Analysis by the Legislative Reference Bureau

Under current law, a charter school is exempt from most laws governing public schools. A charter school may be established by filing a petition with a school district requesting the school board to enter into a contract with a person to establish and operate a charter school or by a school board's initiating such a contract. In addition, current law authorizes the city of Milwaukee, the University of Wisconsin–Milwaukee and the Milwaukee Area Technical College, to initiate a contract with an individual or group to operate a school as a charter school or to establish and independently operate charter schools. A pupil residing in the Milwaukee public school district may attend a charter school established by one of the Milwaukee entities only if, in the previous school year, one of the following applied:

1. The pupil was enrolled in the Milwaukee public schools.
2. The pupil was attending a private school under the Milwaukee parental choice program.
3. The pupil was enrolled in grades kindergarten to 3 in a private school, located in the city of Milwaukee, other than under the Milwaukee parental choice program.
4. The pupil was not enrolled in school.
