215.01 Local and foreign; organization. (1) A corporation for the purpose of raising money to be loaned among its members shall be known as a building and loan association; if organized under the laws of this state, as a local association, and if under the laws of any other state or territory, as a foreign association. The words "building and loan association" shall form part of the name of every such local association hereafter organized, and no corporation not organized under these statutes shall be entitled to use a name embodying such words, except that corporations now existing may continue their present names. The name adopted by any association hereafter incorporated shall not be the same assumed by any other association, nor so similar as to be liable to mislead.

(2) Any number of adult persons, citizens of Wisconsin as provided in section 215.05, desiring to associate for the purpose of organizing a building and loan association under this chapter, shall make application to the banking commission in such manner as may be prescribed on a form furnished by it.

(3) Such application shall be prepared and filed in duplicate, and shall set forth:

(a) The location of the proposed corporation.

(b) The character of the business to be transacted.

(c) The full name, residence and occupation of each applicant.

(d) Such other information as the banking commission and building and loan supervisor may require.

(e) Applicants must show the need of an additional association in the locality in which they intend to locate.

(f) Any association may in lieu of the words which must form part of its corporate name use the words "savings and loan" for part of its corporate name.

(4) Upon receipt by the banking commission of such application properly executed, it shall, within thirty days, forward to the applicants a copy of an official notice of application for authority to organize a building and loan association, containing such information as shall make known to the public the facts specifically required by statutes to be given in the application, and assigning a date and place for hearing on the application. Such notice shall be mailed by the banking commission to all associations organized and doing business within a radius of two miles of the proposed location of the

new association, such existing associations shall be given written notice of the organization of the new association within this radius. The banking commission shall also give each of the organized associations the date and place of the hearing on the application and such notice shall be published once each week for four consecutive weeks by the applicants, at their own expense, in a newspaper published in the city, town, village or place where such building and loan association is to be located; or, if no newspaper is published therein, in a newspaper published in the county in which such place is located, or, if none is published in such county, then the newspaper published at the nearest county seat in an adjoining county. Following the last publication, proof of publication shall be filed with the banking commission in such form as may be required.

(5) The applicants shall pay to the banking commission fifty dollars to defray the cost of the investigation of the application, which sum shall be paid into the state treasury.

(6) (a) In the event of the approval of the application for authority to organize a building and loan association, the banking commission shall issue to the applicants, who shall thereafter be known as the incorporators, a certificate of authority conferring upon them such powers as are incidentally or necessarily preliminary to the organization of a building and loan association. Those powers shall include the effecting of a temporary organization, consisting of a chairman, a secretary, and a treasurer; the execution and filing of articles of incorporation; the making of rules for the procedure of the incorporators and the conduct of the first meeting of the stockholders; the opening of subscription books for stock.

(b) The certificate so issued shall be void after ninety days from date of issue, except that the commission may for good cause, after a hearing held, extend the time limit of such certificate for a further period not exceeding thirty days.

(7) The chairman of the corporation shall preside at all meetings and shall exercise such other duties as ordinarily pertain to the position. The secretary shall attend to the correspondence of the incorporators, shall record fully all proceedings of meetings of the incorporators, shall file and preserve all documents and papers of the organization, and shall attend to the filing of the necessary papers with the banking commission. The treasurer shall receive all moneys paid in on subscriptions to stock or for other purposes, keep a true account thereof, shall deposit such funds in the designated depository, and shall pay such valid orders as may be drawn on him. The incorporators shall require a bond in a suitable amount from the treasurer, and other officers and agents who may handle the funds of the proposed building and loan association. Claims against the organizations shall be audited by the incorporators, and record of action thereon noted in the minutes. If ordered paid, an order shall be drawn upon the treasurer and signed by the president and secretary. The incorporators shall, until the completion of the organization, exercise such other powers as are conferred upon the incorporators by the statutes relating to other corporations so far as such powers shall not be in conflict with the limitations of this chapter, and shall be applicable.

(8) No individual, partnership or corporation shall directly or indirectly receive or contract to receive any commission, salary, compensation, bonus, rights or privileges of any kind for organizing any building and loan association in the state, or for securing a subscription to the original capital stock of any building and loan association in this state, to complete organizations as provided in section 215.05 provided that this section shall not be construed as prohibiting an attorney or attorneys at law from receiving reasonable compensation for legal service in connection therewith, after the association has been granted a charter. Each and every individual, partnership or corporation violating the provisions of this section shall forfeit to the state one thousand dollars for each and every such violation, and in addition thereto double the amount of such commission, salary, compensation or bonus.

(9) Any association, which shall have determined to move its office or place of business to some other location in the same town, village or city, shall make application to the banking commission. In the event that the proposed location is more than one mile from its then location the provisions of this section as to application, location, need, notice, hearing, fees (not to exceed the cost of investigation) and approval of new location are hereby made applicable to and imposed upon such association making application to change the location of its office or place of business.

(10) It shall be unlawful for any association to move its office or place of business from one town, village or city, to some other town, village or city in this state.

(11) The provisions of subsections (9) and (10) of this section shall not apply whenever the commission shall deem it for the best interest of the shareholders, with the approval of the advisory committee, to change the location of an association for the purpose of stabilization, reorganization, consolidation or grouping.

(12) No action may be brought under chapters 267, 286 and 304 against any local association or corporation organized and doing business as provided in this chapter.

(13) The commission shall, with the approval of the advisory committee, issue orders prescribing reasonable rules and regulations in conducting the business of associations or corporations operating as provided in this chapter and it may in like manner issue orders amending, modifying, repealing or supplementing rules or orders. The violation of any such rule may be cause for the removal of any officer, director or employe of any association or corporation.

(14) Any association may accept as additional collateral to its bond and mortgage any other real estate or personal property, or a policy or policies of life insurance issued on the life of any person who is in any way a party to or responsible for the repayment of the mortgage bond. The association may be named as beneficiary as well as absolute assignee of such policy of life insurance, and, to protect its interest therein, advance premiums thereon in the discretion of the board of directors.

(15) Chapter 108 shall not apply to any officer or director elected to such office or position for a definite term unless the association shall by resolution of its board of directors elect otherwise under chapter 108. [1931 c. 171 s. 1, 3; 1931 c. 292 s. 2; 1933 c. 372 s. 3; 1937 c. 284 s. 3; 1939 c. 221, 240, 464; 1941 c. 320; 1943 c. 512]

Note: Commissioner in possession of building and loan association for purposes of liquidation may move office of association without compliance with (9), but (10) prevents him from moving its office to another municipality. 20 Atty. Gen. 996.

215.02 Incorporation. Local associations may be organized and conducted under the general laws relating to corporations except as herein provided; but the articles of incorporation, amendments thereof and all papers relating thereto shall be filed with the banking commission. The building and loan supervisor may with the approval of the banking commission, issue the certificate of incorporation; but the same shall not issue until a verified copy of the by-laws adopted by the incorporators shall be filed with and approved by them; and until such certificate be issued no such association shall have legal existence and only such by-laws, alterations and amendments thereof as shall have been so filed and approved shall be deemed operative. The fee for said certificate shall be twenty-five dollars, for filing amendments to the articles five dollars, which shall be paid to the banking commission, and all fees received by it shall be paid into the state treasury. Any such association failing to commence business within one year from the date of the issuance of the certificate of incorporation shall cease to exist and such articles of incorporation and such certificate shall be null and void. [1937 c. 284 s. 3]

215.03 Issuance of charter is discretionary. The banking commission shall have discretionary power in the granting of certificates of incorporation or authority for such associations, and may refuse to grant such certificates when the plan of operation outlined in the articles of incorporation and by-laws submitted for approval does not comply with the statutes governing associations or the accepted and prevailing practices of associations in this state; when the incorporators or organizers of the association or any of them are persons who shall not be of such character, responsibility and general fitness to warrant the belief that the association will be conducted for the best interests of the members; when the location of the proposed association shall be in such close proximity to an association already organized that the business of the established association might be interfered with and the support of the newly-organized association would not be such as to assure its success; or when other good and sufficient reasons exist for such refusal. [1937 c. 284 s. 3]

215.04 Appeal to building and loan advisory committee. In the event that the banking commission shall refuse to grant a certificate of authority under the provisions of section 215.03, and the applicants for such certificate feel aggrieved at such decision, they may appeal to the building and loan advisory committee, constituted by section 215.48, and such building and loan advisory committee shall have the same jurisdiction over such appeal as the bank review board has over appeals in the case of the incorporation of banks, and the procedure for determination and review under this section shall be the same and as binding as that provided for said board of review with respect to a state bank in section 220.035. [1937 c. 284 s. 3; 1941 c. 320]

215.05 Minimum membership. No association shall be organized in any town, village or city of less than ten thousand inhabitants with less than fifty adult initial members and five hundred instalment shares. In any city of ten thousand and less than one hundred thousand inhabitants no association shall be organized with less than one hundred adult initial members and one thousand instalment shares. In any city of or over one hundred thousand inhabitants no association shall be organized with less than two hundred and fifty adult initial members and twenty-five hundred instalment shares. In any city of four hundred thousand inhabitants or over no association shall be organized with less than

three hundred adult initial members and six thousand instalment shares. The membership fee and the first month's dues shall be collected and deposited in a bank before any such association shall be granted a charter or may begin business.

