59.02 Powers how exercised; direct legislation. (1) Except as provided in subsection (2) of this section, the powers of a county as a body corporate can only be exercised by the county board thereof, or in pursuance of a resolution or ordinance adopted by such board.

The boards of supervisors of the several counties classified according to population as shown by the last preceding state or United States census, shall be composed of representatives from within the county elected and compensated as follows:

(a) *Composition.* Of a supervisor from each assembly district therein elected by the electors of said district.

(b) *Election; term.* At the election held on the first Tuesday in April, 1921, one supervisor from each even-numbered assembly district shall be elected for a term of two years. Thereafter, beginning with the election held on the first Tuesday in April, 1924, all supervisors shall be elected for terms of four years at the election to be held on the first Tuesday in April next preceding the expiration of their respective terms. The supervisors elected prior to the election in 1924 shall be elected from and represent the assembly districts as the same existed on the first day of June, 1921.

(c) *Compensation.* Each such supervisor shall be paid out of the county treasury \$2,400 per annum, except the chairman of the board who shall be paid \$2,700, provided that the compensation of such supervisors and the chairman may be increased by ordinance of the county board, such increase not to exceed \$1,200 per annum, and such ordinance shall be applicable to present as well as future incumbents.

Any county board may, in like manner, provide such additional compensation for the chairman as the board may determine. In addition to his per diem each supervisor shall, for each day he attends a meeting of the board, receive mileage for each mile traveled in going to and returning from the place of the meetings by the most usual traveled route at the rate established by the county board pursuant to section 59.15 as the standard mileage allowance for all county employes and officers. Except for services as a member of a committee as provided in section 59.06 no supervisor shall be paid for more days' attendance on the county board in any one year than is set out in the following schedule: In counties with a population of 20,000 or less, 20 days; more than 20,000 but less than 100,000, 25 days; more than 100,000 but less than 250,000, 30 days. Under (4) (c), the county may not accept a combination bid, covering both the heating and the plumbing on a county-building project, when the county has invited the submission of bids on the heating and plumbing separately, even though such combination bid is lower than the aggregate amount of the lowest separate bid for the heating plus the lowest separate bid for the plumbing. Statutory requirements for the letting of public work to the lowest responsible bidder imply a common standard by which to measure the respective bids, and that any change in the bidding terms shall be made known to all bidders alike, and that no such change shall be made known to but one bidder or effected after the bids have been received and opened in order to qualify a bid which otherwise would have been ineligible. The purpose of statutory requirements for the letting of public work to the lowest responsible bidder is to prevent fraud, favoritism, imposition and improvidence. State ex rel. Grosvoid v. Board of Supervisors, 263 W 518, 53 NW (2d) 70.

County board cannot set up a system whereby employes reaching the age of 65 are retired upon payment of cash bonuses. The only county pension system authorized by law is that contemplated by 59.073, for counties of less than 500,000 population. 39 Atty. Gen. 314.

This subsection does not apply to purchase of equipment such as mattresses, chairs and dressers. 40 Atty. Gen. 22.

County board may not provide parking lot on county courthouse grounds or other property owned by the county, limited to the use of the county board members alone, since no express authority is granted by 59.07 and 59.68, and such restriction does not appear to be in the interest of general public welfare or convenience. 40 Atty. Gen. 69.

Construction of new boiler room and installation of boiler furnace is an improvement and not within authorization to county highway committee to use machinery rental fund for general maintenance of county highway garage. To accomplish such purpose the county may hire the necessary tradesmen and supervisory employes on a temporary basis. 40 Atty. Gen. 489.

Where a county civil service system established pursuant to 59.074 includes deputy register of deeds and a tenure provision thereof conflicts with the apparent right which 59.50 grants to the register of deeds to dismiss such deputy at pleasure, the tenure provision of said system controls. 41 Atty. Gen. 105.

See note to 59.23, citing 40 Atty. Gen. 140.

(1) The county board of each county is empowered at or before the November meeting each year to order the levying of a tax upon the aggregate equalized valuation of the county for the aid of the elementary schools of each school district of the county which has levied and placed on the tax rolls of the district for the previous year for the operation and maintenance of schools a tax of not less than 3 mills on the equalized valuation of the district for the year previous to the year of levy for elementary school purposes except where the district operates both elementary and secondary schools the minimum levy shall be 5 mills for both elementary and high school purposes. Such county levy shall be at a rate sufficient to pay county aids to districts which qualify in an amount not less than \$350 per teacher unit operating in the county during the preceding year, except that when a county levy of 2 mills does not provide such an amount of aid the state will provide the difference between the amount produced by a county-wide levy of 2 mills and \$350 per teacher unit operating in the county during the preceding year out of the appropriation provided by section 20.25 (4).

(2) In any case where a school district lies in more than one county, then the county in which such elementary teachers during the preceding year are employed as so certified shall be reimbursed from any other county in which such school district lies for its share of such \$350 for the number of such elementary teachers in the whole district in the same ratio as the full valuation of the property of such school district lying in such other county bears to the full valuation of all the property in the whole district; the county superintendent of schools (of the county paying the whole amount in the first instance), or the city superintendent of schools not under the jurisdiction of such county superintendent shall compute the number (including a fraction of a number) that will be derived from applying to the whole number of teachers the same ratio as the full valuation of the property of the school district lying in any other such county bears to the full valuation of all the property of the whole school district; having arrived at such number he shall multiply the same by 350 and the result in dollars shall be certified by him, at the time of the other certification, as the amount to be reimbursed by such other county; the county

clerk of the county receiving such certification shall certify to the county clerk of any such other county the amount required to be reimbursed and the county board of such other county shall levy a tax in such amount in the same manner and by the same method as the tax levied under the provisions of subsection (1); when such tax is collected it shall be remitted by the county treasurer of such other county to the county treasurer of the county entitled thereto. The term "full valuation" as used in this subsection means the full valuation prescribed and referred to in s. 40.35 (8). In case of a joint school district, computation shall be made on the basis of the valuation of the several towns, cities or villages in which such school district lies. In the event such school buildings are inadequate to accommodate the additional school population resulting from the county veterans' housing program, and such school district cannot legally finance the necessary increased facilities, the county board may appropriate money and grant assistance to such school district but such assistance shall be used solely to finance the purchase of land and the erection and equipment of such necessary additional facilities.

