

State of Misconsin 2019 - 2020 LEGISLATURE

LRB-5472/1 MPG:skw

## **2019 SENATE BILL 852**

February 20, 2020 – Introduced by Senators RISSER, JACQUE, SMITH and L. TAYLOR, cosponsored by Representatives VRUWINK, STUBBS and HEBL. Referred to Committee on Government Operations, Technology and Consumer Protection.

1 AN ACT to create 16.475 of the statutes; relating to: preparing an additional 2 executive budget bill or bills according to generally accepted accounting 3 principles.

## Analysis by the Legislative Reference Bureau

Under current law, there is no requirement that the executive budget bill be prepared according to generally accepted accounting principles (GAAP). GAAP are those principles for state and local governments adopted by the Governmental Accounting Standards Board (GASB). Organized in 1984, GASB is an independent organization founded to establish standards of financial accounting and reporting for state and local governmental entities. Its standards generally guide the preparation of external financial reports of those entities.

Under this bill, each biennium, in addition to the executive budget bill or bills prepared based on the standards applicable under current law, the Department of Administration is required to prepare an executive budget bill or bills according to GAAP.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
