PETTIS. Referred to Committee on State Affairs.

1 **AN ACT to create** 101.123 (2) (br) and 118.115 of the statutes; **relating to:**
2 smoking or using tobacco products at or near a school and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, persons under the age of 18 may not possess cigarettes or other tobacco products. This bill bans the use of cigarettes and other tobacco products by anyone who has reason to believe that he or she is in a school zone. The bill defines a school zone to be the premises of a school or the area within 1,000 feet of the school premises. The bill exempts certain adults from this ban, including adults who are on private property that is not part of the school premises and adults who are in motor vehicles traveling through a school zone. The bill also authorizes the school administrator to authorize certain employees of the school to detain, for a reasonable length of time, any person whom they see violating the ban in order to turn the person over to a law enforcement officer or a parent or guardian.
