STATE GOVERNMENT

OTHER STATE GOVERNMENT

This bill creates an appropriation to pay for security services provided by DOA to state agencies at multitenant state-run facilities. DOA currently provides security services under agreements with other state agencies. The bill provides that DOA may charge the other state agencies for the cost of those services if provided at multitenant buildings or facilities, and the bill funds the services from those charges.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 16.84 (2) of the statutes is amended to read:

16.84 (2) Appoint such number of police officers as is necessary to safeguard all public property placed by law in the department's charge, and provide, by

agreement with any other state agency, police and security services at buildings and facilities owned, controlled, or occupied by the other state agency. The department may charge the other state agency for the cost of providing security services at multitenant buildings or facilities. The governor or the department may, to the extent it is necessary, authorize police officers employed by the department to safeguard state officers, state employees, or other persons. A police officer who is employed by the department and who is performing duties that are within the scope of his or her employment as a police officer has the powers of a peace officer under s. 59.28, except that the officer has the arrest powers of a law enforcement officer under s. 968.07 regardless of whether the violation is punishable by forfeiture or criminal penalty. The officer may exercise the powers of a peace officer and the arrest powers of a law enforcement officer while located anywhere within this state. Nothing in this subsection limits or impairs the duty of the chief and each police officer of the police force of the municipality in which the property is located to arrest and take before the proper court or magistrate persons found in a state of intoxication or engaged in any disturbance of the peace or violating any state law in the municipality in which the property is located, as required by s. 62.09 (13).

SECTION 2. 20.505 (5) (ks) of the statutes is created to read:

20.505 (5) (ks) *Security services.* All moneys received from charges to state agencies for security services at multitenant buildings or facilities under s. 16.84 (2), to provide those services.

****NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.
