Analysis by the Legislative Reference Bureau

Under current law, dyed diesel fuel that is sold for off-highway use other than use in a snowmobile, in an all-terrain vehicle that is not registered for private use or in a recreational motorboat is exempt from the motor vehicle fuel tax. Under this bill, buyers of both gasoline and diesel fuel, whether dyed or not, for those off-highway uses may purchase it free of tax.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to this bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
