

State of Misconsin 1995 - 1996 LEGISLATURE

## SENATE SUBSTITUTE AMENDMENT 1, TO 1995 SENATE BILL 64

March 9, 1995 - Offered by COMMITTEE ON ENVIRONMENT AND ENERGY.

1	AN ACT to repeal 182.0175 (1) (a) and 182.0175 (2) (c) and (d); to renumber and
2	<i>amend</i> 182.0175 (2) (a) 3., 182.0175 (2) (a) 4., 182.0175 (2) (a) 5., 182.0175 (2)
3	(a) 6., 182.0175 (2) (a) 7., 182.0175 (2) (b), 182.0175 (2) (e), 182.0175 (2) (f) and
4	$182.0175\ (3); \textit{to amend}\ 182.0175\ (1)\ (intro.),\ 182.0175\ (1)\ (b),\ 182.0175\ (1)\ (c),$
5	182.0175 (2) (a) (intro.), 182.0175 (2) (a) 1., 182.0175 (2) (a) 2., 182.0175 (4) and
6	182.0175 (5); to repeal and recreate 182.0175 (2) (title); and to create
7	$182.0175\ (1)\ (am),\ 182.0175\ (1)\ (bm),\ 182.0175\ (1m),\ 182.0175\ (2)\ (am)\ (intro.),$
8	182.0175 (2) (am) 4., 182.0175 (2) (am) 6m., 182.0175 (2) (bm), 182.0175 (2m)
9	(title) and (a), 182.0175 $(2m)$ (b) 6. and 7. and 182.0175 $(3)$ (b) of the statutes;
10	relating to: damage to transmission facilities and providing penalties.
	The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
11	<b>SECTION 1.</b> 182.0175 (1) (intro.) of the statutes is amended to read:
12	182.0175 (1) DEFINITIONS. (intro.) As used in In this section, unless the context
13	requires otherwise:
14	<b>SECTION 2.</b> 182.0175 (1) (a) of the statutes is repealed.

2182.0175 (1) (am) "Emergency" means an unforeseen condition that requires3immediate excavation to avoid property damage, personal injury or loss of life.4SECTION 4. 182.0175 (1) (b) of the statutes is amended to read:5182.0175 (1) (b) "Excavation" means any operation in which earth, rock or6other material in or on the ground is moved, removed or otherwise displaced by7means of any tools, equipment or explosives and includes grading, trenching,8digging, ditching, drilling, augering, tunneling, scraping, cable or pipe plowing, and9driving and means any operation by which a structure or mass of material is10wrecked, razed, rended, moved or removed.11SECTION 5. 182.0175 (1) (bm) of the statutes is created to read:12182.0175 (1) (bm) "Excavator" means a person who engages in excavation.13SECTION 6. 182.0175 (1) (c) of the statutes is amended to read:14182.0175 (1) (c) "Transmission facilities" includes all pipes, pipelines, wires,15cables, ducts, wirelines and associated facilities, whether below or above ground,16regardless of the nature of their transmittants or of their in-service application. The17term includes, but is not restricted to, utility facilities, government-owned facilities,18facilities transporting hazardous materials, communications and data facilities,19drainage facilities and private water facilities and sewer systems.20SECTION 7. 182.0175 (1m) of the statutes is created to read:21182.0175 (1m) ONE-CALL SYSTEM. (a) Statewide system. Transmission facilities <tr< th=""><th>1</th><th><b>SECTION 3.</b> 182.0175 (1) (am) of the statutes is created to read:</th></tr<>	1	<b>SECTION 3.</b> 182.0175 (1) (am) of the statutes is created to read:
4       SECTION 4. 182.0175 (1) (b) of the statutes is amended to read:         5       182.0175 (1) (b) "Excavation" means any operation in which earth, rock or         6       other material in or on the ground is moved, removed or otherwise displaced by         7       means of any tools, equipment or explosives and includes grading, trenching,         8       digging, ditching, drilling, augering, tunneling, scraping, cable or pipe plowing, and         9       driving and means any operation by which a structure or mass of material is         10       wrecked, razed, rended, moved or removed.         11       SECTION 5. 182.0175 (1) (bm) of the statutes is created to read:         12       182.0175 (1) (c) of the statutes is amended to read:         13       SECTION 6. 182.0175 (1) (c) of the statutes is amended to read:         14       182.0175 (1) (c) "Transmission facilities" includes all pipes, pipelines, wires,         15       cables, ducts, wirelines and associated facilities, whether below or above ground,         16       regardless of the nature of their transmittants or of their in-service application. The         17       term includes, but is not restricted to, utility facilities, government-owned facilities,         18       facilities and private water facilities and sewer systems.         19       drainage facilities and private water facilities and sewer systems.         18       182.0175 (1m) ONE-CAL	2	182.0175 (1) (am) "Emergency" means an unforeseen condition that requires
<ul> <li>182.0175 (1) (b) "Excavation" means any operation in which earth, rock or</li> <li>other material in or on the ground is moved, removed or otherwise displaced by</li> <li>means of any tools, equipment or explosives and includes grading, trenching,</li> <li>digging, ditching, drilling, augering, tunneling, scraping, cable or pipe plowing; and</li> <li>driving and means any operation by which a structure or mass of material is</li> <li>wrecked, razed, rended, moved or removed.</li> <li>SECTION 5. 182.0175 (1) (bm) of the statutes is created to read:</li> <li>182.0175 (1) (bm) "Excavator" means a person who engages in excavation.</li> <li>SECTION 6. 182.0175 (1) (c) of the statutes is amended to read:</li> <li>182.0175 (1) (c) "Transmission facilities" includes all pipes, pipelines, wires,</li> <li>cables, ducts, wirelines and associated facilities, whether below or above ground,</li> <li>regardless of the nature of their transmittants or of their in-service application. 1 5 5	22	owners shall establish or designate a nonprofit organization governed by a board of
statewide communication system in which a single operational center receives	23	directors as the operator of a one-call system. The one-call system shall be a
	24	statewide communication system in which a single operational center receives

