AN ACT to create 175.60, 950.04 (1v) (dd), 950.04 (1v) (dj), 950.04 (1v) (eg), 950.04 (1v) (zr) and 967.12 of the statutes; relating to: the right of crime victims to fairness, dignity, and respect for their privacy, the confidentiality of victim information, and law enforcement agencies' duty to investigate certain matters.

### Analysis by the Legislative Reference Bureau

This bill creates a duty that a law enforcement agency (agency) must investigate, or refer the matter to an agency with jurisdiction, if a victim of one of the crimes against a child specified in the bill informs the agency of the crime and there are reasonable grounds to believe that the crime is being or has been committed. The bill also requires an agency to investigate and, if necessary, correct the information on a police report if a victim notifies the agency that the information is incorrect. The bill also requires an agency, a prosecutor, and a court to maintain from disclosure to the public any personal information or other information that identifies a victim if the victim so requests.
