ~~highway is relocated~~
9 ~~or~~ a dwelling or business building is constructed closer than one-eighth mile to an
10 existing plant. This subsection does not prohibit the continued operation of the plant
11 of a renderer, animal food processor or grease processor in existence on November 26,
12 1981, or the erection of new or improved rendering or processing plant facilities on
13 the existing premises subject to provisions of any local ordinances.