- 2 -

excavation notices and transmits notice information to affected-member 1 2 transmission facilities owners.

- 3 -

3 (b) Membership. 1. Except as provided in subd. 2., a transmission facilities 4 owner shall be a member of the one-call system. A member shall participate in the 5 funding of the one-call system.

6

2. A transmission facilities owner or lessee is not required to be a member of 7 the one-call system if all of that person's transmission facilities are located on 8 property owned or leased by that person. This subdivision does not apply to a 9 governmental unit that is a transmission facilities owner.

10 (c) Liability. A transmission facilities owner who is required to be a member 11 of the one-call system is liable for all damages to the person's transmission facilities 12and for any other damages that occur as a result of excavation if that person is not 13 a member of the one-call system.

- 14 (d) *System functions*. The one-call system shall do all of the following:
- 15 1. Publicize the availability and use of the one-call system.
- 16 2. Provide toll-free communication to the one-call system.
- 173. Accept notices of intended excavation activity.

18 4. Accept notices of intended emergency location or emergency excavation 19 activity 24 hours a day.

- 20 5. Inform the person providing notice of the names of transmission facilities 21owners who will receive the notice information.
- 226. Promptly transmit notice information to affected-member transmission 23facilities owners.
- 247. Retain records of notices for a period of not less than 6 years.
- 25**SECTION 8.** 182.0175 (2) (title) of the statutes is repealed and recreated to read:

