

1999 ASSEMBLY BILL 195

March 12, 1999 - Introduced by Representatives SCHNEIDER, MUSSER, ALBERS and STASKUNAS. Referred to Committee on Natural Resources.

1 **AN ACT to amend** 895.035 (6), 938.17 (2) (d), 938.343 (5m) (c) and 938.45 (1r) (b);
2 and **to create** 30.62 (3) (c), 30.80 (5m) and 938.343 (5m) of the statutes;
3 **relating to:** requiring underage persons to wear personal flotation devices
4 while on certain boats and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, each boat must have on it a personal flotation device for each person riding in the boat. Under this bill, each person under the age of 17 (underage person) must wear such a device if the underage person is in a boat that is less than 26 feet in length. The bill also establishes a procedure under which a violator may not be cited but receives a warning notice for his or her first violation. Under the bill, a parent or guardian of such an underage person is considered to have committed a violation if he or she knew that the underage person was violating the law.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.
