1 **AN ACT to amend** 118.44 (4) (a) (intro.), 1. (intro.), 2. and 3., 118.44 (4) (b) (intro.),
2 (c) and (d) and 118.44 (7) (a); **to repeal and recreate** 118.44 (4) (title); and **to**
3 **create** 118.44 (4) (intro.) of the statutes; **relating to:** the Achievement Gap
4 Reduction program.

Analysis by the Legislative Reference Bureau

This bill makes various changes to the Achievement Gap Reduction (AGR) program created in 2015 Wisconsin Act 53. The AGR program is a categorical aid program that provides funding to participating schools for low-income pupils enrolled in participating grades if the participating school complies with a contract (an AGR contract) entered into by a school board, on behalf of the participating school, with the Department of Public Instruction (DPI). A participating grade is a grade from kindergarten to third grade that is subject to an AGR contract.

Under the bill, an AGR contract must require a school board to implement one or more of the strategies described below in *each* class in *each* participating grade at each participating school. Under current law, the strategies described below related to class size and tutoring must be implemented in *one or more* classes in *one or more* participating grades at each participating school and the instructional coaching strategy described below must be provided for one or more teachers of one or more participating grades at each participating school.

Under current law, a school board that enters into an AGR contract must implement one or more of the following strategies:

SENATE BILL 254

1. Reduce the class size to 18 pupils or, if a classroom has at least two regular classroom teachers, to 30 pupils; and provide professional development on small group instruction.

2. Provide instructional coaching for teachers.

3. Provide one-to-one tutoring to pupils who struggle with reading or math.

This bill also delays the first annual evaluation of the AGR program by one school year. Under the bill, DPI must first arrange for an annual evaluation of the AGR program in the 2018-19 school year.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
