**ASSEMBLY SUBSTITUTE AMENDMENT 1,  
TO ASSEMBLY BILL 448**

November 10, 2015 - Offered by Representative QUINN.

1 **AN ACT** *to amend* 29.331 (1) and 29.331 (5) (a); and *to create* 29.241 (5) of the  
2 statutes; **relating to:** exceptions to the prohibition against trapping without  
3 a license and requirements for tagging traps.

---

***Analysis by the Legislative Reference Bureau***

This substitute amendment allows a person to engage in trapping without obtaining a trapping license or a trapping education certificate of accomplishment if the person is trapping with a mentor.

Current law generally requires a person engaging in trapping to obtain a trapping license from the Department of Natural Resources. Current law also prohibits a person from obtaining a trapping license unless he or she holds a valid certificate of accomplishment indicating that he or she has successfully completed a trapper education course. This substitute amendment exempts a person from the requirement to hold a trapping license or a certificate of accomplishment if the person is trapping with a mentor who is providing trapping instruction to the person and the mentor, with certain exceptions, holds a trapping license and a valid certificate of accomplishment. If the mentee is under the age of 18, the mentor must be the parent or guardian of the mentee or must be a person authorized by the parent or guardian to serve as a mentor for the mentee. The substitute amendment also allows a mentee to take a trap or the contents of a trap belonging to a mentor if the mentee is acting under the direction of a mentor providing instruction to the mentee.

Current law requires that a trap used under a trapping license be tagged with with a metal stamp containing certain identifying information. This substitute amendment provides that if the trap is operated by more than one licensed trapper, the trap must be tagged with the metal stamp of each operator of the trap.
