8           standard, the amount by which the court's order deviates from that amount, its

11 determination, which shall be of the same effect as a judgment, of paternity.

12           **(2) RESCISSION OF ACKNOWLEDGMENT.** (a) Any person who signs a statement  
13 acknowledging paternity that is filed with the state registrar under s. 69.15 (3) (b)  
14 3. may rescind the statement as provided in s. 69.15 (3m).

15           (b) If a statement acknowledging paternity is timely rescinded by either person

17 order specified in sub. (4) with respect to the man who signed the statement unless  
18 the man is adjudicated the child's father using the procedures set forth in ss. 767.45

20           **(3) ACTIONS WHEN PATERNITY ACKNOWLEDGED.** (a) An action affecting the family  
21 under s. 767.02 (1) (e), (f) or (k) may be brought with respect to persons who, with

3 (4) ORDERS WHEN PATERNITY ACKNOWLEDGED. (a) In an action under sub. (3) (a),  
4 if the persons who signed and filed the statement acknowledging paternity had  
5 notice of the hearing, the court or family court commissioner may make an order that  
6 contains any provision directed against the appropriate party to the proceeding  
7 concerning the duty of support, the legal custody or guardianship of the child, periods  
8 of physical placement, the furnishing of bond or other security for the payment of  
9 amounts under the order or any other matter in the best interest of the child. If there  
10 is no presumption of paternity under s. 891.41 (1) and the father does not request  
11 custody of the child, the mother shall have sole legal custody of the child. If the father

19 school diploma or its equivalent. The order may direct the father to pay or contribute  
20 to the reasonable expenses of the mother's pregnancy and confinement during  
21 pregnancy and may direct either party to pay or contribute to the costs of attorney  
22 fees or other costs.

23 (b) 1. In this paragraph, "health insurance" does not include medical assistance  
24 provided under subch. IV of ch. 49.

**ASSEMBLY BILL 100****SECTION 5084**

1           2. In addition to ordering child support for a child under par. (a), the court or  
2 family court commissioner shall specifically assign responsibility for and direct the  
3 manner of payment of the child's health care expenses. In assigning responsibility  
4 for a child's health care expenses, the court or family court commissioner shall  
5 consider whether a child is covered under a parent's health insurance policy or plan  
6 at the time the court enters an order under this paragraph, the availability of health  
7 insurance to each parent through an employer or other organization, the extent of  
8 coverage available to a child and the costs to the parent for the coverage of the child.  
9 A parent may be required to initiate or continue health care insurance coverage for  
10 a child under this subdivision. If a parent is required to do so, he or she shall provide  
11 copies of necessary program or policy identification to the other parent and is liable  
12 for any health care costs for which he or she receives direct payment from an insurer.  
13 This paragraph may not be construed to limit the authority of the court or family  
14 court commissioner to enter or modify support orders containing provisions for  
15 payment of medical expenses, medical costs, or insurance premiums that are in  
16 addition to and not inconsistent with this paragraph.

17           3. a. In directing the manner of payment of a child's health care expenses, the  
18 court or family court commissioner may order that payment, including payment for  
19 health insurance premiums, be withheld from income and sent to the appropriate  
20 health care insurer, provider or plan, as provided in s. 767.265 (3h), or sent to the  
21 clerk of court or support collection designee, whichever is appropriate, for  
22 disbursement to the person for whom the payment has been awarded if that person  
23 is not a health care insurer, provider or plan. If the court or family court  
24 commissioner orders income withholding and assignment for the payment of health  
25 care expenses, the court or family court commissioner shall send notice of

**ASSEMBLY BILL 100****SECTION 5084**

1 assignment in the manner provided under s. 767.265 (2r) and may include that notice  
2 of assignment with a notice of assignment under s. 767.265. The clerk of court shall  
3 keep a record of all moneys received and disbursed by the clerk for health care  
4 expenses that are directed to be paid to the clerk and the support collection designee  
5 shall keep a record of all moneys received and disbursed by the support collection  
6 designee for health care expenses that are directed to be paid to the support collection  
7 designee.

8 b. If the court or family court commissioner orders a parent to initiate or  
9 continue health insurance coverage for a child under a health insurance policy that  
10 is available to the parent through an employer or other organization but the court  
11 or family court commissioner does not specify the manner in which payment of the  
12 health insurance premiums shall be made, the clerk of court may provide notice of  
13 assignment in the manner provided under s. 767.265 (2r) for the withholding from  
14 income of the amount necessary to pay the health insurance premiums. That notice  
15 of assignment may be sent with or included as part of any other notice of assignment  
16 under s. 767.265, if appropriate. A person who receives the notice of assignment shall  
17 send the withheld health insurance premiums to the appropriate health care  
18 insurer, provider or plan, as provided in s. 767.265 (3h).

