Statutes interpreted: ss. 29.014, 29.041 and 29.197, Stats.

The proposed rules establish the regulations for the 2002 migratory game bird season. The significant regulations are:

Section 1. Ducks - The state is divided into two zones each with 60-day seasons. The north season will run continuous with no split and the south will have a 5-day split. This year the northern duck zone season will begin at noon on September 28 and continue through November 26. The southern duck zone season will begin at noon on October 5 and continue through October 13 and from October 19 to December 8. The daily bag limit is 6 ducks including no more than: 4 mallards, of which only one may be a hen, and from October 19 until the end of the duck seasons in the North and the South 2 of the 4 mallards may be hens, one black duck, 1 pintail (during the open dates of the 30 day pintail season), 2 wood ducks, 2 redheads and 3 scaup. A 30-day pintail season will be offered from September 28 – October 27 in the northern duck zone and from October 5 – October 13 and October 19 – November 8 in the southern duck zone. The canvasback season is closed in 2002.

Canada Geese - The state is apportioned into 3 goose hunting zones: Horicon, Collins and Exterior. Other special goose management subzones within the Exterior Zone include Brown County, Burnett County, Rock Prairie and the Mississippi River. Season lengths are: Collins Zone - 68 days; Horicon Zone - 94 days; Exterior Zone - 94 days in the north and 92 days in the south (North: Sept. 21 – Sept. 27 and Sept. 28 (noon) – Dec. 23; South: Sept. 28 - Oct. 4, Oct. 5 (noon) - Oct. 13 and Oct. 19 – Jan. 2); and Mississippi River Subzone - 70 days (Sept. 28 - Oct. 4, Oct. 5 (noon) - Oct. 13 and Oct. 19 – Dec. 11). The Burnett County subzone is closed to Canada goose hunting.
