Analysis by the Legislative Reference Bureau

Current law restricts where certain persons who have been convicted of first or second degree sexual assault, first or second degree sexual assault of a child, repeated sexual assault of a child, incest with a child, or child enticement (a "serious sex offense") may reside if they are living in the community. First, no person who has been convicted of a serious sex offense (a "sex offender") may be paroled to any county where there is a correctional institution that has a specialized sex offender treatment program, unless that county was the person's county of residence at the time of the

SENATE BILL 106

person's offense. Second, any sex offender who is released to extended supervision must agree, as a condition of extended supervision, to live in a residence that the Department of Corrections (DOC) has approved. Current law also imposes certain obligations on DOC with respect to where sex offenders reside. DOC must work to minimize, to the greatest extent possible, the residential population density of sex offenders who are on probation, parole, or extended supervision or who are placed on supervised release after having been committed for treatment as sexually violent persons.

This bill places additional restrictions on where a child sex offender — defined as a person who has been convicted of child enticement; using a computer to facilitate having sex with a child; attempting to commit either of these crimes; or, if the victim or the intended victim was under 18, any other serious sex offense -- may reside. Under the bill, a child sex offender who is being placed in the community under the supervision of DOC (through parole, extended supervision, or probation) may not reside within 1,000 feet of any of the following places: 1) a state, county, city, village, or town park; 2) a multiunit public housing project; 3) a public swimming pool; 4) a child care facility; 5) a youth center; 6) a community center; or 7) any private or public school premises. The bill imposes the same restriction on: 1) any person being placed in the community on conditional release after having been found not guilty by reason of mental disease or defect of child enticement; using a computer to facilitate having sex with a child; attempting to commit either of these crimes; or, if the victim or the intended victim was under 18, any other serious sex offense; and 2) any person placed on supervised release after having been committed for treatment as a sexually violent person, regardless of the offense or offenses that provided a basis for his or her commitment.

17 ~~with sub. (4f). Otherwise,~~ the court does not make this finding, it shall order
18 conditional release. In determining whether ~~commitment shall be for institutional~~

SENATE BILL 106

1 **SECTION 22.** 971.17 (3) (e) of the statutes is amended to read:

2 971.17 (3) (e) An order for conditional release places the person in the custody
3 and control of the department of health and family services. A conditionally released
4 person is subject to the conditions set by the court ~~and,~~ to the rules of the department
5 of health and family services, ~~and, if applicable, to sub. (4f).~~ Before a person is
6 conditionally released by the court under this subsection, the court shall so notify the
7 municipal police department and county sheriff for the area where the person will
8 be residing. The notification requirement under this paragraph does not apply if a
9 municipal department or county sheriff submits to the court a written statement
10 waiving the right to be notified. If the department of health and family services
11 alleges that a released person has violated any condition or rule, or that the safety
12 of the person or others requires that conditional release be revoked, he or she may
13 be taken into custody under the rules of the department. The department of health
14 and family services shall submit a statement showing probable cause of the
15 detention and a petition to revoke the order for conditional release to the committing
16 court and the regional office of the state public defender responsible for handling
17 cases in the county where the committing court is located within 48 hours after the
18 detention. The court shall hear the petition within 30 days, unless the hearing or
19 time deadline is waived by the detained person. Pending the revocation hearing, the
20 department of health and family services may detain the person in a jail or in a
21 hospital, center or facility specified by s. 51.15 (2). The state has the burden of
22 proving by clear and convincing evidence that any rule or condition of release has
23 been violated, or that the safety of the person or others requires that conditional
24 release be revoked. If the court determines after hearing that any rule or condition
25 of release has been violated, or that the safety of the person or others requires that

SENATE BILL 106

1 conditional release be revoked, it may revoke the order for conditional release and
2 order that the released person be placed in an appropriate institution under s. 51.37
3 (3) until the expiration of the commitment or until again conditionally released
4 under this section.

