

**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO 2007 ASSEMBLY BILL 527**

December 4, 2007 - Offered by Representative NYGREN.

1 **AN ACT** *to renumber and amend* 66.0505; and *to create* 66.0505 (1) and
2 66.0505 (3) of the statutes; **relating to:** authorizing an elective member of a
3 political subdivision's governing body to refuse his or her salary.

Analysis by the Legislative Reference Bureau

Generally under current law, the salary or compensation received by a member of a common council, village board, or county board is set by the governing body. The salary or compensation received by a member of a town board is set by the town meeting.

This substitute amendment authorizes a member or member-elect of the governing body of a political subdivision (city, village, town, or county) to refuse to accept the salary to which he or she is otherwise entitled, in which case the local treasurer may not pay the individual his or her salary. To refuse the salary, the member or member-elect must send written notification of his or her refusal to the political subdivision's clerk and treasurer.

To be valid, the notification may only be sent within 30 days after the certification of the individual's election or at least 30 days before the start of the individual's next taxable year. Notifications apply only to the taxable year in which the individual's election is certified or to the taxable year to which the notification relates, except that if an individual's taxable year ends within three months of the certification of his or her election, the notification applies until the end of the

following taxable year. Notifications may not be rescinded but, to have continued applicability, they must be renewed annually.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 66.0505 of the statutes is renumbered 66.0505 (2) and amended to
