1995 SENATE BILL 327

September 6, 1995 – Introduced by Senators Moen, Burke and Chvala, cosponsored by Representatives Kreibich, Schneiders, Kaufert, Grothman, Seratti and Albers. Referred to Committee on Transportation, Agriculture and Local Affairs.

- 1 AN ACT to create 194.05 (4) of the statutes; relating to: delivery of prepared
- 2 foods by taxicab.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, no person may use a motor vehicle to deliver property for compensation unless that person possesses a motor carrier of property certificate or license and an annual permit issued by the department of transportation (DOT) and maintains with DOT proof of a valid liability insurance policy for personal injury and property damages caused by the negligent operation of the delivery vehicle. A person who fails to comply with these requirements is subject to a forfeiture of not less than \$500 nor more than \$5,000.

This bill allows a taxicab to deliver for compensation food that has been prepared by a restaurant without having to possess a common motor carrier of property certificate.
