## 2015 ASSEMBLY JOINT RESOLUTION 115

February 16, 2016 - Introduced by Representative BALLWEG, cosponsored by Senator DARLING. Referred to Committee on Rules.

1       **Relating to:** congratulating First Lady Tonette Walker and the Fostering Futures  
2           Steering Committee.

3           Whereas, Fostering Futures strives to provide focus on improving the lives of  
4       children, especially those in foster care, by sharing the concept of trauma-informed  
5       care; and

6           Whereas, educating government officials on the science of early-brain  
7       development and the impact of Adverse Childhood Experiences has been a priority  
8       of Fostering Futures; and

9           Whereas, significant progress in this area can be made by promoting a  
10       comprehensive approach that aligns the work of all three branches of government:  
11       executive, legislative, and judicial; and

12           Whereas, Fostering Futures is promoting opportunities and offering  
13       recommendations to translate the science of trauma-informed care into practice for  
14       children and families in Wisconsin; and