LRBs0040/2 JJL:skg:km SECTION 8

1	182.0175 (2) (title) EXCAVATOR AND PLANNER RESPONSIBILITIES.
2	SECTION 9. 182.0175 (2) (a) (intro.) of the statutes is amended to read:
3	182.0175 (2) (a) (title) <u>Planning.</u> (intro.) Every person who engages in or with
4	respect to subds. 1. and 2. is responsible for the preparation of plans and
5	specifications for nonemergency excavation or demolition and every excavator shall
6	do all of the following:
7	<b>SECTION 10.</b> 182.0175 (2) (a) 1. of the statutes is amended to read:
8	182.0175 (2) (a) 1. Take reasonable action to learn the location of any
9	transmission facilities in and near the area where <del>such operation</del> <u>the excavation</u> is
10	to be conducted.
11	<b>SECTION 11.</b> 182.0175 (2) (a) 2. of the statutes is amended to read:
12	182.0175 (2) (a) 2. Plan the excavation or demolition to avoid to the extent
13	possible interference with transmission facilities in and near the construction
14	excavation area.
15	<b>SECTION 12.</b> 182.0175 (2) (a) 3. of the statutes is renumbered 182.0175 (2) (am)
16	1. and amended to read:
17	182.0175 (2) (am) 1. Provide reasonable advance notice not less than 3 working
18	days <del>prior to <u>before</u> the start of the <u>nonemergency</u> excavation <del>or demolition of the</del></del>
19	intent to excavate or demolish and the commencement date to the owners of the
20	transmission facilities in and near the construction area whose facilities may be
21	affected by the excavation or demolition <u>one-call system</u> .
22	<b>SECTION 13.</b> 182.0175 (2) (a) 4. of the statutes is renumbered 182.0175 (2) (am)
23	3. and amended to read:
24	182.0175 (2) (a) 3. Maintain an estimated minimum clearance of 18 inches
25	between an unexposed underground transmission facility marked <del>pursuant to par.</del>

- 4 -

1995 – 1996 Legislature – 5 –

1	(e) <u>under sub. (2m)</u> and the cutting edge or point of any power-operated excavating
2	or earth moving equipment. If the transmission facility is exposed, the <u>excavator</u>
3	<u>may reduce the</u> clearance <del>may be reduced</del> to 2 times the known limit of control of the
4	cutting edge or point of the equipment or 12 inches, whichever is greater.
5	<b>SECTION 14.</b> 182.0175 (2) (a) 5. of the statutes is renumbered 182.0175 (2) (am)
6	5. and amended to read:
7	182.0175 (2) (am) 5. Provide such support for existing transmission facilities
8	in and near the <del>construction</del> <u>excavation</u> area as <u>that</u> may be reasonably necessary
9	<u>or that is specified by the transmission facility owner</u> for the protection of <del>such</del> <u>the</u>
10	facilities, unless <del>such</del> protection is required of the owner of the transmission facility
11	under s. 66.047.
12	<b>SECTION 15.</b> 182.0175 (2) (a) 6. of the statutes is renumbered 182.0175 (2) (am)
13	6. and amended to read:
14	182.0175 (2) (am) 6. Inspect prior to backfilling Before backfilling, inspect all
15	transmission facilities exposed during excavation <del>or demolition</del> to ascertain if <u>the</u>
16	transmission facilities have been or may have been struck, damaged, dislocated or
17	disrupted and notify promptly before backfilling.
18	7. Immediately notify the owner of any <u>a</u> transmission facility which <u>if an</u>
19	inspection reveals that the transmission facility has been or may have been struck,
20	damaged, dislocated or disrupted.
21	<b>SECTION 16.</b> 182.0175 (2) (a) 7. of the statutes is renumbered 182.0175 (2) (am)
22	8. and amended to read:
23	182.0175 (2) (am) 8. Backfill all excavations in such an excavation as specified
24	by the owner of the existing transmission facilities or in a manner and with such
25	materials <del>as</del> <u>that</u> may be reasonably necessary for the protection of, and to provide

