2015 ASSEMBLY BILL 121

2015 Assembly Bill 121 requires the Department of Safety and Professional Services (DSPS) to promulgate separate dwelling, electrical, and plumbing code standards for camping units that are set in a fixed location, contain a sleeping place, are used for seasonal overnight camping, and are in a campground permitted by the Department of Health Services. The bill also requires DSPS to consult with the private on-site wastewater treatment systems committee when promulgating the separate plumbing standards for these camping units.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 requires DSPS to also consult with any other plumbing-related committee it has established to advise it on plumbing codes when promulgating the separate plumbing standards required by the bill.

BILL HISTORY

Assembly Amendment 1 was introduced by Representative Ripp on April 24, 2015. On April 30, 2015, the Assembly Committee on Housing and Real Estate recommended adoption of Assembly Amendment 1 by a vote of Ayes 8, Noes 0, and passage of Assembly Bill 121, as amended, by a vote of Ayes 7, Noes 1.
