2 **1.** Page 13, line 8: delete lines 8 to 15 and substitute:

3 “(f) *Damage and repair; construction accommodation.* 1. The state or a political
4 subdivision may do any of the following:

5 a. Require a wireless provider to repair all damage that is directly caused by
6 the activities of the wireless provider in a right-of-way involving its wireless
7 facilities, wireless support structures, or utility poles, and to return the right-of-way
8 to its former condition before it was so damaged.

9 b. Require a wireless provider to move its wireless facilities, wireless support
10 structures, or utility poles that are located in a right-of-way as the state or political
11 subdivision determines is necessary to accommodate street widening and other
12 street construction projects.