1	reliable support during backfilling and following backfilling for, existing
2	transmission facilities in and near the construction excavation area.
3	SECTION 17. 182.0175 (2) (am) (intro.) of the statutes is created to read:
4	182.0175 (2) (am) Excavation notice. (intro.) An excavator shall do all of the
5	following:
6	SECTION 18. 182.0175 (2) (am) 4. of the statutes is created to read:
7	182.0175 (2) (am) 4. Provide a repeat notice to the one-call system if marks are
8	destroyed or covered by excavation site activities, if the excavation does not start
9	within 10 days of the scheduled start date or if excavation is interrupted for more
10	than 10 days.
11	SECTION 19. 182.0175 (2) (am) 6m. of the statutes is created to read:
12	182.0175 (2) (am) 6m. Refrain from backfilling an excavation until an
13	inspection is conducted and any necessary repairs have been made by the owner of
14	the transmission facility.
15	<b>SECTION 20.</b> 182.0175 (2) (b) of the statutes is renumbered 182.0175 (2) (am)
16	2. and amended to read:
17	182.0175 (2) (am) 2. Every person who engages in In an emergency excavation
18	or demolition shall, take all reasonable precautions to avoid to the extent possible
19	interference with existing transmission facilities in and near the construction
20	excavation area and shall notify as promptly as possible the owners of transmission
21	facilities which may be affected by the emergency excavation or demolition.
22	<b>SECTION 21.</b> 182.0175 (2) (bm) of the statutes is created to read:
23	182.0175 (2) (bm) Notice. An excavation notice shall include all of the following
24	information:
25	1. The name of the person providing notice.

- 6 -

1	2. The name, address and telephone number of the excavator.
2	3. The specific location and description of the excavation area.
3	4. A description of the intended excavation activity.
4	5. The intended starting date of the excavation.
5	SECTION 22. 182.0175 (2) (c) and (d) of the statutes are repealed.
6	<b>SECTION 23.</b> 182.0175 (2) (e) of the statutes is renumbered 182.0175 (2m) (b)
7	and amended to read:
8	182.0175 (2m) (b) (title) <u>Facilities marking.</u> Every <u>A</u> person owning
9	transmission facilities, upon receipt of <u>an excavation</u> notice <del>under par. (a) 3.</del> , shall
10	mark in a reasonable manner the locations of transmission facilities in <u>at</u> the <del>field</del>
11	so as area described in the notice to enable the person engaged in excavation or
12	demolition excavator to locate the transmission facilities without endangering the
13	security of such the facilities or the public. The marking of facilities shall be
14	<del>accomplished</del> <u>completed</u> within 3 working days after receipt of the notice, <del>except</del> <u>or</u>
15	if notice is given more than 10 days before <del>the</del> excavation <del>or demolition</del> is scheduled
16	to begin, marking <del>need not</del> <u>shall</u> be <del>accomplished more than</del> <u>completed at least</u> 3
17	working days before excavation or demolition is scheduled to begin. If the
18	approximate location of an underground $\underline{a}$ transmission facility is marked with
19	<u>paint, flags</u> , stakes or other physical means, the <u>following</u> color coding <u>of lines, cables</u>
20	or conduits shall be as follows except that color coding shall not be required for
21	permanent markers required by state and federal codes comply with the uniform
22	color code adopted by the American National Standards Institute:
23	1. Electric power distribution and transmission: safety: red.

1	2. Natural gas distribution and transmission, oil distribution and transmission
2	and dangerous Gas, oil, steam, petroleum or gaseous materials products lines: high
3	<del>visibility safety</del> : yellow.
4	3. Telecommunications and telegraph systems Communications, cable
5	television and police and fire communications: safety alert or alarm or signal
6	<u>systems:</u> orange.
7	4. Water, irrigation or slurry systems: safety precaution blue.
8	5. Sewer <u>or drain</u> systems: <del>safety</del> green.
9	<b>SECTION 24.</b> 182.0175 (2) (f) of the statutes is renumbered 182.0175 (2m) (c) and
10	amended to read:
11	182.0175 (2m) (c) (title) <i>Facilities inspection and repair</i> . Every person owning
12	transmission facilities who receives <u>a</u> notice <del>under par. (a) 6., (c) or (d)</del> <u>of possible</u>
13	<u>damage</u> shall inspect <u>the facilities</u> for damage within <u>24</u> <u>6</u> hours after receipt of <u>the</u>
14	notice <u>if there is risk of personal injury or loss of life or within 24 hours after receipt</u>
15	of the notice if there is not a risk of personal injury or loss of life and shall repair any
16	damage found as soon as practicable. Unless the owner of any transmission facility
17	is notified <del>pursuant to par. (a) 6., (c) or (d)</del> or has knowledge of <del>frequent</del> damage to
18	transmission facilities by <del>a person doing emergency or nonemergency excavation or</del>
19	demolition, such <u>an excavator, the</u> owner <del>shall is</del> not be responsible <u>for</u> or be required
20	to make an inspection of its transmission facilities, nor shall the owner, in the
21	absence of such notification or knowledge, be responsible for supervising in any
22	manner the excavation <del>or demolition work. Upon the giving of notice pursuant to</del>
23	par. (a) 6., (c) or (d) the person performing the demolition or excavation shall refrain
24	from backfilling until an inspection and any necessary repairs are made by the owner
25	of the transmission facilities.

