WISCONSIN WORKS

Current law allocates federal Child Care and Development block grant (CCDBG) funds, within the limits of availability, for a number of purposes, including at least \$3,475,000 for a child care scholarship and bonus program. Current law also prohibits DCF from transferring any federal Temporary Assistance for Needy Families (TANF) block grant funds received by DCF to CCDBG funds received by DCF for the child care scholarship and bonus program. This bill eliminates that prohibition.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