19 4. If the court or family court commissioner orders a parent to provide coverage  
20 of the health care expenses of the parent's child and the parent is eligible for family  
21 coverage of health care expenses under a health benefit plan that is provided by an  
22 employer on an insured or on a self-insured basis, the employer shall do all of the  
23 following:

**ASSEMBLY BILL 100****SECTION 5084**

1 a. Permit the parent to obtain family coverage of health care expenses for the  
2 child, if eligible for coverage, without regard to any enrollment period or waiting  
3 period restrictions that may apply.

4 b. Provide family coverage of health care expenses for the child, if eligible for  
5 coverage, upon application by the parent, the child's other parent, the department  
6 or the county child support agency under s. 59.53 (5).

7 c. After the child has coverage under the employer's health benefit plan, and  
8 as long as the parent is eligible for family coverage under the employer's health  
9 benefit plan, continue to provide coverage for the child unless the employer receives  
10 satisfactory written evidence that the order of the court or family court commissioner  
11 is no longer in effect or that the child has coverage of health care expenses under  
12 another health insurance policy or health benefit plan that provides comparable  
13 coverage of health care expenses.

14 5. a. If a parent who has been ordered by a court or family court commissioner  
15 to provide coverage of the health care expenses of a child who is eligible for medical  
16 assistance under subch. IV of ch. 49 receives payment from a 3rd party for the cost  
17 of services provided to the child but does not pay the health care provider for the  
18 services or reimburse the department or any other person who paid for the services  
19 on behalf of the child, the department may obtain a judgment against the parent for  
20 the amount of the 3rd party payment.

21 b. Section 767.265 (4) applies to a garnishment based on a judgment obtained  
22 under subd. 5. a.

23 (c) 1. In making an order of legal custody under par. (a), the court or family court  
24 commissioner shall require a parent who is not granted legal custody to provide to  
25 the court medical and medical history information that is known to the parent. If the

**ASSEMBLY BILL 100****SECTION 5084**

1 court or family court commissioner orders joint legal custody, the court or family  
2 court commissioner shall require each parent to provide to the court medical and  
3 medical history information that is known to the parent. The court shall keep the  
4 information confidential and may release it only as provided in this paragraph. The  
5 information provided shall include all of the following:

6 a. The known medical history of the parent providing the information,  
7 including specific information about stillbirths or congenital anomalies in the  
8 parent's family, and the medical histories, if known, of the parents and siblings of the  
9 parent and any sibling of the child who is a child of the parent, except that medical  
10 history information need not be provided for a sibling of the child if the parent or  
11 other person who is granted legal custody of the child also has legal custody,  
12 including joint legal custody, of that sibling.

13 b. A report of any medical examination that the parent providing the  
14 information had within one year before the date of the order.

15 2. Upon the joint written request of a physician and a parent or other person  
16 with legal custody of the child, the court shall release the information provided under  
17 subd. 1. to a physician designated in the request. The physician joining in the request  
18 need not be the same physician designated in the request. The physician to whom  
19 the information is released shall keep the information confidential, but may release  
20 to the parent or other person with legal custody who made the request under this  
21 subdivision only that portion of the information that the physician determines is  
22 relevant to the child's medical condition.

23 (d) 1. Except as provided in par. (e), the court or family court commissioner shall  
24 determine child support payments under par. (a) by using the percentage standard  
25 established by the department under s. 49.22 (9).

**ASSEMBLY BILL 100****SECTION 5084**

1           2. In determining child support payments under par. (a), the court or family  
2 court commissioner may consider all relevant financial information or other  
3 information relevant to the parent's earning capacity, including information  
4 reported under s. 49.22 (2m) to the department or the county child support agency  
5 under s. 59.53 (5).

6           3. Support orders under par. (a) ordinarily shall be for periodic payments which  
7 may vary in amount if appropriate. The payment amount may be expressed as a  
8 percentage of the parent's income or as a fixed sum, or as a combination of both in  
9 the alternative by requiring payment of the greater or lesser of either a percentage  
10 of the parent's income or a fixed sum. The father's liability for past support of the  
11 child shall be limited to support for the period after the birth of the child.