- 8 -

1995 – 1996 Legislature – 9 –

1	SECTION 25. 182.0175 (2m) (title) and (a) of the statutes are created to read:
2	182.0175 (2m) (title) TRANSMISSION FACILITIES OWNER REQUIREMENTS. (a)
3	Responsibilities. A transmission facilities owner shall do all of the following:
4	1. Respond to a planning notice within 10 days after receipt of the notice by
5	conducting field markings, providing records and taking other appropriate
6	responses.
7	2. Respond to an excavation notice within 3 working days by marking the
8	location of transmission facilities as provided under par. (b) in the area described in
9	the excavation notice.
10	3. Provide emergency locater service within 24 hours after receiving a request
11	for that service.
12	<b>SECTION 26.</b> 182.0175 $(2m)$ (b) 6. and 7. of the statutes are created to read:
13	182.0175 (2m) (b) 6. Temporary survey markings: pink.
14	7. Proposed excavation: white.
15	<b>SECTION 27.</b> 182.0175 (3) of the statutes is renumbered 182.0175 (3) (a) and
16	amended to read:
17	182.0175 (3) (a) (title) <i>Forfeitures</i> . Any person who wilfully and knowingly fails
18	to comply with violates this section, except sub. (2) (e), shall may be required to forfeit
19	\$1,000 <u>\$2,000</u> for each <del>such failure, provided that if the failure to comply results in</del>
20	damage to any transmission facility, the forfeiture shall be \$2,000 <u>offense</u> . Each day
21	that failure to comply persists is of continued violation constitutes a separate offense.
22	All actions to recover penalties under this section shall be brought in circuit court by
23	the district attorney.
24	<b>SECTION 28.</b> 182.0175 (3) (b) of the statutes is created to read:

1995 – 1996 Legislature – 10 –

1	182.0175 (3) (b) Misdemeanor Whoever intentionally removes, moves or
2	obliterates a transmission facilities marking placed by the transmission facilities
3	owner may be fined not more than \$500 or imprisoned for not more than 30 days or
4	both. This paragraph does not apply to an excavator who removes or obliterates
5	markings during an excavation.
6	SECTION 29. 182.0175 (4) of the statutes is amended to read:
7	182.0175 (4) RIGHT OF ACTION. This section shall not release or waive or
8	otherwise affect any right of action, forfeiture or penalty which the <u>this</u> state or any
9	person <del>has or</del> may have.
10	SECTION 30. 182.0175 (5) of the statutes is amended to read:
11	182.0175 (5) RIGHT TO INJUNCTION. If any person engages in or is likely to
12	engage in excavation <del>or demolition contrary to the provisions of inconsistent with</del>
13	this section, and which results or is likely to result in damage to transmission
14	facilities, the person who owns or operates such <u>the</u> facilities may seek injunctive
15	relief in the circuit court for Dane the county or in any other court of competent
16	jurisdiction in which the transmission facilities are located. If the transmission
17	facilities are owned or operated by a public utility as defined in s. 196.01 (5),
18	including a telecommunications carrier, as defined in s. 196.01 (8m), and the public
19	utility does not seek injunctive relief, the attorney general, upon request of the public
20	service commission, shall seek injunctive relief in the circuit court for Dane the
21	county or in any other court of competent jurisdiction in which the transmission
22	facilities are located.
23	SECTION 31. Initial applicability.
24	(1) This act first applies to notices given on the effective date of this subsection.

25

SECTION 32. Effective date.

3

- (1) This act takes effect on the first day of the 12th month beginning after
   publication.
  - (END)
