FOR 2017-2019 BUDGET -- NOT READY FOR INTRODUCTION

AN ACT ...; **relating to:** the budget.

Analysis by the Legislative Reference Bureau

AGRICULTURE

This bill requires DATCP and DNR, when preparing their annual grant allocation plan for making grants to counties to fund land and water conservation activities, to consider the existence of any impaired water bodies or agricultural enterprise areas, and to give priority to projects that are in or near, or that affect, those areas.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 92.14 (6) (c) of the statutes is created to read:

92.14 (6) (c) When preparing an annual grant allocation plan under par. (b), the department and the department of natural resources shall consider the existence and location of impaired water bodies that the department of natural resources has

identified to the federal environmental protection agency under [33 USC 1313](#) (d) (1) (A) and agricultural enterprise areas designated under s. 91.84, and shall give priority to projects that are in or near, or that affect, those areas.
