

2015 ASSEMBLY BILL 840

February 1, 2016 - Introduced by Representatives ROHRKASTE and SKOWRONSKI, sponsored by Senators MOULTON and MILLER. Referred to Committee on Health.

1 **AN ACT to amend** 146.98 (3) (c); and **to create** 146.98 (7) of the statutes; **relating**
2 **to:** ambulatory surgical center assessment reporting.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Health Services to submit a report on the ambulatory surgical center assessment to the Joint Committee on Finance annually, based on the preceding fiscal year, with certain information as described in the bill. Under current law, the Department of Revenue may impose an assessment on ambulatory surgical centers. DHS allocates any assessment among the ambulatory surgical centers in proportion to their gross patient revenue. DOR, if it imposes an assessment, must transfer 99.5 percent of the moneys collected to the medical assistance trust fund, which pays some of the costs for the Medical Assistance program.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
