1. End the homeless employment grant program

This bill repeals a grant program under which DOA awards grants of up to \$75,000 to a municipality for the purpose of connecting homeless individuals with permanent employment. Under current law, a municipality receiving a grant under the program must itself contribute at least \$50,000 for the purpose of the grant. Current law also requires that, in awarding a grant, DOA must give preference to municipalities that place a priority on using the grant moneys to pay the wages of homeless individuals and that obtain an agreement from a nonprofit organization to provide additional employment and support services to homeless individuals participating in the grant program.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 16.313 of the statutes is repealed.

SECTION 2. 20.505 (7) (ft) of the statutes is repealed.

***NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.
