**MENTAL ILLNESS AND DEVELOPMENTAL DISABILITIES**

Under current law, DHS is required to issue a request for proposals to provide pharmacy management services for all state treatment facilities that provide diagnosis, care, or treatment for mental or emotional disturbance, developmental disability, alcoholism, or drug dependency. This bill eliminates that requirement.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

**SECTION 1.** 51.03 (6) of the statutes is repealed.
