1. Read to Lead program

This bill eliminates the Read to Lead Development Council, which is under DCF, and the read to lead development fund. Under current law, the council makes recommendations to the secretary of children and families and the state superintendent of public instruction regarding recipients of grants for school boards from the fund to support literacy or early childhood development programs. The secretary and the state superintendent may then make grants to school boards from the fund.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