12           (e) Upon request by a party, the court or family court commissioner may modify  
13 the amount of child support payments determined under par. (d) if, after considering  
14 the following factors, the court or family court commissioner finds by the greater  
15 weight of the credible evidence that use of the percentage standard is unfair to the  
16 child or to the requesting party:

17           1. The needs of the child.

18           2. The physical, mental and emotional health needs of the child, including any  
19 costs for health insurance as provided for under par. (b).

20           3. The standard of living and circumstances of the parents, including whether  
21 a parent receives maintenance payments under s. 767.26 and the needs of each party  
22 in order to support himself or herself at a level equal to or greater than that  
23 established under 42 USC 9902 (2).

24           4. The relative financial means of the parents.

**ASSEMBLY BILL 100****SECTION 5084**

1           5. The earning capacity of each parent, based on each parent's education,  
2 training and work experience and based on the availability of work in or near the  
3 parent's community.

4           6. The need and capacity of the child for education, including higher education.

5           7. The age of the child.

6           8. The financial resources and the earning ability of the child.

7           9. Any physical custody arrangement ordered or decided upon.

8           10. Extraordinary travel expenses incurred in exercising the right to periods  
9 of physical placement.

10          11. The responsibility of the parents for the support of others.

11          12. The value of services contributed by the custodial parent.

12          13. The best interests of the child.

13          14. Any other factors that the court or family court commissioner in each case  
14 determines are relevant to the best interests of the child.

15          (f) If the court or family court commissioner finds under par. (e) that use of the  
16 percentage standard is unfair to the child or the requesting party, the court or family  
17 court commissioner shall state in writing or on the record the amount of support that  
18 would be required by using the percentage standard, the amount by which the court's  
19 or family court commissioner's order deviates from that amount, the reasons for  
20 finding that use of the percentage standard is unfair to the child or the party, the  
21 reasons for the amount of the modification and the basis for the modification.

22          (g) A party ordered to pay child support under this subsection shall pay simple  
23 interest at the rate of 1.5% per month on any amount unpaid, commencing the first  
24 day of the 2nd month after the month in which the amount was due. Interest under  
25 this paragraph is in lieu of interest computed under s. 807.01 (4), 814.04 (4) or 815.05

**ASSEMBLY BILL 100****SECTION 5084**

1 (8) and is paid to the clerk of court or support collection designee under s. 767.29.  
2 Except as provided in s. 767.29 (1m), the clerk of court or support collection designee,  
3 whichever is appropriate, shall apply all payments received for child support as  
4 follows:

5 1. First, to payment of child support due within the calendar month during  
6 which the payment is withheld from income under s. 767.265 or under similar laws  
7 of another state. If payment is not made through income withholding, the clerk or  
8 support collection designee, whichever is appropriate, shall first apply child support  
9 payments received to payment of child support due within the calendar month  
10 during which the payment is received.

11 2. Second, to payment of unpaid child support due before the payment is  
12 received.

13 3. Third, to payment of interest accruing on unpaid child support.

14 **(5) VOIDING DETERMINATION.** (a) A determination of paternity that arises under  
15 this section may be voided at any time upon a motion or petition stating facts that  
16 show fraud, duress or a mistake of fact. Except for good cause shown, any orders  
17 entered under sub. (4) shall remain in effect during the pendency of a proceeding  
18 under this paragraph.

19 (b) If a court in a proceeding under par. (a) determines that the man is not the  
20 father of the child, the court shall vacate any order entered under sub. (4) with  
21 respect to the man. The court shall notify the state registrar, in the manner provided  
22 in s. 69.15 (1) (b), to remove the man's name as the father of the child from the child's  
23 birth certificate. No paternity action may thereafter be brought against the man  
24 with respect to the child.

**ASSEMBLY BILL 100****SECTION 5084**

1           **(6) APPLICABILITY.** (a) This section does not apply unless all of the following  
2 apply to the statement acknowledging paternity:

4 beginning on January 1, 1998.

5           2. The statement was signed and filed on or after January 1, 1998.

10           (b) Parties who signed and filed a statement acknowledging paternity before  
11 January 1, 1998, may sign and file a new statement that fulfills the requirements

5 no effect on the validity or enforceability of the modified child support order of the  
6 new tribunal of continuing, exclusive jurisdiction.

7 **SECTION 5134.** 769.613 of the statutes is created to read:

8 **769.613 Jurisdiction to modify support order of another state when**