5 **SECTION 23.** 971.17 (4) (d) of the statutes is amended to read:

6 971.17 (4) (d) The court, without a jury, shall hear the petition within 30 days
7 after the report of the court-appointed examiner is filed with the court, unless the
8 petitioner waives this time limit. Expenses of proceedings under this subsection
9 shall be paid as provided under s. 51.20 (18). The court shall grant the petition unless
10 it finds by clear and convincing evidence that the person would pose a significant risk
11 of bodily harm to himself or herself or to others or of serious property damage if
12 conditionally released. ~~In making this determination or that the person is a child sex~~
13 ~~offender who refuses to comply with sub. (4f). In determining whether the person~~
14 ~~would pose a significant risk of bodily harm to himself or herself or to others or of~~
15 ~~serious property damage,~~ the court may consider, without limitation because of
16 enumeration, the nature and circumstances of the crime, the person's mental history
17 and present mental condition, where the person will live, how the person will support
18 himself or herself, what arrangements are available to ensure that the person has
19 access to and will take necessary medication, and what arrangements are possible
20 for treatment beyond medication.

5 order under sub. (1) (1d), the department of health and family services shall notify

9 the court shall discharge the person, subject to the right of the department of health
10 and family services or the appropriate county department under s. 51.42 or 51.437
11 to proceed against the person under ch. 51 or 55. If none of those departments

1 2. In deciding whether to make a finding under subd. 1. a., the court may
2 consider, without limitation because of enumeration, the nature and circumstances
3 of the behavior that was the basis of the allegation in the petition under s. 980.02 (2)
4 (a), the person's mental history and present mental condition, where the person will
5 live, how the person will support himself or herself and what arrangements are
6 available to ensure that the person has access to and will participate in necessary
7 treatment, including pharmacological treatment using an antiandrogen or the
8 chemical equivalent of an antiandrogen if the person is a serious child sex offender.
9 A decision under ~~this subsection~~ subd. 1. a. on a petition filed by a person who is a
10 serious child sex offender may not be made based on the fact that the person is a
11 proper subject for pharmacological treatment using an antiandrogen or the chemical
12 equivalent of an antiandrogen or on the fact that the person is willing to participate
13 in pharmacological treatment using an antiandrogen or the chemical equivalent of
14 an antiandrogen.

15 **SECTION 31.** 980.08 (4) (a) 1. b. of the statutes is created to read:

16 980.08 (4) (a) 1. b. That the person who is the subject of the petition refuses to
17 comply with sub. (5) (a) 2.

18 **SECTION 32.** 980.08 (5) of the statutes is renumbered 980.08 (5) (a) 1. and
19 amended to read:

20 980.08 (5) (a) 1. If the court finds that the person is appropriate for supervised
21 release, the court shall notify the department. The Subject to subd. 2., the
22 department shall make its best effort to arrange for placement of the person in a
23 residential facility or dwelling that is in the person's county of residence, as
24 determined by the department under s. 980.105. ~~The department and the county~~
25 ~~department under s. 51.42 in the county of residence of the person shall prepare a~~

SENATE BILL 106**SECTION 32**

1 ~~plan that identifies the treatment and services, if any, that the person will receive~~
2 ~~in the community. The plan shall address the person's need, if any, for supervision,~~
3 ~~counseling, medication, community support services, residential services, vocational~~
4 ~~services, and alcohol or other drug abuse treatment. In developing a plan for where~~
5 ~~the person may reside while on supervised release, the department shall consider the~~
6 ~~proximity of any potential placement to the residence of other persons on supervised~~
7 ~~release and to the residence of persons who are in the custody of the department of~~
8 ~~corrections and regarding whom a sex offender notification bulletin has been issued~~
9 ~~to law enforcement agencies under s. 301.46 (2m) (a) or (am).~~

10 (c) The plan prepared under par. (b) shall address the person's need, if any, for
11 supervision, counseling, medication, community support services, residential
12 services, vocational services, and alcohol or other drug abuse treatment. If the
13 person is a serious child sex offender, the plan shall address the person's need for
14 pharmacological treatment using an antiandrogen or the chemical equivalent of an
15 antiandrogen. The department may contract with a county department, under s.
16 51.42 (3) (aw) 1. d., with another public agency or with a private agency to provide
17 the treatment and services identified in the plan. The plan shall specify who will be
18 responsible for providing the treatment and services identified in the plan.

