### *Analysis by the Legislative Reference Bureau*

Current law requires that any vehicle entering any state park or certain other properties under the jurisdiction of the Department of Natural Resources (DNR) display a vehicle admission receipt or sticker. Fees for these stickers are established by statute, with a higher fee for stickers issued for out-of-state vehicles. For a motor vehicle, the driver may be issued an annual or a daily sticker upon payment of the fee. Under current law, DNR issues daily stickers for buses, but may not issue annual stickers. This bill requires DNR to issue annual stickers for buses from Wisconsin and from other states and sets fees for these stickers.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
