TO ASSEMBLY BILL 84**

October 14, 2019 – Offered by Representative TAUCHEN.

1 **AN ACT** *to amend* 20.566 (1) (hp), 71.10 (5s) (c) and 71.10 (5s) (e); and *to create*
2 71.05 (27), 71.10 (5jm), 71.21 (4m), 71.26 (2) (a) 13., 71.36 (1m) (d), 71.365 (4m)
3 (d) 1m., 71.45 (2) (a) 21. and 115.3415 of the statutes; **relating to:** imposing
4 requirements related to school lunch and breakfast programs in certain
5 schools, creating an income and franchise tax subtraction for donations to repay
6 school meal debt, and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill 1) requires certain schools to provide a school lunch or breakfast to a pupil who requests such a meal; 2) prohibits those schools from taking certain actions against a pupil who is unable to pay for those meals; 3) allows taxpayers to deduct donations made to schools to repay pupils' meal debts; and 4) creates a checkoff on the individual income tax return for donations to schools to repay pupils' meal debts.

The bill defines "school" as a public school, including an independent charter school, private school, tribal school, the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, or the Wisconsin Center for the Blind and Visually Impaired, provided the school, program, or center receives state aid for providing school lunches and breakfasts (free or reduced-price meals).

Requirement to provide quality meals

Under the bill, the school board of a school district, operator of an independent charter school, governing body of a private school, governing body of a tribal school, director of the program, or director of the center (governing body) must provide a meal that is of a similar quality to a free or reduced-price meal (quality meal) to a pupil who requests such a meal, regardless of the pupil's ability to pay for the meal, and prohibits the governing body from providing a meal of inferior quality in place of a quality meal. If the pupil is homeless and is enrolled in a public school, including an independent charter school, the governing body of the school must provide the quality meal to the pupil at no cost to the pupil.

Prohibited practices

The bill prohibits the governing body of a school from doing any of the following:

1. Publicly identifying or stigmatizing a pupil who is unable to pay for a quality meal or who has outstanding debt related to a quality meal.
2. Requiring a pupil who has received a quality meal to relinquish or throw away that quality meal because the pupil is unable to pay for the quality meal or has outstanding debt related to a quality meal.
3. Communicating directly with a pupil in grades kindergarten to eight concerning the pupil's inability to pay for a quality meal or to pay outstanding debt related to a quality meal.
4. Requiring a pupil who is unable to pay for a quality meal to do chores or other work as a condition of receiving the quality meal, unless the pupil's parent or guardian consents.
5. Restricting a pupil's participation in graduation activities on the basis that the pupil is unable to pay for a quality meal or has outstanding debt related to a quality meal.
6. Withholding a pupil's high school diploma, refusing to promote a pupil to the next grade, or withholding a pupil's high school transcript on the basis that the pupil is unable to pay for a quality meal or has outstanding debt related to a quality meal.

Deduction for school meal debt donations

The bill allows a taxpayer, when calculating income for income or franchise tax purposes, to deduct a donation made to a school's governing body to repay pupils' debts related to quality meals. The maximum amount that a taxpayer may deduct each year is \$25,000. A taxpayer may not place any conditions on the donation, such as requesting that it be used to pay the debt of a specific pupil, or receive anything of value in exchange. In order to deduct the donation, the taxpayer must provide the Department of Revenue with written certification from the governing body stating that the governing body will use the donation solely for the purpose of repaying pupils' meal debts.

Tax checkoff program

This bill creates an individual income tax checkoff for donations to a school's governing body to be used solely for the repayment of pupils' debts related to quality meals. A governing body that is owed meal debt may apply to DOR to be included on the list of eligible donees under the checkoff program. The individual making the

checkoff donation must specify which listed governing body is to receive the funds. The bill requires that an amount equal to the total amount of designations received, less the total cost of administering the income tax checkoff procedure, be transferred to the designated governing bodies.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

19 meal debt and that an individual who chooses to make a donation must select one of
20 the listed governing bodies to receive the donation and may not request that the
21 donation be used to repay the school meal debt of a specific pupil.