215.06 One office only. No such association shall establish more than one office nor establish nor maintain branches.

215.07 Powers. Such local associations shall have power:

(1) To issue shares to members; to assess and collect from members fees, dues, fines, interest, premiums and other charges and the same shall not be held to be usurious; to permit or force members to withdraw all or part of their shares; to make loans to members; all upon such terms and conditions as may be provided in the by-laws.

(2) To borrow money, not inconsistent with the objects of the association, and issue its evidences of indebtedness therefor, and assign as collateral security its mortgages, bonds, notes and mortgage its real estate, not exceeding in the aggregate amount 20 per cent of the share liability, except that with the approval of the commission an association may borrow an amount not exceeding 50 per cent of the share liability.

(3) To acquire, by purchase or otherwise, only such real estate as may be necessary for the protection or enforcement of its securities and the collection of any claims or debts due to it; with the advice and approval of the commission to sell or dispose of any or all of its assets to other associations and to acquire by purchase or otherwise all or any part of the property and assets of any other building and loan association; all real estate acquired pursuant to this section shall be sold within 10 years from acquiring title thereto, excepting that the commission may from time to time extend the time within which such real estate shall be sold.

(4) To delegate authority to its directors to alter or amend its by-laws under such restrictions and limitations as it may deem proper.

(5) To exercise all such powers as are necessary and proper to enable them to carry out the purposes of their organization.

(6) To invest, with the advice and approval of the commission, in shares or evidences of indebtedness of savings and loan associations or building and loan associations doing business in this state, in bonds or evidences of indebtedness of the United States government, or assign as collateral security its mortgages and bonds or notes. But no association, having notices of withdrawal unpaid, shall be permitted to hold government, or government guaranteed securities, which together with its cash on hand exceed 2 per cent of its share liability. Nothing herein contained shall prohibit any association from setting up reserves in cash or bonds, or both, for taxes, insurance, repairs on real estate, and such other reserves as the banking commission may order.

(7) With the advice and approval of the banking commission, to become a member of and/or to subscribe for and purchase notes and debentures issued by any federal finance or credit corporation which may be organized by act of congress for aiding and assisting building and loan associations to utilize their resources and credit, or to borrow from such finance or credit corporation, in either case in an amount not exceeding that allowed under the provisions of subsection (6) of this section.

(9) To invest its funds in stock, bonds and evidence of indebtedness of the building and loan finance corporation and to borrow money from such corporation, to become a member of the building and loan guarantee corporation, and to reduce the amount required to be placed in its contingent fund by the amount invested in such guarantee corporation.

(10) To become a member of a national mortgage company, make loans to its members as provided for in the national housing act approved June 27, 1934, and to issue shares of stock as provided in the federal home owners' loan act of 1933, as amended.

(13) To act, whenever designated by the secretary of the treasury of the United States or by any other instrumentality of the United States, as agent for said secretary of the treasury or any other instrumentality of the United States making the designation and perform all duties as agent that may be required of them; provided, however, resolutions authorizing such action are adopted by their boards of directors. [*Spl. S. 1931 c. 7, 31; 1933 c. 372 s. 3; 1935 c. 270, 357, 466; 1937 c. 236; 1937 c. 284 s. 3; 1939 c. 221, 240; 43.08 (2); 1941 c. 64, 320; 1943 c. 512, 516; 1943 c. 553 s. 33*]

Note: Subsection (8), Stats. 1933, does not authorize associations to divest themselves of state charters and become federal savings and loan associations. *State v. Hopkins Street B. & L. Ass'n*, 217 W 179, 257 NW 684. Affirmed in *Hopkins Savings Ass'n v. Cleary*, 296 US 315.

Building and loan association may lawfully purchase and hold tax certificates on real estate on which it holds mortgages. (Stats. 1929), 19 Atty. Gen. 578.

Under 215.07, Stats. 1931, Wisconsin building and loan association may borrow from federal finance corporation and assign or in-

cumber its assets as security. Such loans and other borrowings of association are limited to two-fifths of its assets. Conditions imposed upon use of loan should not be attached to commissioner's certificate of approval of application. 21 Atty. Gen. 392.

Subsection (7), Stats. 1931, authorizes Wisconsin building and loan associations to subscribe to stock of federal home loan bank. 21 Atty. Gen. 907.

Under (2) and (6), Stats. 1933, building and loan association may not legally own shares in another building and loan association. 24 Atty. Gen. 3.

Lending money under national housing act at different rate of interest than that charged members and under different form of contract does not make building and loan association any less mutual association entitled to federal income tax exemption provided substantially all of its business is confined to making loans to members. 24 Atty. Gen. 609.

Associations do not, acting under (6), Stats. 1935, have power to borrow for more than one year or in excess of two-fifths of assets of land. 25 Atty. Gen. 502.

Association may take deeds to mortgaged property in settlement of foreclosure. 25 Atty. Gen. 503.

215.07 (2) and (6), as amended by ch. 240, Laws 1939, authorize borrowing of money by one building and loan association from another. 215.15, limiting amount which building and loan association may loan to its members, does not apply to loans made under 215.07 (2) and (6). 28 Atty. Gen. 653.

215.08 Capital. (1) The capital stock of any such association shall be unlimited; its share capital shall consist of and be the aggregate of payments upon all share accounts and dividends credited thereto, less redemption, repurchase or withdrawal payments or depreciation charges made pursuant to this chapter. The participation value in the share capital of each share account held by a member shall be the aggregate of payments upon such share account and dividends credited thereto less withdrawals, redemption and repurchase payments and depreciation charges.

(2) The capital stock may be made issuable at any time as the directors may determine and shall be divided into 2 or more classes: (a) paid-up or investment shares, (b) instalment or savings shares, which savings shares may be divided into classes as prescribed by the by-laws. Shares paid for in full at the time of issue shall be designated as paid-up or investment shares and shall be issued only in amounts of \$100 or multiples thereof; and shares paid for on a partial payment plan shall be designated as instalment or savings shares. The board of directors may designate one or more persons to sign certificates of such association. Associations may provide for instalment shares with the matured value of \$100 per share. All share accounts shall be represented by share account books, containing a certificate of membership and evidencing the participation value of the share account, except that paid-up or investment share accounts or savings share accounts may be represented by separate certificates. Payments made upon instalment shares shall be called dues or share payments.

(3) Share accounts may be issued for cash or property in which the association is authorized to invest and in the absence of actual fraud in the transaction the value of property taken in payment therefor as determined by the board of directors shall be conclusive. All share accounts shall be nonassessable; and no holder thereof shall be responsible for any losses incurred by the association beyond the loss of the participation value of his share accounts. [1935 c. 357; 1939 c. 240; 1941 c. 320; 1943 c. 516]

Note: A shareholder in a building and loan association is not entitled to examine the books of the association in the absence of statutory provision authorizing such examination. State ex rel. Schomberg v. Home Mut. B. & L. Ass'n, 220 W 649, 265 NW 701.

Where definite limitations exist in charter or by-laws, association can avail itself of legislative extension of power only by amending charter or by-laws to include such extension. 24 Atty. Gen. 682.

215.085 [Repealed by 1935 c. 357]

215.09 Cancellation of stock; interest on prepaid dues. Whenever any shares are withdrawn, forfeited, retired, repurchased, redeemed or surrendered the certificate or certificates and share account books therefor shall be surrendered and canceled. In case of partial withdrawal, repurchase or redemption of shares the certificate representing the same shall be canceled and a new certificate issued for the amount of shares remaining in force, or the withdrawal may be indorsed on the certificate; or if such shares are evidenced by share account books, the amount of such withdrawal, repurchase, redemption or share loans, if any, shall be immediately entered therein. Payments of dues or interest may be made in advance, but no discount shall be allowed therefor and no dividends shall be credited for payments exceeding in amount the regular payments for one year. [1941 c. 320; 1943 c. 512, 516]

215.10 Redemption. At any time funds are on hand for the purpose, the association shall have the right to redeem by lot, or otherwise as the board of directors may determine, all or any part of any of its share accounts on a dividend date, by giving 30 days' notice by registered mail addressed to the holders at their last address recorded on the books of the association. The association shall not redeem any of its share accounts when there is an impairment of share capital or when it has applications for repurchase which have been on file more than 30 days and not reached for payment. The redemption price of share accounts redeemed shall be the full value of the share account redeemed, as determined by the board of directors, but in no event shall the redemption price be less than the repurchase value. If a share account which is redeemed is entitled to participate in the reserve for bonus, the amount of such accrued participation shall be paid as part of the redemption price. If the aforesaid notice of redemption shall have been duly given, and if on or before the redemption date the funds necessary for such

redemption shall have been set aside so as to be and continue to be available therefor, dividends upon the share accounts called for redemption shall cease to accrue from and after the dividend date specified as the redemption date, and all rights with respect to such share accounts shall forthwith, after such redemption date, terminate, except only the right of the holder of record to receive the redemption price without interest. [1941 c. 320]

215.11 Repurchase. The association shall have the right to repurchase its share accounts at any time upon application therefor and to pay to the holders thereof the repurchase value thereof. Holders of share accounts shall have the right to file with the association their written application to repurchase their share accounts, in part or in full, at any time. Upon the filing of such written applications to repurchase, the association shall number and file the same in the order received and shall either pay the holder the repurchase value of the share account, in part or in full as requested, or, after 30 days from the receipt of such application to repurchase, apply at least one-third of the receipts of the association from holders of share accounts and borrowers to the repurchase of such share accounts in numerical order; provided, that if any holder of a share account applies for the repurchase of more than \$1,000 of his share account or accounts, he shall be paid \$1,000 in order when reached, and his application shall be charged with such amount as paid and shall be renumbered and placed at the end of the list of applications to repurchase, and thereafter, upon again being reached, shall be paid a like amount, but not exceeding the value of his account, and until paid in full shall continue to be so paid, renumbered, and replaced at the end of the list. When an application to repurchase is reached for payment as above provided, a written notice shall be sent to the applicant by registered mail at his last address recorded on the books of the association, and, unless the applicant shall apply in person or in writing for such repurchase payment within 30 days from the date of mailing such notice, no payment on account of such application shall be made and such application shall be canceled. The board of directors shall have the absolute right to repurchase not exceeding \$100 of any one share account or accounts of any one holder in any one month in any order regardless of whether or not such holder has filed an application for repurchase. Holders of share accounts filing written applications for repurchase shall remain holders of share accounts until paid and shall not become creditors. The repurchase value of share accounts of the association shall be the participation value thereof. [*Spl. S. 1931 c. 23 s. 2; 1937 c. 284 s. 3; 1941 c. 320; 1943 c. 516*]

215.114 Payment of dividends after notice. (1) Whenever unpledged shares of stock have been noticed for withdrawal subject to the provisions of section 215.11, said shares shall be without right to dividends, interest or profits from the time of giving notice of withdrawal, except in the manner and in amounts as follows: For the first dividend paying period after the filing of the notice of withdrawal, said shares shall not be entitled to any dividends; for the second dividend paying period after the filing of the notice of withdrawal, such shares shall be entitled to one-half the rate of dividends declared on shares of the same class not on notice; for the third dividend paying period after the filing of the notice of withdrawal and thereafter such shares shall be entitled to the same rate of dividends declared on shares of the same class not on notice.

(2) Such dividends are to be paid or credited only on such unpledged shares as are on the books of the association on dividend paying dates as provided for in the by-laws of the association and shall not be paid for any dividend paying period prior to the taking effect of this section. [*1937 c. 236; 1943 c. 516*]

Note: This section, created by chapter 236, Laws 1937, is prospective in operation and applies only to dividend paying periods subsequent to June 15, 1937, effective date of act, regardless of whether notice of withdrawal was given prior or subsequently thereto. 26 Atty. Gen. 524.

215.115 [*Repealed by 1943 c. 516*]

215.116 Withdrawals other than in cash. A member may, with the approval of the banking commission and the board of directors, apply his unpledged shares, whether such shares have been noticed for withdrawal or not, toward the purchase price of any of the association real estate or toward the payment of his loans, taxes, insurance or any other item owing the association. [*1933 c. 188; 1937 c. 284 s. 3*]

215.12 Deceased members. The stock of a deceased member may be held and controlled by the legal administrator, executor, or trustee of the estate of such member, or sixty days after the death of a member his legal representative may be paid the full amount of dues paid in and such proportion of the dividends or earnings apportioned or credited to his shares of stock as the by-laws may provide, less all charges due on his stock; provided, that within such time, if the shares be pledged for a loan, the same be fully repaid. No fine shall be charged to a member's account after his decease unless future payments on such shares be assumed by his legal representatives.

Note: Representatives of deceased members in building and loan association are not given prior rights when association is on withdrawal notice and receipts are not sufficient to pay demand for withdrawal. Such representatives must wait their turn on withdrawal list. 22 Atty. Gen. 903.

215.13 Matured stock. When, by making regular weekly or monthly payments as provided for in section 215.08, any shares shall have reached their matured value payment of dues thereon may at the option of the member cease. The holders of unpledged shares may continue to make payments upon such shares or may request the repurchase of such shares by the association subject to the provisions of section 215.11. [1931 c. 171 s. 2; *Spl. S. 1931 c. 23 s. 2; 1941 c. 320; 1943 c. 516*]

Note: Shares of stock in a building and loan association may be pledged to others than the association issuing them. The pledgee of such stock cannot recover from the issuing association, if payment was made by the association to the pledgor without notice of the pledge, and a complaint in an action by a pledgee for such recovery is held insufficient for absence of an allegation that such payment was made after notice of assignment of the certificate to plaintiff. North

Ave. State Bank v. Excelsior M. B. & L. Ass'n, 207 W 260, 240 NW 175.

Matured stock in building and loan association under 215.13 and 215.134, Stats. 1937, should be fully retired in cash or matured share certificates should be issued therefor in event of inability of association to retire same. Building and loan association may not act as agent of life insurance company in collection of premiums. 26 Atty. Gen. 561.

215.134 [*Repealed by 1943 c. 516*]

215.135 Membership, how terminated. Any member or shareholder who shall have given notice of withdrawal as provided for in section 215.11, or any member or shareholder whose shares shall have matured as provided in section 215.13, shall remain such member or shareholder and be subject to all rights, privileges and duties as provided for in this chapter and the by-laws, rules and regulations of such association until the withdrawal value of such shares shall have been paid to him and his certificate of shares canceled by the association. [1931 c. 70]

Note: Rights of withdrawing and maturing members of building and loan associations discussed. 21 Atty. Gen. 219.

215.137 Officers and employes profiting on stock purchase; penalty. Any officer, director or employe of any association who shall directly or indirectly profit through the purchase, sale, exchange, retirement or cancellation of any stock of said association from any person, firm or corporation, or be interested as a stockholder or partner in any corporation or partnership which, through purchase or sale of stock of an association of which he is an officer, director or employe, shall make a profit, shall be deemed guilty of a misdemeanor and upon conviction shall be punished by imprisonment in the county jail not more than one year or by a fine not exceeding one thousand dollars. [1937 c. 236; 1939 c. 240]

215.14 Loans. The funds of the association shall be loaned to members either on the sole security of their share accounts or on the security of first liens on real estate in the manner and upon the terms prescribed in the rules and regulations or in the by-laws; provided the security offered be satisfactory to the board of directors. [1941 c. 320]

215.145 [*Repealed by 1943 c. 179*]

215.15 Mortgages; pledges. For every loan made a nonnegotiable note or bond, secured by mortgage upon real estate situated in the state of Wisconsin, in the county where such association is located, or within a radius of not to exceed 50 miles from the office of such association, as the by-laws of each association shall provide, unnumbered except by prior loans of such association, shall be given, accompanied by a pledge to the association of the shares borrowed upon. Such pledge of stock shall be evidenced by the assignment to the association and surrender of the stock certificate or certificates representing the stock pledged. Provided, that any association heretofore organized may make loans upon real estate situated outside of the county where such association is located if authorized thereto by its articles or by-laws. Associations may also make mortgage loans to members which shall provide that the dues (principal) paid shall be deducted from the principal amount due on the loan and the interest charged upon such loan shall be adjusted at least every 6 months on the unpaid balance of the loan on such adjustment date. The monthly payment of dues (principal) and interest shall be of such an amount so that such payments of dues (principal) will retire the loan within 20 years. The mortgage, bond, note or contract may provide that the interest rate may be increased after 3 years from the date of such mortgage, bond, note or contract, by giving to the borrower at least 4 months' notice of such intention. The borrower may after the receipt of such notice repay his loan within the time specified in such notice without the payment of any fine or penalty; provided further that any association may lend to members without the requirement of amortization of principal not exceeding 50 per cent of the appraised value of the security of a first lien on real estate as provided herein, such loans to be repayable in not more than 5 years with or without amortization of principal with interest payable at least

semiannually, but not more than 15 per cent of the share liability of the association may be invested in such loans. Such mortgages shall have priority over all liens except tax and special assessment liens, upon the mortgage premises and the buildings and improvements thereon which shall be filed subsequent to the recording of such mortgage. The borrower shall cause the buildings and improvements on any property on which an association has a mortgage to be insured for the benefit of the association against loss by fire, lightning, tornado, windstorm, war damage, plate glass and extended coverage, or such other hazard insurance as the association may require, in some company or companies to be selected or approved by the board of directors of the association in an amount which they shall designate, and shall keep the buildings so insured during the continuance of the mortgage. The insurance policy or policies shall remain on deposit with the association until the loan is paid. The directors in their discretion may dispense with said mortgage when the withdrawal value of the shares borrowed upon shall exceed the amount borrowed and interest thereon for 6 months. It shall be unlawful for any association, the assets of which do not exceed \$50,000, to make loans exceeding in the aggregate \$5,000 to one borrower; if its assets exceed \$50,000 but do not exceed \$100,000, it shall be unlawful for it to make loans exceeding in the aggregate \$7,500 to one borrower; if its assets exceed \$100,000 but do not exceed \$200,000, it shall be unlawful for it to make loans exceeding in the aggregate \$10,000 to one borrower; if its assets exceed \$200,000 but do not exceed \$500,000, it shall be unlawful for it to make loans exceeding in the aggregate \$20,000 to one borrower; if its assets exceed \$500,000, it shall be unlawful for it to make loans exceeding in the aggregate \$25,000 to one borrower. It shall be unlawful for any association to make any loan on vacant lands or vacant lots unless such lots are included with other improved real estate or on property used for manufacturing purposes, or upon any theater, public hall, church, school building, hotel or public garage. No association shall make any loans to an officer, director or employe except loans on the sole security of share accounts owned by such officer, director or employe and except loans on the security of a first lien upon the home, or the combination of home and business property, owned and occupied by such officer, director or employe. [1939 c. 285; 1941 c. 320; 1943 c. 512, 516; 1943 c. 553 s. 34]

Note: Where a proposal to procure a new loan to replace a mortgage on a building under construction was suggested by a mechanics' lienor and the intent was that the surplus of the new loan should be used to discharge existing lien claims which, however, were not discharged, the new mortgagee was not entitled to subrogation to the lien of the old mortgage, in view, among other things, of the inequity of subrogation in the circumstances. *Union Trust Co. of Maryland v. Rodeman*, 220 W 453, 264 NW 508.

Association ordinarily should not consent to removal of buildings on property upon which it has loan, nor loan on vacant property be retained indefinitely. But power of association to protect its assets should not be unduly limited. 20 Atty. Gen. 362.

This section is impliedly repealed by 215.07 (10), 219.01 (2) and 219.03 in so far as 215.15 may have prohibited building and loan associations from assigning federal housing administration mortgage loans without recourse. 25 Atty. Gen. 399.

215.155 [Repealed by 1941 c. 320]

215.16 War emergency investments. The banking commission may, during a time of war or whenever a national emergency exists, in writing authorize an association to invest its funds, not exceeding 20 per cent of its assets, in bonds or other securities of the government of the United States of America. [1937 c. 284 s. 3; 1943 c. 128]

215.17 [Renumbered section 372.09 by 1933 c. 436 s. 10]

215.18 Payment of loans. A borrower may repay his loan at any time by giving thirty days' written notice of his intention but if the amount of the advance repayment equals or exceeds twenty per cent of the original principal sum, the association shall have the right to charge ninety days' interest on the amount so repaid. He shall be charged with the amount of the original loan and interest, premium and fines in arrears, and be given credit for the withdrawal value of his shares pledged as security. The balance shall be received in full satisfaction of said loan, and the shares thus credited be canceled and revert back to the association. A borrower may repay his loan at his option without claiming credit for said shares, whereupon said shares shall be retransferred to him freed from all claim by reason of said loan. Partial payments of loans may be made in a sum equal to the par value of one share or any multiple thereof, and for each such sum one share of stock shall be released from pledge. [1939 c. 482]

215.19 Loans due when; forfeiture. Whenever a borrower shall be in arrears in an amount equal to 6 monthly contractual payments his whole loan shall become due and payable without deduction of any premium paid; his pledged shares may be declared forfeited and their withdrawal value at the time of the first default, if any payments of dues have been made, applied as a payment on the loan; the balance, or the amount due, with interest and premium, fines and other charges thereon from the time of the first default, may be enforced by proceedings on his security according to law; provided, that any association in the discretion of its board of directors is authorized to accept only payments of interest on the loan and taxes on the mortgaged premises and may waive

the payment of dues for periods not exceeding one year at a time. When the amount thus collected exceeds the amount due the excess shall be returned to the defaulting borrower, [1931 c. 171 s. 1, 3; 1931 c. 340; Spl. S. 1931 c. 12; 1941 c. 320]

215.20 Members; voting. (1) Any person, firm, copartnership, corporation, association, the home owners' loan corporation and other federal agencies may become a member of any such association in such manner as may be prescribed in the by-laws; but no person except the home owners' loan corporation and other federal agencies shall in any one association, in his own name or in the name of another, become the owner of shares of instalment stock exceeding in par value the sum of \$25,000; nor of paid-up stock exceeding in par value the sum of \$25,000. Shares may be issued to minors above the age of 14 years, who shall then be subject to the same duties and liabilities as adult members, and such shares, in the discretion of the directors, may be withdrawn by such minor, his parents or guardian, and in either case the payment made on such withdrawal shall be valid, as well as in relation to payments on shares forfeited, retired or matured. Minors under 14 may hold by trustee or guardian. Each member shall have one vote for each \$100 or fraction thereof appearing in his name on the books of the association except that each member shall have at least one vote. The by-laws may prohibit voting by proxy.

(2) Unless expressly stated in the proxy no proxy shall be valid unless the same authorizes a vote for the specific meeting or adjournment thereof set forth in said proxy. At no time shall any shareholder be deprived of his vote if he appears at a meeting, in which case his signed proxy shall be null and void for that meeting. [1935 c. 183; 1939 c. 240; 1941 c. 320]

215.21 Joint and survivor stock interests. When shares shall have been issued in the name of two or more persons, or either, or their survivor, the right to vote upon such shares at any meeting of the association shall be no greater than if the shares were held by an individual. Upon the death of either the association shall be liable only to the survivor. Persons who hold shares in a fiduciary capacity shall have all the rights and privileges of membership except the right to hold office. Whenever a person holding shares in such capacity dies and no notice of the revocation or termination of the trust shall have been given to the association in writing, the withdrawal value of the shares may be paid to the beneficiary. The association shall not be liable to beneficiaries for moneys paid to their guardians or trustees on account of such shares. [1943 c. 512]

215.22 Trust funds may be invested in paid-up stock. An administrator, executor, guardian or trustee, authorized to invest trust funds, may acquire and hold stock as such, in a building and loan association of this state, but shall in no event exceed the limitations prescribed in section 320.02 and shall have the same rights and be subject to the same obligations and limitations as other stockholders except the right to become a director or officer of an association. Stock issued to an administrator, executor, guardian or trustee shall specifically name the trust represented. [1939 c. 513 s. 45]

215.225 Withdrawal value of instalment shares may be applied on paid-up shares. Any member may apply the matured, repurchase or withdrawal value of his instalment shares towards the payment of one or more paid-up shares, but at no time shall he be paid any cash for the retirement of such instalment shares while the association shall have on file notices of withdrawals, requests for repurchase or unretired matured shares, except as otherwise provided for in this section. If such matured, repurchase or withdrawal value is more than one-half of the par value of one paid-up share the member shall pay such difference between the matured or withdrawal value of such instalment share and the par value of such paid-up share, but if the matured or withdrawal value is less than one-half of the par value of one paid-up share, the difference shall be paid to him in cash. [1933 c. 372 s. 3; 1941 c. 320]

215.23 Taxation. The real estate owned by such local associations shall be assessed for taxation.

215.24 Expenses; contingent fund; dividends; appraisers, appraisal; suspension of dividends and withdrawals; stock loans; mortgage release. (1) On June 30 and December 31 of each year the gross earnings of the association shall be ascertained for the then ending 6 months' period, from which shall first be deducted the payment or provision for payment of the expenses of the association, and from the balance appropriate transfers shall be made to required reserves and undivided profit account. The balance of the profits shall be declared as a dividend; but no dividends shall be paid or credited except such as have been declared upon said dates; except by building and loan associations, the majority of whose stock is owned by the employes of public utility, street and interurban railway companies and their associated companies, in which associations earned dividends may be credited and paid at any time; the proportionate amounts may be paid in cash or be placed to the credit of holders of instalment stock, and holders

of paid-up stock may receive their dividend in cash; provided, that if at the time of such dividend period there be not a sufficient amount in the contingent fund for the payment of losses then existing, no dividend shall be declared and no dividend shall be apportioned or credited on instalment stock and no dividend shall be apportioned, credited or paid on paid-up stock until all losses have been fully paid. Before any dividend shall be declared, credited or paid, at least three-tenths of one per cent per annum of the share and creditor liability shall be set aside as a fund for the payment of contingent losses, until such fund reaches at least 5 per cent of the share and creditor liability. All losses shall be paid out of such fund until the same is exhausted, and whenever said fund falls below 5 per cent of the share and creditor liability aforesaid it shall be replenished by regular appropriations, as hereinbefore provided, until it again reaches said amount. The rate of dividend declared and paid upon paid-up stock shall not exceed the rate declared and credited at the same time upon instalment stock, all dividends to be computed by a uniform method as prescribed by the commission.

(2) At the close of each fiscal year, and at such other time as the banking commission and the building and loan supervisor may direct or the board of directors may determine, it shall be the duty of the president to appoint a committee of 5, 3 of whom shall be members of the board of directors, and 2 shall be stockholders, not directors. It shall be the duty of this committee to examine the assets, books and accounts of the association. In lieu thereof the board of directors may by resolution incorporated in the minute book of the association employ a firm of public accountants or accept the audit and examination of books and accounts as made by the banking commission to check the assets of the association and determine any losses which may have been sustained and make a report of all their findings to the board of directors. It shall thereupon be the duty of the board of directors to charge off all losses so reported, and if there be not a sufficient amount in the contingent fund and the net profits for the period for the payment of such losses, then such losses, or the balance unpaid, shall be apportioned according to the book value of all shares outstanding, whether instalment or paid-up stock, and the proportionate amount shall be charged to each member, except in the case of delinquent associations in which case the losses shall be assessed according to the book value of the shares. [1931 c. 171 s. 2; Spl. S. 1931 c. 23 s. 3; 1933 c. 250 s. 1; 1937 c. 284 s. 3; 1939 c. 240; 1941 c. 320]

215.255 [Repealed by 1941 c. 320]

215.256 Office building. With the approval of the commission, any association may invest a sum of money not exceeding \$100,000, but not to exceed one-half of its contingent fund, for the purchase or construction of a building to be occupied by the association as its office. [1939 c. 240]

215.26 By-laws. (1) The articles of association or by-laws of each local association must specify: The manner in which persons may become and cease to be members; the number of shares a member may own; the terms on which certificates for shares are to be issued, the form thereof and the fees therefor; the manner and condition of transfer of shares and fees therefor; the manner of renewing lost or destroyed certificates and fees (whether membership or withdrawal) therefor; the time and manner of paying and the amount of dues, fees, interest, premiums and other charges; the fines for nonpayment of any sum due or for other defaults or violation of rules; whether dividends shall be allowed on dues paid in advance; how shares in default may be forfeited and disposed of; how shares may be withdrawn, the fees to be charged therefor and the proportion of the profits payable on such withdrawal; the regulations as to retiring shares and the amount to be paid holders thereof; the proportion of the profits to be paid the legal representatives of deceased members; the terms and conditions upon which loans may be obtained, paid and canceled; provisions for the custody and handling of securities and the banking and checking of funds; when and how meetings shall be called and held and what shall constitute a quorum; whether voting by proxy be permitted; the election and removal of officers and directors, the filling of vacancies, giving directors power to appoint and remove by resolution the members of an executive committee, the members of which shall be directors, which committee shall have and exercise the powers of the board of directors between the meetings of the board of directors; defining their duties and determining

when and by whom their remuneration shall be fixed, but if the remuneration is fixed by the directors, it shall be fixed by majority vote; and provide such other rules and regulations, not inconsistent with law or the articles of incorporation, as the business of the association may require. The by-laws shall also prescribe that every director shall take and subscribe an oath that he will diligently and honestly perform his duty in such office and will not knowingly violate or permit a violation of any provision of this chapter. The by-laws may further provide for a bonus on instalment savings shares to be paid to shareholders for consistent and regular payments, not in excess of one per cent per annum.

(2) Each association shall have its by-laws prepared in convenient form and upon request shall furnish a copy to every person who shall become a member of such association. It shall also inform annually, each member of any changes in such by-laws as may have been effected during the preceding year.

[1931 c. 292 s. 1, 2; 1933 c. 372 s. 3; 1937 c. 284 s. 3; 1939 c. 240; 1941 c. 320; 1943 c. 275 s. 54; 1943 c. 512, 516]

215.27 Building and loan associations; bond of officers and employes. (1) As a condition precedent to qualification or entry upon the discharge of his duties, every person appointed or elected to any position requiring the receipt, payment or custody of money or other personal property owned by a building and loan association, or in its custody or control as collateral or otherwise, shall give a bond in some responsible corporate surety company, licensed to do business in this state, in such adequate sum as the directors shall require and approve. In lieu of individual bonds the commission may accept a schedule or blanket bond which covers all of the officers and employes of any building and loan association whose duties include the receipt, payment or custody of money or other personal property for or on behalf of the building and loan association. All such bonds shall be in the form prescribed by the banking commission.

(2) No officer or employe who is required to give bond shall be deemed qualified nor shall be permitted to enter upon the discharge of his duties until his bond shall have been approved by a majority of the board of directors. Such bond shall be filed with the banking commission within 10 days next after approval thereof by the board of directors. The minute books of each building and loan association shall contain a record of each bond executed and approved.

(3) Such bond shall be sufficient in amount to protect the building and loan association from loss by reason of acts of fraud or dishonesty including forgery, theft, embezzlement, wrongful abstraction or misapplication on the part of the person, directly or through connivance with others. At any time the banking commission may require additional bond or security, when, in its opinion, the bonds then executed and approved are insufficient.

(4) Every such bond shall also include the following provisions, to wit: (a) In no event shall cancellation or any other termination of this bond be effective without surety giving in advance at least 10 days' written notice by registered mail to the state banking commission of Wisconsin, and (b) the surety hereby agrees to furnish the state banking commission of Wisconsin at Madison, Wisconsin, a copy of all riders and indorsements executed subsequently to the effective date of this bond.

[1933 c. 372 s. 3]

[1933 c. 372 s. 3; 1941 c. 320; 1943 c. 516]

If any such association shall fail or refuse to furnish the report herein required it shall be subject, at the discretion of the banking commission, to a forfeiture of ten dollars per day for each and every day of default, and said banking commission may maintain an action in the name of the state to recover such penalty, and the same shall be paid into the state treasury. No person shall be eligible to such appointment unless he shall have had at least 3 years' actual experience in the business of conducting a building and loan association, or has served an equal length of time in the building and loan supervisory department of this or some other state, and who shall receive a salary not to exceed the salary paid by the banking department to the deputy banking commissioner of the banking department, and who shall furnish a corporate surety bond in accordance with the provisions of section 220.025. [1931 c. 171 s. 2; 1937 c. 284 s. 3; 1943 c. 302]

215.312 Annual fees. On or before the fifteenth day of July of each year every building and loan association carrying on business in this state shall pay to the banking commission an annual fee as hereinafter provided:

- (1) A capital fee of fifteen dollars.
- (2) In addition to such capital fee, state chartered associations shall pay an annual fee as determined by the banking commission and the building and loan advisory committee but not exceeding an amount as follows:

 - (d) Six cents per thousand for all above ten million dollars of assets or fraction thereof.
- (3) An association failing to pay such fees to the banking commission by the fifteenth day of July of each year shall, if ordered by the commission, forfeit a penalty of ten dollars for each day it neglects and fails to pay such fees. [1935 c. 402; 1941 c. 320; 1943 c. 512]

its charter revoked, which refusal shall be the cause for such revocation. [1935 c. 402; 1937 c. 284 s. 3]

215.33 Possession by banking commission. (1) CONDITIONS FOR TAKING POSSESSION.

The banking commission may forthwith take possession and control of the business and property of any association to which this chapter is applicable whenever it shall find that such association:

Such special deputy commissioner may, if necessary, enforce individual liability of the stockholders to pay the debts of such corporation.

(e) The banking commission may, in the event of its taking possession of any building and loan association, the shares or share accounts of which are to any extent insured by the federal savings and loan insurance corporation, tender to said corporation the appointment as statutory liquidator of such association. If it does not make such tender it shall tender to said federal savings and loan insurance corporation the appointment as statutory coliquidator of such association to act jointly with the banking commission, but such coliquidatorship shall not extend over a period of more than one year from the date of such tender, at the expiration of which time the banking commission shall become the sole liquidator except as herein otherwise provided. The commission shall tender to said corporation the appointment as sole statutory liquidator of such association whenever said corporation shall have become subrogated to the rights of at least

90 per cent of the outstanding liability of such association on shares and share accounts; and if in addition said corporation shall have deposited with the clerk of the circuit court for the county in which such association is located shares or share accounts in a local insured association not in default at least equal in amount to the shares and share accounts as to which the corporation has not become subrogated, or if the corporation shall become subrogated as to all the shares and share accounts in such association, it may then exercise all the powers and privileges herein conferred upon it without court order or approval. It shall be the duty of such clerk to accept such deposit for the benefit of the persons entitled to such shares or share accounts.

(f) If said corporation accepts such appointment as sole liquidator it shall have and possess all the powers and privileges given by the laws of this state to the banking commission as statutory liquidator of a possessed building and loan association, as provided in section 215.33 or otherwise, including section 215.116 and be subject to all the duties of the banking commission as such statutory sole liquidator, except in so far as such powers, privileges or duties are in conflict with the provision of any applicable federal laws, and except as herein otherwise provided, unless and until such association shall resume business, pursuant to subsection (11) or subsection (12) of section 215.33. If said corporation accepts such appointment as coliquidator it shall have and possess such powers and privileges equally and jointly with the banking commission and shall be subject to such duties equally and jointly with said commission.

(g) In the event said federal savings and loan insurance corporation shall accept the appointment as such coliquidator or liquidator, it shall file such acceptance with the banking commission and the clerk of the circuit court of the county in which the association is located and it is authorized and empowered to be and act, without bond, as such coliquidator or liquidator. Upon the filing by said federal savings and loan insurance corporation of its acceptance of the appointment as such sole liquidator, the possession of and title to all the assets, business and property of such association of every kind and nature shall pass to and vest in said corporation without the execution of any instruments of conveyance, assignments, transfer or indorsement. Upon the filing by said corporation of its acceptance of the appointment as coliquidator such possession and title shall pass to and be vested in the banking commission and said corporation jointly. In the event said corporation shall not qualify as sole liquidator at or before the time herein provided for the expiration of such coliquidatorship, said corporation shall be wholly divested of and from such joint title and possession and the sole title and possession shall thereupon vest immediately in the banking commission. The vesting of title and the possession of the property and assets of such association, as provided by subsection (8) of section 215.33, shall not render such property or assets subject to any claims or demands against the federal savings and loan insurance corporation, except such as may be incurred by such corporation with respect to such association and its property or assets. Whether or not it shall serve as aforesaid, the federal savings and loan insurance corporation may make loans on the security of or may purchase, with the approval of the court, except as herein otherwise provided, at public or private sale, all or any part of the assets of any association, the shares, share accounts or accounts of which are to any extent insured by it, but in the event of such sale and purchase, said corporation shall bid for and pay a fair and reasonable price.

(h) Whether or not said federal savings and loan insurance corporation shall serve as liquidator of any such association, whenever it shall pay or make available for payment the shares, share accounts or accounts of any such association in liquidation which are insured by it, it shall be subrogated upon the surrender and transfer to it of any such shares, share accounts or accounts, with respect to such shares, share accounts or accounts, but such surrender and transfer shall not affect any right which the transferor may have in any portion of such shares, share accounts or accounts which are not paid or made available for payment or any right to participate in the distribution of the net proceeds remaining from the disposition of the assets of such association; provided, that the rights of the investors and creditors of such association shall be determined in accordance with the applicable provisions of the laws of this state.

(3) NOTICE, ALLOWANCE AND PAYMENT OF CLAIMS. The special deputy commissioner of banking shall cause notice to be given by advertisement in such newspapers as he may direct, weekly, for 3 consecutive weeks, calling on all persons who may have claims against such building and loan association, to present the same to the special deputy commissioner of banking, and make legal proof thereof at a place and within a time, not earlier than the last day of publication, to be therein specified. He shall mail a similar notice to all persons at their last known address, whose names appear as creditors upon the books of the building and loan association. Proof of service of such notice shall be filed with the clerk of said court. The special deputy commissioner may reject any claim. Any party interested may also file written objections to any claim with the special deputy

commissioner of banking and after notice by registered mail of such rejection, said claimant shall be barred unless he commences an action thereon within 3 months. Claims presented after the expiration of the time fixed in the notice to creditors shall be entitled to share in the distribution only to the extent of the assets then in the hands of the special deputy commissioner of banking equitably applicable thereto.

(4) INVENTORY OF ASSETS AND STATEMENT OF LIABILITIES. Upon taking possession of the property and assets of such building and loan association, the special deputy commissioner of banking shall make an inventory of the assets of such building and loan association, in duplicate, one to be filed in the office of the banking commission, and one in the office of the clerk of circuit court for the county in which such building and loan association is located. Upon the expiration of the time fixed for the presentation of claims, the special deputy commissioner of banking shall make in duplicate a full and complete list of the claims presented, including and specifying such claims as have been rejected by him, one to be filed in the office of the banking commission, and one in the office of the clerk of circuit court for the county in which such building and loan association is located. Such inventory and list of claims shall be open at all reasonable times to inspection.

(5) ADJUSTMENT OF LOANS AND WITHDRAWAL VALUE OF SHARES. The value of shares pledged upon a loan to such association shall be applied and credited to such loan and the borrower shall be liable only for the balance. The rate of interest charged upon such balance shall be the legal rate. The value shall be determined in such manner as the banking commission prescribes, and shall be made pursuant to subsections (1) and (3) of section 215.332, or in such other manner as the banking commission may prescribe. Upon the approval of such value by the banking commission and the circuit court of the county in which such building and loan association is located, the book value of each member shall be reduced proportionately. At least 5 days' written notice of such determination of value shall be given to all shareholders of the time and place such value shall be submitted to the circuit court for approval. Should any stockholder or creditor of such association feel aggrieved by any such determination of value, he may at any time within 15 days after the mailing of a notice by the banking commission, addressed to the last known address of such party, giving notice of such determination and value of such shares, appeal to the supreme court. After the creditors of such association shall have been paid, the association, and the members thereof, may avail themselves of the provisions of section 215.116.

(6) COMPENSATION AND EXPENSES IN CONNECTION WITH LIQUIDATION. The compensation of the special deputy commissioners, counsel and other employes and assistants, and all expenses of supervision and liquidation shall be fixed by the banking commission, subject to the approval of the circuit court for the county in which such building and loan association is located, and shall upon the certificate of the banking commission be paid out of the funds of such building and loan association. Expenses of supervision and liquidation shall include the cost of the service rendered by the building and loan division of the banking department to the building and loan association being liquidated and shall be determined from time to time by the banking commission and shall be paid to the banking department from the assets of the building and loan association as other expenses of liquidation are paid. The moneys collected by the special deputy commissioner of banking shall be from time to time deposited in one or more state banks, and, in case of the suspension or insolvency of the depository, such deposits shall be preferred before all other deposits.

(7) DIVIDENDS. At any time after the expiration of the date fixed for the presentation of claims, the special deputy commissioner of banking in charge of the liquidation of such building and loan association may, upon a petition approved by the banking commission and an order of the circuit court of the county in which such building and loan association is located, out of the funds remaining, after the payment of expenses and debts, declare one or more dividends, and may declare a final dividend, such dividend to be paid to such persons, and in such amounts as may be directed by the circuit court.

(8) TITLE PASSES TO BANKING COMMISSION. Immediately upon filing the notice as provided for in subsection (2) of section 215.33, the possession of all assets and property of such building and loan association of every kind and nature, wheresoever situated, shall be deemed to be transferred from such association to, and assumed by the banking commission; and filing of the notice mentioned herein, shall of itself, and without the execution or delivery of any instruments of conveyance, assignment, transfer or indorsement, vest the title to all such assets and property in the banking commission. Such filing shall also operate as a bar to any attachment, garnishment, execution or other legal proceedings against such building and loan association, or its assets and property, or its liabilities.

(9) EFFECT OF POSSESSION. No building and loan association shall have a lien, or charge for any payment, advance or clearance made, or liability thereafter incurred,

against any of the assets of the building and loan association of whose property and business the banking commission shall have taken possession.

(10) **APPEAL.** Whenever any such building and loan association whose property and business the banking commission has taken possession of, as aforesaid, deems itself aggrieved thereby, it may, at any time within ten days after such taking, apply to the circuit court of Dane county to enjoin further proceedings; and said court after citing the banking commission to show cause why further proceedings should not be enjoined and hearing all allegations and proofs of the parties and determining the facts, may, upon the merits dismiss such application or enjoin the banking commission from further proceedings, and direct it to surrender such business and property to such building and loan association.

(11) **REINSTATEMENT.** Whenever the banking commission shall have taken over the possession and control of the business and property of any building and loan association, the same may resume business when and if:

(a) The owners of at least two-thirds of such association's dollar value of outstanding shares, execute a petition to such effect, the form of which shall be prescribed by the banking commission, and

(b) There is submitted to the banking commission by such shareholders or a committee duly selected by them, a plan for the reorganization and reinstatement of such association, and

(c) The banking commission recommends that control of the business and property of such association be returned to the shareholders, and

(d) The court in which such liquidation is pending, upon application of the banking commission, makes an order approving the banking commission recommendations, which order shall contain a finding that such association will be in a safe and sound condition when control is resumed by the shareholders.

(12) **REINSTATEMENT UPON RESTRICTED BASIS.** Such building and loan association may also resume business upon a restricted basis, and upon such limitations and conditions as may be prescribed by the banking commission when approved by the circuit court in and for the county in which such building and loan association is located, upon application of the banking commission. Such restrictions and conditions may include, among others, a prohibition against the selling of new shares, reasonable restrictions upon withdrawals and the payment of other liabilities. Such association shall thereupon be relieved from the control and supervision of the banking commission as provided in this section, but nothing herein shall, in any manner, prohibit the banking commission from again proceeding against such association as provided herein.

(13) **LIQUIDATING DIVIDENDS AND UNCLAIMED FUNDS.** (a) Unclaimed liquidating dividends and unclaimed funds remaining unpaid in the hands of the special deputy commissioner of banking for six months after the order for final distribution shall be by him deposited in one or more state banks, to the credit of the banking commission in its name, in trust for the several shareholders and creditors. The banking commission shall include in its annual report to the governor the names of building and loan associations so taken possession of and liquidated, and the sums of unclaimed and unpaid liquidating dividends and unclaimed funds with respect to each of them respectively, including a statement of interest earned upon such funds.

(b) The banking commission may pay over the moneys so held by it to the persons respectively entitled thereto, upon being furnished satisfactory evidence of their right to the same. In case of doubt or conflicting claims, it may require an order of the circuit court authorizing and directing the payment thereof. It may apply the interest earned by the moneys so held by it towards defraying the expenses in the payment and distribution of such unclaimed liquidating dividends and funds to the stockholders and creditors entitled to receive the same.

(c) At the time of the order for final distribution the banking commission may make application to the circuit court having jurisdiction of such building and loan association in liquidation for an order determining what books and records are to be kept and what destroyed, stating in such application its recommendations thereon. The court shall thereupon enter an order determining what books and records are to be kept and what may be destroyed and fixing an appropriate period of time in either event. All books and records ordered kept shall be kept in a manner and place designated by the court, for such period of time as the court may direct, subject to the further order of the court. The expense of keeping any records ordered to be kept shall be paid out of the funds of the liquidation before final distribution is made. All books and records ordered destroyed shall be delivered to the banking commission to be so destroyed at the time prescribed by the court or to be kept for such further period of time as the commission may direct.

