- 1 **AN ACT to create** 13.0975 of the statutes; **relating to:** prison impact assessments
2 and making an appropriation.

Analysis by the Legislative Reference Bureau

Current law prohibits legislative action on most legislative bills until a fiscal estimate is prepared by the appropriate state agency. However, current law exempts a bill containing penalty provisions from this procedure if no other provision of the bill requires a fiscal estimate.

This bill requires the director of state courts to provide a prison impact assessment on any bill that creates a felony (crime punishable by imprisonment in the state prison system) or modifies the period of imprisonment for a felony. The director has 21 days in which to prepare the assessment, beginning with the date on which the director receives a copy of an introduced bill from the legislative reference bureau or the date on which the bill requester asks for the assessment, whichever occurs first. The assessment includes probationer, prisoner and parolee population estimates; a fiscal estimate regarding the impact on prison construction and operation; an analysis of the impact on prosecutors, the state public defender and the courts; and a description of the assumptions and methodologies that were used to prepare the assessment. The bill prohibits legislative action on the bill until the assessment is prepared. In addition, the director must prepare a yearly total prison impact assessment. The department of corrections and the circuit courts must help the director by providing him or her with relevant information.

ASSEMBLY BILL 692

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
