Analysis by the Legislative Reference Bureau

This substitute amendment increases the appropriation for Wisconsin grants for technical college and University of Wisconsin System students.

Under current law, the Wisconsin grant program, administered by the Higher Educational Aids Board, provides grants to postsecondary resident students enrolled at least half time and registered as freshmen, sophomores, juniors, or seniors in specified postsecondary institutions, including technical colleges and UW System institutions. Wisconsin grants for UW System students are funded from an appropriation in which the appropriation amount is calculated by HEAB by adding the average percentage increase in undergraduate academic fees at the institutions within the UW System to the amount appropriated in the previous year.

This substitute amendment increases HEAB's biennial appropriation for Wisconsin grants for technical college students by \$27,849,500 in fiscal year 2015-16

and in fiscal year 2016-17 and adds \$2,895,400 annually to HEAB's appropriation for Wisconsin grants for UW System students.
