### ***Analysis by the Legislative Reference Bureau***

This bill generally expands to prefilled syringes of epinephrine certain current law authority related to epinephrine auto-injectors. Under the bill, a prefilled syringe is a device that is used for the manual injection of epinephrine into the human body to prevent or treat a life-threatening allergic reaction, is approved by the federal Food and Drug Administration, and contains a dose of epinephrine.

Current law allows designated school personnel, school nurses, and authorized entities and individuals who have completed a training program to provide or administer epinephrine auto-injectors to pupils and other individuals. Authorized entities are those entities or organizations that operate or participate in a business,

activity, or event where anaphylaxis-causing allergens may be present, and examples of these entities or organizations include restaurants, camps, institutions of higher education, places of employment, amusement parks, and sports leagues and arenas. The bill allows the same individuals and entities to also provide or administer epinephrine prefilled syringes.

Pupils are also allowed under current law to possess and use an epinephrine auto-injector in certain circumstances while in school, participating in a school-sponsored activity, or under supervision by a school. Under the bill, pupils are also allowed to possess and use epinephrine prefilled syringes under those same circumstances.

In addition, current law allows prescribers to prescribe epinephrine auto-injectors in the name of the school or the name of the authorized entity or individual. This bill provides the same prescribing authority for epinephrine prefilled syringes.

Furthermore, the bill allows any prescriber to issue a standing order for the dispensing of epinephrine auto-injectors or prefilled syringes for use by trained individuals. The bill also allows a prescriber who is employed by or under contract with the Department of Health Services to issue a statewide standing order for the dispensing of epinephrine auto-injectors or prefilled syringes for use by trained individuals. Under current law, certain prescribers are allowed to issue standing orders for the dispensing of an opioid antagonist, which counteracts an opioid overdose, and DHS has issued a statewide standing order for the dispensing of the opioid antagonist naloxone.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

1 of epinephrine auto-injectors and prefilled syringes pursuant to a prescription  
2 issued in accordance with this section. The authorized entity or authorized  
3 individual shall store an epinephrine auto-injector or prefilled syringe in a location  
4 readily accessible in an emergency and in accordance with the epinephrine  
5 auto-injector's or prefilled syringe's instructions for use. An authorized entity shall  
6 designate an employee or agent who has completed the training required in sub. (5)  
7 to be responsible for the storage, maintenance, control, and general oversight of  
8 epinephrine auto-injectors or prefilled syringes acquired by the authorized entity.

9 **SECTION 17.** 255.07 (4) of the statutes is amended to read:

10 255.07 (4) USE OF EPINEPHRINE AUTO-INJECTORS. An employee or agent of an  
11 authorized entity who has completed the training required by sub. (5) or an  
12 authorized individual may use an epinephrine auto-injector or prefilled syringe  
13 prescribed under sub. (2) to do any of the following:

14 (a) Provide one or more epinephrine auto-injectors or prefilled syringes to any  
15 individual who the employee, agent, or authorized individual believes in good faith  
16 is experiencing anaphylaxis, or to the parent, guardian, or caregiver of that  
17 individual for immediate administration, regardless of whether the individual has  
18 a prescription for an epinephrine auto-injector or prefilled syringe or has previously  
19 been diagnosed with an allergy.

20 (b) Administer an epinephrine auto-injector or prefilled syringe to any  
21 individual who the employee, agent, or authorized individual believes in good faith  
22 is experiencing anaphylaxis, regardless of whether the individual has a prescription  
23 for an epinephrine auto-injector or prefilled syringe or has previously been  
24 diagnosed with an allergy.

25 **SECTION 18.** 255.07 (5) (a) 2. and 3. of the statutes are amended to read:

**ASSEMBLY BILL 337****SECTION 18**

1           255.07 (5) (a) 2. Standards and procedures for the storage and administration  
2 of an epinephrine auto-injector and, if applicable, a prefilled syringe.

3           3. Emergency follow-up procedures after an epinephrine auto-injector or  
4 prefilled syringe is administered, including the necessity of calling the telephone  
5 number “911” or another telephone number for an emergency medical service  
6 provider.

7           **SECTION 19.** 255.07 (6) (a) (intro.), 1., 2. and 3., (b), (d), (e) and (f) of the statutes  
8 are amended to read:

9           255.07 (6) (a) (intro.) All of the following are not liable for any injury that  
10 results from the administration or failure to administer an epinephrine  
11 auto-injector or prefilled syringe under this section, unless the injury is the result  
12 of an act or omission that constitutes gross negligence or willful or wanton  
13 misconduct:

14           1. An authorized entity or authorized individual that possesses and makes  
15 available an epinephrine auto-injector or prefilled syringe and employees, agents,  
16 and authorized individuals that store, maintain, control, oversee, provide, or use an  
17 epinephrine auto-injector or prefilled syringe.

18           2. A health care practitioner who prescribes or dispenses an epinephrine  
19 auto-injector or prefilled syringe to an authorized entity or authorized individual.

20           3. A pharmacist or other person who dispenses an epinephrine auto-injector  
21 or prefilled syringe to an authorized entity or authorized individual.

22           (b) The use of an epinephrine auto-injector or prefilled syringe under this  
23 section does not constitute the practice of medicine or of any other health care  
24 profession that requires a credential to practice.

**ASSEMBLY BILL 337****SECTION 19**

1 (d) A person is not liable for any injuries or related damages that result from  
2 providing or administering an epinephrine auto-injector or prefilled syringe outside  
3 of this state if the person satisfies any of the following criteria:

4 1. The person would not have been liable for injuries or damages if the  
5 epinephrine auto-injector or prefilled syringe was provided or administered in this  
6 state.

7 2. The person is not liable for injuries or damages under the law of the state  
8 in which the epinephrine auto-injector or prefilled syringe was provided or  
9 administered.

10 (e) Nothing in this section creates or imposes any duty, obligation, or basis for  
11 liability on any authorized entity, or employees, agents, or authorized individuals,  
12 to acquire or make available an epinephrine auto-injector or prefilled syringe.

13 (f) Nothing in this section creates or imposes any duty, obligation, or basis for  
14 liability on any employer or any other person to supervise or exercise control over an  
15 individual's provision or administration of an epinephrine auto-injector or prefilled  
16 syringe, if the employer or other person reasonably believes the individual is acting  
17 as an authorized individual under this section.

18 **SECTION 20.** 448.03 (2) (q) of the statutes is amended to read:

19 448.03 (2) (q) The administration of an epinephrine auto-injector or prefilled  
20 syringe in accordance with s. 118.2925 or 255.07.

21 **SECTION 21.** 450.11 (4) (a) 5. d. of the statutes is amended to read:

22 450.11 (4) (a) 5. d. For an epinephrine auto-injector or prefilled syringe  
23 prescribed under s. 118.2925 (3) or 255.07 (2), the name of the school, authorized  
24 entity, authorized individual, or other person specified under s. 255.07 (3).
