2           **1.** Page 5, line 4: after that line insert:

3           “**SECTION 3g.** 253.02 (4) of the statutes is created to read:

4           253.02 (4) Within 60 days after the effective date of this subsection .... [revisor  
5 inserts date], the department shall cause to be published in English, Spanish, and  
6 other languages spoken by a significant number of state residents, as determined by  
7 the department, materials that are in an easily comprehensible format and are  
8 printed in type of not less than 12–point size. The materials shall list the prenatal  
9 tests available to determine if an unborn child has any serious birth defects and shall  
10 explain how the tests are administered and the abnormalities that may result to a  
11 child from each serious birth defect. The department shall distribute a reasonably  
12 adequate number of the materials to health care providers upon request, shall

1 annually review the materials for accuracy and shall exercise reasonable diligence  
2 in providing materials that are accurate and current.”.
