1. *Emergency management*

This bill changes the appropriations for fire, crash, and rescue emergencies and for the emergency management assistance compact from sum certain annual appropriations to continuing appropriations. An annual sum certain appropriation is expendable only for the fiscal year for which the appropriation is made and only up to the dollar amount shown in the schedule for that fiscal year. A continuing appropriation is expendable until fully depleted, and the moneys held therein do not lapse. Therefore, the effect of this change is to allow the moneys in the appropriations to continue to be spent until depleted.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.465 (1) (h) of the statutes is amended to read:
