## **2007 SENATE BILL 551**

February 29, 2008 – Introduced by Senators Sullivan, Grothman, Darling and Olsen, cosponsored by Representatives Strachota, Nass, Kerkman, Hahn, Mursau, Townsend, Bies and Gunderson. Referred to Committee on Labor, Elections and Urban Affairs.

AN ACT to amend 440.42 (3) (a) (intro.), 440.42 (3) (b) and 440.42 (8); and to create 440.42 (3) (bm) of the statutes; relating to: reporting requirements for certain charitable organizations.

### Analysis by the Legislative Reference Bureau

Under current law, charitable organizations are regulated by the Department of Regulation and Licensing (department). Generally, if a charitable organization received more than \$5,000 in contributions in its most recently completed fiscal year, the organization must file an annual financial statement with the department. If a charitable organization received more than \$100,000 in contributions in its most recently completed fiscal year, the organization must instead file an audited financial statement and an opinion on the statement from an independent certified public accountant.

Under this bill, a charitable organization must file an audited financial statement and an accountant's opinion if the charitable organization received more than \$400,000 in contributions in its most recently completed fiscal year. If a charitable organization received between \$200,000 and \$400,000 in its most recently completed fiscal year, the charitable organization must file a financial statement and a review of the statement by an independent certified public accountant.
