Analysis by the Legislative Reference Bureau

This substitute amendment makes various changes to the laws governing veterans affairs, including changes to the powers of certain state public officials of the Department of Veterans Affairs, changes to the powers of the Board of Veterans Affairs, and changes regarding the maintenance of veterans homes.

This substitute amendment allows a state public official who is an officer or employee of DVA to solicit, receive, and retain on behalf of the state anything of value for the purpose of supporting veterans homes and members and veterans programs, benefits, and services.

The substitute amendment transfers most of the powers of the Board of Veterans Affairs to DVA. Under current law, the board has various powers, including creating policies and making determinations relating to the disposition of moneys, the making of loans, and the acquisition and conveyance of buildings and real property.

The substitute amendment establishes a task force to study and report on factors that may affect future operations of veterans benefits service organizations.

Finally, the substitute amendment makes various technical changes to laws governing veterans affairs, including repealing obsolete or outdated appropriations.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
