

2003 SENATE BILL 495

February 26, 2004 – Introduced by Senators LASSA and KANAVAS, cosponsored by Representatives SUDER, GRONEMUS, BERCEAU, J. LEHMAN and KREIBICH. Referred to Committee on Education, Ethics and Elections.

1 **AN ACT to amend** 119.04 (1); and **to create** 115.28 (52) and 118.46 of the statutes;
2 **relating to:** prohibiting pupils who take prohibited substances or engage in
3 certain practices from participating in interscholastic athletics.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Public Instruction to develop and distribute to school boards a list of prohibited substances (other than controlled substances, tobacco, and alcohol) that are harmful to athletes. The bill requires each school board to prohibit a pupil who uses any of these substances, engages in blood doping or gene doping, or uses products that enhance the uptake, transport, or delivery of oxygen, from participating in at least one game or match of each interscholastic sport in which the pupil participates. “Blood doping” is defined in the bill as the use of blood, red blood cells, or red blood cell products to raise the capacity of blood to carry oxygen. “Gene doping” is defined in the bill as the use of genes, genetic elements, or cells in order to enhance athletic performance.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
