1 financing of elections for certain state offices, providing an exemption from  
2 emergency rule procedures, granting rule-making authority, providing a  
3 penalty, and making appropriations.

***Analysis by the Legislative Reference Bureau***

Currently, a candidate for state office other than court of appeals judge, circuit judge, or district attorney may qualify to receive a grant from the Wisconsin election campaign fund for use in an election campaign only. No funding is provided for primary campaigns. In order to qualify for a grant, a candidate must qualify to have his or her name appear on the general or spring election ballot and must have an opponent who qualifies to have his or her name appear on that ballot. In addition, a candidate for a partisan office at the general election must receive at least six percent of the total vote cast on all ballots at the September primary election, and a candidate for a partisan office at a special election must either represent a political party whose candidate for the office that the candidate seeks received at least six percent of the total vote cast for that office at the most recent general election at which the office was contested or must receive at least six percent of the total vote cast for that office at the special election.

Currently, the maximum amount of a grant that a candidate may receive is 45 percent of the disbursement (spending) level or limit for the office that the candidate seeks. This amount is not subject to any cost of living adjustment. In addition, this amount is reduced by the total amount of contributions received by a candidate from committees other than political party or legislative campaign committees and this amount may not be fully funded in a particular year if there are not sufficient moneys in the Wisconsin election campaign fund to provide full financing for all qualifying candidates. Grants may only be used to purchase services from a communications medium, printing, graphic arts, or advertising services, office supplies, or postage. A candidate must agree to abide by disbursement and self-contribution limits in order to receive a grant, but this agreement does not apply if the candidate has an opponent who could have qualified for a grant but declines to do so and declines to file an affidavit of voluntary compliance with disbursement and self-contribution limits. Grant moneys that are not spent by a candidate after the date of an election must be returned by the candidate to the state.

This bill replaces the Wisconsin election campaign fund with a new fund called the clean elections fund. Under the bill, a candidate for any state office other than court of appeals judge, circuit judge, or district attorney may qualify to receive a grant from the clean elections fund. Separate grants are provided for primary and election campaigns. In order to qualify for a grant, a candidate must qualify to have his or her name appear on the ballot at a spring, September, or special primary or a spring, general, or special election for which the grant money will be used. In order to qualify for a grant at a general or partisan special election, a candidate must also receive at least one percent of the total vote cast on all ballots for the office that the

**ASSEMBLY BILL 825**

candidate seeks at the September primary, or at the special primary, if a special primary is held. In addition, a candidate must raise and deposit with the state treasurer a specified number of qualifying contributions in the amount of \$5 each. Each qualifying contribution must be received from an elector of this state and, in the case of a candidate for legislative office, from an elector of the district in which the candidate seeks office, and the name and address of the contributor must be reported to the State Elections Board. The number of qualifying contributions ranges from 3,000 to 100, depending upon the office sought by the candidate.

Under the bill, the maximum amount of a grant that a candidate may receive ranges from \$1,000,000 in the primary and \$2,000,000 in the election to \$25,000 in the primary and \$50,000 in the election, depending upon the office sought by the candidate, except if a candidate has no opponent whose name is certified to appear on the ballot. Under the bill, an unopposed candidate at a primary election receives a grant equal to the average total disbursements made per candidate in primary elections for the office that the candidate seeks during the four-year period preceding the date of the primary election, and an unopposed candidate at a spring, general, or special election receives a grant equal to the average total disbursements made per candidate in spring, general, and special elections for the office that the candidate seeks during the four-year period preceding the date of the spring, general, or special election, except that a candidate for the office of governor receives a grant of \$100,000 for a primary election and \$200,000 for a general or special election. Grant amounts are subject to a biennial cost-of-living adjustment.

