1 AN ACT to amend 85.095 (1) (a); and to create 85.095 (1) (am) and 85.095 (5) of 2 the statutes; relating to: eligibility for the Harbor Assistance Program 3 administered by the Department of Transportation.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Transportation (DOT), in consultation with the Wisconsin Coastal Management Council, administers a Harbor Assistance Program. Under the program, an eligible applicant may be awarded a grant to partially reimburse the applicant for expenses incurred in making certain harbor improvements. Eligible applicants include counties, cities, villages, towns, and boards of harbor commissioners.

Under this bill, a person who owns a harbor facility is also eligible for a grant under the Harbor Assistance Program. However, DOT may only award a grant for improvement of a privately owned harbor facility if the harbor facility will be held open for public use for at least ten years after it is improved. If the privately owned harbor facility is not so held open, the grant recipient must repay the grant funds to the extent and in the manner directed by DOT.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
