2013 Senate Bill 369

Senate Bill 369 requires the Department of Human Services (DHS) to promulgate rules by January 1, 2016, to create a mechanism for counties to report which mental health services and programs they provide.

Senate Amendment 1

Senate Amendment 1 replaces the provisions of the bill with the requirement that DHS provide a report to the Legislature that describes the mental health services and programs provided by counties and regions comprised of multiple counties. DHS must provide the report to the Legislature on January 1, 2015, and January 1 of every odd-numbered year thereafter.
