

1999 ASSEMBLY BILL 400

July 8, 1999 - Introduced by Representative SCHNEIDER. Referred to Committee on Labor and Employment.

1 **AN ACT to amend** 103.73 (1) (intro.), 103.73 (1) (a), 103.75 (1) and 103.76 of the
2 statutes; **relating to:** proof of age of a minor for purposes of the child labor laws
3 and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law, subject to certain exceptions, a minor may not be permitted to work at any gainful occupation unless the department of workforce development (DWD) or a permit officer has issued a written permit authorizing the employment of the minor (work permit). Before DWD or a permit officer may issue a work permit, DWD or the permit officer must examine and approve such evidence as is required by DWD by rule showing the age of the minor. Under current DWD rules, DWD and permit officers must accept as evidence of a minor's age for purposes of issuing a work permit the minor's birth certificate or baptismal certificate, in that order, or, if those proofs of age are not obtainable, certain other proofs of age such as the minor's passport, a life insurance policy on the minor or the record of age stated in the first school enrollment of the minor.

This bill requires DWD, in promulgating rules governing proof of age of minors applying for work permits, to include a requirement that DWD and its permit officers accept as evidence of a minor's age a valid operator's license issued by the department of transportation (DOT) that contains the photograph of the license holder (driver's license) or an identification card issued by DOT, without requiring proof that the minor's birth certificate or baptismal certificate cannot be secured.

Current law also authorizes DWD or a person designated by DWD to issue a certificate of age for a minor. A certificate of age and a minor's work permit are

ASSEMBLY BILL 400

conclusive evidence of the minor's age in any court proceeding under any labor law or the worker's compensation law. If in such a proceeding there is doubt as to a minor's age and a work permit or certificate of age cannot be produced, the minor's birth certificate or baptismal certificate must be produced and filed with the court or, if those proofs of age cannot be secured, the record of age stated in the first school enrollment of the minor is admissible as evidence of the minor's age.

This bill requires DWD or a person designated by DWD, in issuing a certificate of age to a minor, to accept as evidence of the minor's age the minor's driver's license or an identification card issued by DOT in the same manner as DWD or a permit officer must accept that proof of age for purposes of issuing a work permit. The bill also permits a minor's driver's license or identification card issued by DOT to be produced as evidence of the minor's age in a court proceeding under any labor law or the worker's compensation law when there is doubt as to a minor's age and a work permit or certificate of age cannot be produced.
