4 consideration).

Analysis by the Legislative Reference Bureau

This proposed constitutional amendment, proposed to the 2001 legislature on first consideration, provides that, beginning with real property taxes assessed by a city, village, town, or county on the January 1 after ratification, the maximum annual percentage change in the property tax on a parcel of real property for any year equals the lesser of: 1) 5%; or 2) the rate of inflation in the prior year, doubled, but not less than zero percent. The amendment provides a method by which the limit may be exceeded with elector approval.

A proposed constitutional amendment requires adoption by 2 successive legislatures, and ratification by the people, before it can become effective.