In order to receive a grant, a candidate must affirm that he or she has not accepted and agrees not to accept a contribution from any source other than qualifying contributions or seed money contributions, which may be accepted by a candidate before the candidate qualifies to receive a grant. The total seed money contributions accepted by a candidate from one contributor, including contributions by a candidate to his or her own campaign, may not exceed \$100. The total seed money contributions accepted by a candidate from all contributors range from \$50,000 to \$1,500, depending upon the office sought by the candidate. A candidate must deposit with the board any unencumbered seed money contributions held by the candidate on the day the candidate receives notification of qualification for a grant. If any person makes an expenditure independently of a candidate or incurs an obligation to make such an expenditure for the purpose of making a mass communication containing a reference to a candidate for a state office other than the office of court of appeals judge, circuit judge, or district attorney within 60 days preceding a primary or election for that office, the person must report that expenditure or obligation to the board. Upon receipt of the report by the board, each candidate who accepts a grant qualifies to receive an additional grant equal to the amount of the independent expenditures and outstanding obligations made in opposition to that candidate or in support of his or her opponent. If a candidate who accepts a grant is opposed by a candidate who does not accept a grant or who violates his or her agreement, any complying candidate for the same office who accepts a grant qualifies to receive an additional grant equal to the amount by which disbursements by the other candidate exceed the original amount of the grant

**ASSEMBLY BILL 825**

received by that candidate. The sum of all additional grants made to a single candidate may not exceed 2.5 times the original amount of a candidate's grant. The bill permits grants to be spent for any lawful purpose. To facilitate matching of independent expenditures made and obligations incurred in opposition to a candidate or in support of a candidate's opponent, the bill revises current requirements for individuals and committees making such disbursements to report disbursements exceeding \$20 cumulatively if they are made within 15 days of an election to require, instead, reporting of all independent expenditures and obligations to make such expenditures in support of or in opposition to a candidate for a state office other than court of appeals judge, circuit judge, or district attorney if the expenditures are made or obligations incurred within 60 days of an election.

The bill also deletes the disbursement and self-contribution limitations currently applicable to candidates who accept grants from the Wisconsin election campaign fund, as well as the affidavit of voluntary compliance with those limitations. Under the bill, grant moneys that are not spent by a candidate on the day after an election must be returned by the candidate to the state.

The bill provides that if a candidate does not adhere to the agreement required to obtain a grant, the candidate is subject to a forfeiture (civil penalty) equivalent to the amount of the grant that the candidate received, and in addition may be fined not more than three times the amount of any contributions received by the candidate excluding the amount of any grant and any qualifying or seed money contributions that are permitted to be received under the bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

7 of the preceding year and the consumer price index for calendar year 2005. For each  
8 biennium, the board shall multiply the amount of each grant specified in sub. (10)

10 that product to the applicable grant amount under sub. (10), round each sum to the  
11 nearest multiple of \$5, and adjust the amount of each grant to substitute the  
12 resulting amount. The amount so determined shall then be in effect until a  
13 subsequent rule is promulgated under this paragraph. Notwithstanding s. 227.24  
14 (1) (a), (2) (b), and (3), determinations under this paragraph may be promulgated as

3 (13) If a candidate who receives a grant from the clean elections fund is opposed  
4 on a primary or election ballot by another candidate who does not receive a grant or  
5 by another candidate who the board determines has violated his or her agreement  
6 under sub. (7), the candidate who receives a grant shall receive an additional grant  
7 in the amount by which the disbursements made by the other candidate exceed the  
8 amount of the grant payable for the office sought by the candidate in that election  
9 under sub. (10), as adjusted under sub. (11), but not to exceed, in combination with  
10 any additional grant payable to that candidate under sub. (12), 2.5 times the amount  
11 payable to the candidate under sub. (10), as adjusted under sub. (11). If a candidate  
12 who receives a grant from the clean elections fund is opposed on a primary or election  
13 ballot by more than one candidate who does not receive a grant or who the board  
14 determines has violated his or her agreement under sub. (7), the amount of the grant  
15 payable under this subsection is the largest amount that would be payable by reason  
16 of any candidate's opposition.

17 (14) If a candidate who makes an agreement under sub. (7) does not adhere to  
18 the agreement, the candidate shall forfeit an amount equivalent to any grant from  
19 the clean elections fund that is provided to the candidate and the candidate may be  
20 fined not more than 3 times the amount of any contributions received by the  
21 candidate in his or her campaign, as defined in s. 11.26 (17), exclusive of the amount  
22 of any grant or any contributions deposited under sub. (2) or received under sub. (3).

23 (15) No later than the first day of the first month beginning at least 15 days  
24 after an election at which a candidate receives a grant from the clean elections fund,  
25 the candidate shall return to the state treasurer any amount of the grant remaining

**ASSEMBLY BILL 825**
