

1999 ASSEMBLY BILL 871

March 13, 2000 - Introduced by Representative DUFF, cosponsored by Senator BURKE. Referred to Committee on Environment.

1 **AN ACT to create** 75.106 of the statutes; **relating to:** assigning a judgment in a
2 tax foreclosure action.

Analysis by the Legislative Reference Bureau

Under current law, if a county prevails in an action to foreclose a tax lien on property for which taxes are delinquent, the court enters a judgment which grants the county ownership of the property. Under this bill, a county may assign to a person its right to a judgment with respect to any parcel that is subject to the county's foreclosure action, if the parcel is a brownfield; an environmental assessment is conducted on the parcel and the department of natural resources (DNR) is given the results of that assessment; and, if the parcel is contaminated by a hazardous substance, the person to whom the judgment is assigned agrees to clean up, maintain and monitor the parcel according to rules established by DNR.

Under the bill, if a county assigns a judgment to a person and the county is entitled to a judgment in the county's foreclosure action, the court that is presiding over the foreclosure action will enter a judgment which grants the ownership of the parcel that is the subject of the assignment to the person to whom the judgment is assigned and will enter a separate judgment which grants the ownership of the other parcels that are the subject of the foreclosure action to the county.