(d) Prior to the order for final distribution the special deputy commissioner of banking shall cause notice to be given by advertisement in such newspaper or newspapers as

the court may direct, weekly, for three consecutive weeks, calling on all persons who may have claims against such building and loan association arising during the course of the liquidation proceedings, to present same to the special deputy commissioner of banking and make legal proof thereof at a place and within a time, not earlier than the last day of publication, to be therein specified. Proof of such notice shall be filed with the clerk of the circuit court. The special deputy commissioner of banking may accept or reject any claims so filed. Any party interested may file written objections to any such claim with the special deputy commissioner of banking, and in such event said claim shall be determined by the court after such notice to all interested parties as the court may prescribe. In the event of the rejection of any such claim by the special deputy commissioner of banking without objection thereto having been filed by any other interested party, such claim shall be forever barred unless suit thereon be brought within three months after notice of such rejection by registered mail shall have been given to the claimant by the special deputy commissioner of banking. Note: Under this section approval by the banking commission, and approval by the circuit court, of an offer to purchase property of the association, are steps necessary to a contract for the sale of real estate after an offer of purchase has been received by the special deputy, but the acceptance of the offer by the special deputy is necessary to create a contract, so that, in the absence of such acceptance, the special deputy is not precluded by the approval of an offer by the commission and the court from subsequently accepting a higher offer, with the approval of the commission and the court. It is the special deputy in charge of the liquidation of an association, and not the circuit court or the banking commission, who is clothed with authority to sell the property of the association, and the fact that the court and the commission must approve does not bring the sale within any of the classes of "judicial sales." Subsection (3) (Stats. 1935) creates no preference in favor of funds collected and deposited by officers of building and loan as-

sociation in voluntary liquidation. 20 Atty. Gen. 1257.

Banking commission may insure properties of delinquent building and loan associations held by it in mutual insurance companies. Members of commission are not personally liable for any assessments or contingent liabilities existing by reason of such insurance. Standard mortgage clause grants option to mortgagee to pay premiums or assessments, and mortgagee is not bound to pay them. Liability for premiums or assessments on part of mortgagee may be defined by express provisions of mortgage clause. 29 Atty. Gen. 430.

Bonds furnished to secure faithful performance of duties of special deputy commissioners of banking appointed to assist banking commission in liquidation of delinquent building and loan associations, required by banking commission acting under 215.33 (2) (c), to be furnished in form prescribed in 19.01 (2), for official bonds, may be canceled by mutual agreement between banking commission and bonding company. 31 Atty. Gen. 367.

215.331 Voluntary liquidation. (1) Any association organized or doing business under the provisions of this chapter may go into liquidation or may dissolve by a two-thirds vote of the dollar value of the outstanding shares at a shareholders' meeting held especially for that purpose, after notice to each shareholder of not less than 30 days. Whenever an association has so voted to go into liquidation or to dissolve, it shall be the duty of the board of directors to cause notice of this fact to be certified, under the seal of the association by its president and secretary, to the banking commission, and to cause notice thereof to be published once each week for three successive weeks in a newspaper published in the village, city or county in which the association is located, and if no newspaper is there published, then in a newspaper published at the nearest county seat, calling on all persons who may have claims against such association to present them to the association and make legal proof thereof at a place and within a time, not earlier than the last date of publication, to be therein specified, and to mail a similar notice to all persons whose names appear as creditors on its books.

(2) Any association so liquidating shall sell, transfer, assign or otherwise dispose of all of its mortgages, securities or other property within ten years from the date of liquidation or dissolution unless the banking commission shall otherwise order. The board of directors shall remain a body corporate until the association is fully liquidated.

(3) Any association so liquidating shall be subject to the provisions of sections 215.312 and 215.32 in the same manner as an association in actual operation.

(4) Such association may, with the approval of the banking commission, resume business upon such conditions as may be approved by it.

(5) Any association in the process of voluntary liquidation, may adopt the plan provided in section 215.332 in the following manner:

(a) Upon the signing of a petition, the form of which shall be prescribed by the banking commission, by shareholders owning at least 60 per cent of the dollar value of the outstanding shares of such association, in which petition such shareholders agree to the reinstatement of such association upon the plan provided in section 215.332, such banking commission shall order the holding of a special meeting of such shareholders. There shall be submitted at such special meeting a resolution, the form of which shall be prescribed by the banking commission, rescinding the former action of such shareholders placing such association in voluntary liquidation. Such resolution shall be deemed to have

been adopted if the vote in its favor is at least equal to that which adopted the resolution placing such association in voluntary liquidation. If, in addition to the foregoing resolution, such shareholders, by a majority vote of the dollar value of shares outstanding, adopt a further resolution, the form of which shall have first been approved by the banking commission, providing that the association be operated as provided in section 215.332, such association will be deemed to be reinstated. Upon such reinstatement the shareholders shall fill all vacancies in the board of directors in accordance with the by-laws. Such directors shall forthwith proceed to appoint the appraisers as provided in subsection (1) of section 215.332, and operate the association as provided therein. Voting by proxy shall be permitted at all meetings of shareholders as provided for in subsection (2) of section 215.20, but such proxies can be held and voted by members only.

(b) Nothing contained in this section shall prohibit the banking commission from proceeding against any association as provided in section 215.33.

(6) In case of a vacancy on the board of directors caused by death, resignation or otherwise, the remaining members of the board may fill the vacancy by electing from among the members of the association a director to fill the vacancy. [1937 c. 236; 1939 c. 240; 1941 c. 320; 1943 c. 516]

Note: Members of building and loan association who sign waivers of dividends in excess of stipulated percentage, excess, if any, being assigned to association, are entitled upon voluntary dissolution of such

association to share assets of association, including those resulting from earnings, on same basis as are shareholders who did not sign such dividend waivers. 30 Atty. Gen. 264.

215.332 Readjustment in other cases. (1) Whenever from an examination or report, it shall appear to the banking commission that the capital of any association is impaired, or may in the near future become impaired, the banking commission may, with the approval of the building and loan advisory committee, issue an order to such association, requiring the directors to forthwith appoint subject to the approval of the banking commission 3 competent persons, not members of such association, who shall appraise such property owned by, or upon which such association has a mortgage loan or judgment, as the banking commission shall designate. The appraisers so appointed and approved shall appraise and fix the current market value of all such property as aforesaid and report their findings to the banking commission and the directors. The value as found by such appraisers shall be the value from which all losses shall be determined.

(2) Whenever the banking commission shall find that the losses existing, or which it may reasonably be anticipated will be sustained in the near future, are more than two-thirds of the amount in the contingent fund of the association, it may, with the approval of the advisory committee, issue an order to such association, which order shall provide that no further dividends be credited or paid and no moneys paid out for retiring shares, whether noticed for withdrawal or whether the shares shall have matured, until the banking commission shall otherwise order.

(3) After the banking commission shall have determined the losses existing or which it shall determine may reasonably be sustained in the near future, it shall issue an order providing that the book value of each share be depreciated as stated in such order, the officers shall forthwith proceed to depreciate the book value of all shares as ordered. A record shall be made on the books showing the amount by which the book value of the shares was depreciated, and a copy of such record shall be filed with the banking commission.

(4) Any borrowing member may, after the book value of his shares shall have been depreciated as provided in subsection (3) of this section, pay to the association the difference between the withdrawal value of his shares as depreciated, and the amount due on his mortgage loan, and his mortgage and other securities shall thereupon be released.

(5) The directors may, with the approval of the banking commission, make stock loans to members upon such terms and conditions as the banking commission may order, but such stock loans shall be for provident purposes only and not more than one hundred dollars shall be loaned to any one member in any one month.

(6) The directors shall give notice by mail to each member, stating in such notice that the book value of his shares has been depreciated, the date when such book value was depreciated, and the book value of his shares after such depreciation. The mailing of such notice to the last known place of abode as shown on the records of the association shall be a compliance with this subsection.

(7) The directors may, with the approval of the banking commission, sell, lease, transfer, exchange and convey any of the property of the association, and upon their order the proper officers shall execute and deliver such deeds, leases, assignments, bills of sale and such other transfers and conveyances as are necessary to dispose of such property as herein provided.

(8) The directors may compromise and settle any claim, demand or judgment which is a part of the assets of the association, but no compromise of any claim, demand or judgment shall be made except upon express consent of the banking commission.

(9) The banking commission shall prescribe reasonable rules and regulations not inconsistent with laws for the operation of associations operating as provided in this section.

(10) Except as otherwise provided in this section, such association shall be operated as provided in this chapter.

(11) The directors shall make no disbursements or contract to make disbursements for salaries, compensation, fees or any other item of expense, nor retire shares, nor pay or declare dividends during the time such association is operating as provided in this section without the approval of the banking commission. [1937 c. 236; 1941 c. 320]

215.335 Consolidation of associations. (1) Any association may absorb any other association located in the same county, which is in good faith winding up its business for the purpose of being absorbed by some other local association, and may transfer its resources and liabilities to the association with which it is in process of consolidation; but no association may absorb any other association without the consent of the banking commission, and not then to defeat or defraud any of its creditors in the collection of their debts against such association or either of them.