19 (d) The plan prepared under par. (b) shall be presented to the court for its
20 approval within 60 days after the court finding that the person is appropriate for
21 supervised release, unless the department, county department, and person to be
22 released request additional time to develop the plan. If the county department of the
23 person's county of residence declines to prepare a plan, the department may arrange
24 for another county to prepare the plan if that county agrees to prepare the plan and
25 if the person will be living in that county. If the department is unable to arrange for

SENATE BILL 106

1 ~~another county to prepare a plan, the court shall designate a county department to~~
2 ~~prepare the plan, order the county department to prepare the plan and place the~~
3 ~~person on supervised release in that county, except that the court may not so~~
4 ~~designate the county department in any county where there is a facility in which~~
5 ~~persons committed to institutional care under this chapter are placed unless that~~
6 ~~county is also the person's county of residence.~~

7 **SECTION 33.** 980.08 (5) (a) 2. of the statutes is created to read:

8 980.08 (5) (a) 2. A person committed under s. 980.06 may not, as a condition
9 of supervised release, reside within 1,000 feet of any state, county, city, village, or
10 town park, a multiunit public housing project, a swimming pool open to members of
11 the public, a child care facility, as defined in s. 302.116 (1) (ad), a youth center, a
12 community center, or any private or public school premises.

13 **SECTION 34.** 980.08 (5) (b) of the statutes is created to read:

14 980.08 (5) (b) If the person will be living in his or her county of residence, the
15 department and the county department under s. 51.42 in that county shall prepare
16 a plan that identifies the treatment and services, if any, that the person will receive
17 in the community. If the county department of the person's county of residence
18 declines to prepare a plan, the department may arrange for another county to
19 prepare the plan if that county agrees to prepare the plan and if the person will be
20 living in that county. If the department is unable to arrange for another county to
21 prepare a plan, the court shall designate a county department to prepare the plan,
22 order the county department to prepare the plan, and place the person on supervised
23 release in that county, except that the court may not so designate the county
24 department in any county where there is a facility in which persons committed to

SENATE BILL 106**SECTION 34**

1 institutional care under this chapter are placed unless that county is also the
2 person's county of residence.

3 **SECTION 35.** 980.08 (6m) of the statutes is amended to read:

4 980.08 **(6m)** An order for supervised release places the person in the custody
5 and control of the department. The department shall arrange for control, care, and
6 treatment of the person in the least restrictive manner consistent with the
7 requirements of the person and in accordance with the plan for supervised release
8 approved by the court under sub. (5) (d). A person on supervised release is subject
9 to the conditions set by the court and to the rules of the department. Before a person
10 is placed on supervised release by the court under this section, the court shall so
11 notify the municipal police department and county sheriff for the municipality and
12 county in which the person will be residing. The notification requirement under this
13 subsection does not apply if a municipal police department or county sheriff submits
14 to the court a written statement waiving the right to be notified. If the department
15 alleges that a released person has violated any condition or rule, or that the safety
16 of others requires that supervised release be revoked, he or she may be taken into
17 custody under the rules of the department. The department shall submit a
18 statement showing probable cause of the detention and a petition to revoke the order
19 for supervised release to the committing court and the regional office of the state
20 public defender responsible for handling cases in the county where the committing
21 court is located within 72 hours after the detention, excluding Saturdays, Sundays,
22 and legal holidays. The court shall hear the petition within 30 days, unless the
23 hearing or time deadline is waived by the detained person. Pending the revocation
24 hearing, the department may detain the person in a jail or in a hospital, center, or
25 facility specified by s. 51.15 (2). The state has the burden of proving by clear and

SENATE BILL 106

1 convincing evidence that any rule or condition of release has been violated, or that
2 the safety of others requires that supervised release be revoked. If the court
3 determines after hearing that any rule or condition of release has been violated, or
4 that the safety of others requires that supervised release be revoked, it may revoke
5 the order for supervised release and order that the released person be placed in an
6 appropriate institution until the person is discharged from the commitment under
7 s. 980.09 or until again placed on supervised release under this section.
