

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2013 Wisconsin Act 68
[2013 Assembly Bill 174]

**Medical Examiner and Medical
Examiner's Assistant Salaries**

Medical examiners and their assistants are paid by the county board of the county in which they serve. Prior law required that county medical examiners and medical examiner's assistants be paid semimonthly (e.g., every two weeks). 2013 Wisconsin Act 68 eliminated the requirement that they be paid semimonthly. This allows a county board to decide for itself when to pay these employees (e.g., monthly, semimonthly, etc.).

Effective date: December 14, 2013.
