Analysis by the Legislative Reference Bureau

Under current law, appointing authorities are able to make limited term appointments in the state civil service system. A limited term appointment is an appointment for less than 1,044 hours per year or is a provisional appointment. Individuals appointed to limited term appointments do not qualify for tenure, vacation, paid holidays, sick leave, performance awards, or the right to compete in promotional examinations. This bill provides that any individual appointed to a limited term appointment, who prior to that appointment had worked for the state for at least six months in the two-year period immediately preceding his or her appointment, shall be considered a permanent employee for the purposes of qualifying for tenure, vacation, paid holidays, sick leave, performance awards, and the right to compete in promotional examinations.