(2) Whenever 2 associations, with the approval of the banking commission, shall by a majority vote of the board of directors of each such association propose to consolidate and such proposed consolidation be ratified and confirmed by the affirmative vote of the shareholders of each such association owning at least two-thirds of the dollar value of its shares outstanding, at a meeting of such shareholders to be held on call of the directors, after sending notice of the time, place and object of the meeting to each shareholder of record by registered mail at least 30 days prior to said meeting.

(3) The association consolidating with another association under the provisions of the preceding subsections shall not be required to go into liquidation but its assets and liabilities shall be reported by the association with which it has consolidated, and all the rights, franchises and interests of said association so consolidated in and to any species of property, personal and mixed, and choses in action thereto belonging, shall be deemed to be transferred, and the said consolidated association shall hold and enjoy the same and all rights of property, franchises and interest in the same manner and to the same extent as was held and enjoyed by the association so consolidated therewith; and the members or shareholders of such absorbed association shall without any further act on their part be members and shareholders of such consolidated association and be subject to all rights, privileges and duties as provided for in the by-laws of the association which has so absorbed their association.

(4) Any member or shareholder of the association which has been absorbed who shall intend to withdraw his unpledged shares within one year after the date of approval of the consolidation by the banking commission may do so by giving ninety days' written notice of such intention, and his shares shall be withdrawn and retired as provided in section 215.11; any member or shareholder who shall have given such notice of withdrawal as provided for in this subsection, shall remain such member or shareholder and be subject to all rights, privileges and duties as provided for in this chapter and the by-laws, rules and regulations of such consolidated association until the withdrawal value of his shares shall have been paid to him and his certificate of shares canceled by the association. [1931 c. 217; 1937 c. 284 s. 3; 1941 c. 320]

215.336 [Repealed by 1937 c. 236]

215.337 Removal of officers and directors. The provisions of subsection (4) of section 220.04 relating to the removal of officers and directors of banks shall apply to officers and directors of building and loan associations and they may be removed for like cause and in the manner provided in such section. The commission may appoint from among the shareholders of such association any shareholder to fill the vacancies caused by removal of officers or directors, the shareholder so appointed shall hold office until the next meeting of the shareholders. [1933 c. 250 s. 2; 1937 c. 284 s. 3]

215.34 Building and loan bookkeeping; banking commission may prescribe. Whenever it shall appear to the banking commission that any building and loan association operating in this state does not keep books and accounts in such manner as to enable it to readily ascertain the true condition of such building and loan association, it shall have the power to require the officers of such association or any of them to open and keep such books or accounts as it may in its discretion determine and prescribe for the purpose of keeping accurate and convenient records of the transactions and accounts of such association. [1937 c. 284 s. 3]

215.35 Forfeiture for failure to obey commission. Any building and loan association that refuses or neglects to open and keep such books or accounts as may be pre-

scribed by the banking commission, shall be subject, at the discretion of the banking commission, to a forfeiture of ten dollars for each day it neglects and fails to open and keep such prescribed books and accounts. Whenever any building and loan association fails or refuses to pay the forfeiture hereunder imposed for failure to open and keep such books or accounts, the banking commission is hereby authorized to institute proceedings for the recovery of such forfeiture. [1937 c. 284 s. 3]

215.355 Complaints; petition; hearing; order. (1) Whenever any person, firm or corporation shall file with the commission a petition stating that the association named in such petition refuses or neglects to pay its notes or evidences of debts on demand, or is unable to pay such debts, or whenever not less than twenty-five members of an association shall file with the commission a petition stating that the association named in such petition, or the officers or directors of such association, neglect to or refuse to retire shares as provided in this chapter, or shall state that the officers or directors are conducting the business of the association in an unsafe or unauthorized manner, or that by the acts or negligence of the officers or directors the funds or assets of the association are or may become impaired, the commission shall within ten days after receipt of such petition proceed to hear such petition. A copy of such petition shall be mailed or delivered to the association named in such petition at least three days before the date of hearing. Not less than three days before the date of hearing a notice shall be mailed or delivered to the association and the party petitioning, which notice shall state the date, time and place for the holding of such hearing.

(2) At the time and place fixed in such notice (unless by stipulation some other time and place is fixed) the commission shall hear all parties interested and shall cause the testimony given to be reduced to writing, or it may designate some person employed or connected with its department to take testimony and hear the petition, and such person so designated shall cause all testimony to be reduced to writing and filed with the commission.

(3) The commission shall within a reasonable time make findings as to all matters contained in such petition and make such order as it shall deem just and reasonable.

(5) The findings and order of the commission shall be final except as ordered modified by the court.

(6) Chapter 286 shall not apply to local associations or corporations organized and doing business as provided in this chapter. [1933 c. 250 s. 2; 1933 c. 372 s. 2; 1937 c. 284 s. 3; 1943 c. 375 s. 88]

Such number of copies of this report shall be printed as it may direct, and such number of copies as it may designate shall be cloth bound; each association shall be entitled to one copy, the remainder to be for general distribution. [1931 c. 292 s. 3; 1935 c. 435; 1937 c. 284 s. 3]

215.52 Conversion. (1) Any local building and loan association may convert itself into a federal savings and loan association organized and existing under the laws of the United States of America, and any federal savings and loan association may convert itself into a local building and loan association, by the following procedure hereinafter outlined:

(a) A meeting of the shareholders shall be held upon not less than ten days' written notice to each shareholder, served either personally or by mail, postage prepaid, directed to him at his last known post-office address, and containing a statement of the time, place and the purpose for which such meeting is called.

(b) At such meeting, the shareholders may by the affirmative vote in person or by proxy of 66% per cent of the dollar value of outstanding shares of the association declare by resolution the determination to convert such association into a federal savings and loan association or into a local building and loan association. A copy of the minutes of such meeting, verified by the affidavit of the chairman and the secretary of the meeting, shall be filed in the office of the banking commission within 10 days after the date of such meeting. Such sworn copy of the minutes of such meeting when so filed shall be presumptive evidence of the holding of and of the action taken at such meeting.

(c) If the shareholders shall have voted to convert the association, the secretary shall serve notice either personally or by mail, postage prepaid, directed to them at their last known post-office address, on all shareholders of such action within thirty days after such meeting. Any shareholder may, within thirty days after service of the notice as herein provided of the action taken at such meeting, give written notice that he desires to with-

draw his shares. Such shareholder shall be entitled to and receive the amount standing to his share credits on the books of the association, less any amount due the association for advances made or any other item.

(d) Within six months after the adjournment of a meeting of shareholders called for the purpose of converting the association into a federal savings and loan association, the association shall take such action as may be necessary to make it a federal savings and loan association, and within ten days after the receipt of the federal charter or a certificate of organization there shall be filed with the banking commission a copy of said charter or certificate of organization certified by or on behalf of the federal home loan bank board. Upon the filing of such instrument, the association shall cease to be a local association and shall thereafter be a federal savings and loan association. Within six months after the adjournment of a meeting of shareholders called for the purpose of converting the association into a local building and loan association the banking commission shall examine such association and shall determine the action necessary to qualify the association for a state charter. Upon complying with the necessary requirements a state charter shall be issued to such association.

(2) At the time when such conversion from a local association to a federal savings and loan association becomes effective, the association shall cease to be supervised by this state.

(3) The legislature intends that the provisions contained in the several subsections of this section shall be independent of each other and that the invalidity for any reason of any subsection or clause thereof shall not affect the validity of any other clause or subsection of this section. Any provision of the statutes inconsistent with the provisions of this section is hereby repealed.

(4) Upon the conversion of any local building and loan association into a federal savings and loan association and upon the conversion of a federal savings and loan association into a local building and loan association operating under the laws of this state, the corporate existence of the converting association shall not terminate, but the federal savings and loan association or local building and loan association resulting from such conversion shall be deemed to be a continuation of the entity of the converting association and all property of the converting association, including its rights, titles and interest in and to all property of whatsoever kind, whether real, personal or mixed, and things in action and every right, privilege, interest and asset of any conceivable value, or benefit, then existing or pertaining to it, or, which would inure to it, shall immediately by act of law and without any conveyance or transfer and without any further act or deed, remain and be vested in and continue and be the property of the association resulting from such conversion, and such association shall have, hold and enjoy the same in its own name as fully and to the same extent as the same was possessed, held and enjoyed by the converting association, and the association resulting from such conversion as of the time of the taking effect of such conversion shall continue to have and succeed to all of the rights, obligations and relations of the converting association. All pending actions and other judicial proceedings to which the converting association is a party shall not be deemed to have abated or to have discontinued by reason of any such conversion, but may be prosecuted to final judgment order or decree in the same manner as if the conversion had not been made and the association resulting from such conversion may continue such action in its corporate name as a federal savings and loan association or a local building and loan association, as the case may be, and any judgment, order or decree may be rendered for or against it which might have been rendered for or against the converting association theretofore involved in such judicial proceedings.