History: 1951 c. 15, 524; 1953 c. 61, 272.

Under (1), as amended by ch. 15, Laws 1951, a person who was a deputy sheriff of Kenosha county under civil service until January of 1945, and served as sheriff from then until January of 1949, and served as undersheriff from then until February of 1952, was entitled to re-employment and restoration of his civil-service standing as a deputy sheriff, as against a contention that he was not entitled thereto as a "person who in the past has changed . . . his status from that of deputy sheriff to any other status in the same department, and who is performing those duties at the time" the act of 1951 became effective, because he had previously made 2 changes of status, instead of one, that is, he had become sheriff and then undersheriff. *La Violette v. Milligan*, 263 W 349, 57 NW (2d) 329.

Under (8), county board may not delegate to sheriff power to suspend deputy without pay. Power to suspend deputy is vested in

county board as incidental to power of removal for cause. When necessary, sheriff may order deputy to cease performance of duties. 39 Atty. Gen. 91.

The county board may at any time by appropriate resolution reduce the number of authorized employes in the sheriff's department, but it cannot take away from the sheriff complete control over their selection without enacting a civil service ordinance. 39 Atty. Gen. 611.

Deputy sheriff who became sheriff in 1945 and served as such until 1949 when he became undersheriff, and served as undersheriff until some time in February, 1952, is not entitled to reinstatement as deputy sheriff under (1), as amended by ch. 15, Laws 1951. 41 Atty. Gen. 120.

59.22 Liability for appointees' acts; bonds. (1) Except as provided otherwise in subsection (3), the sheriff shall be responsible for every default or misconduct in office of his undersheriff, jailer and deputies during the term of his office, and after the death, resignation or removal from office of such sheriff as well as before; and an action for any such default or misconduct may be prosecuted against such sheriff and his sureties on his official bond or against the executors and administrators of such sheriff.

(2) The sheriff may require his undersheriff, jailer and every deputy who is not required by subsection (3) to furnish an official bond, before entering upon the duties of his office, to execute and deliver to him a bond in such sum and with such sureties as he may require, conditioned for the faithful performance of his official duties; and every default or misconduct of such undersheriff or deputy for which the sheriff shall be liable shall be a breach of such bond.

(3) In counties having a population of two hundred thousand or more, the sheriff shall not be responsible for the acts, defaults or misconduct in office of either his jailer or his deputies, appointed under sections 16.31 to 16.44, inclusive, except where such deputy or jailer acts under the express direction of the sheriff. Each such deputy and jailer shall execute and file an official bond and shall be liable for his acts, defaults, or misconduct in office in the same manner and to the same extent that the sheriff and his executors and administrators would otherwise be liable, and actions therefor shall be prosecuted directly against such deputy or jailer and the surety on his official bond.

(4) In counties having a population of less than 200,000 in which a civil service ordinance covering sheriff's deputies and jailers is in effect pursuant to the provisions of section 59.21 (8) or section 59.074, the sheriff shall not be financially responsible for the acts, defaults or misconduct in office of either his jailer or his deputies, appointed under the provisions of section 59.21 (8) or section 59.074, except where such deputy or jailer acts under the express direction of the sheriff. Each such deputy and jailer shall execute and file an official bond and shall be liable for his acts, defaults or misconduct in office in the same manner and to the same extent that the sheriff and his executors and administrators would otherwise be liable, and actions therefor shall be prosecuted directly against such deputy or jailer and the surety on his official bond. The official bond required shall be in such principal amount as the county board shall determine and shall have a licensed surety company as surety. The cost of any such bond shall be paid by the county.

59.225 Arming sheriffs. The county board of any county may furnish its sheriff, undersheriff and deputy sheriffs with the necessary arms, ammunition, gas bombs and gas sticks for the carrying out of their respective duties, such arms, ammunition, gas bombs and gas sticks to remain the property of the county.

(6) In counties having a population of three hundred thousand or more, assign one deputy, to be mutually agreed upon by him and the district attorney, to the office of the district attorney.

(7) Perform all other duties required of him by law.

(8) The sheriff is authorized to destroy all sheriff's dockets, daily jail records and cash books dated prior to 1901. It shall be the duty of the sheriff to hereafter retain and safely keep all such records for a period of 30 years, after which the same may be destroyed.

(9) When the sheriff is required to serve or execute any summons, order or judgment, or to do any other act, he shall be bound to do so in like manner as upon process issued to him, and shall be equally liable in all respects for neglect of duty; and if the sheriff be a party the coroner shall perform the service and all statutes relating to sheriffs shall apply to coroners where the sheriff is a party.

(11) Conduct operations within his county and, when the county board so provides, in waters of which his county has jurisdiction under s. 2.04 for the rescue of human beings and for the recovery of human bodies.

History: 1953 c. 506.

If a sheriff is properly to perform his primary duty of preserving law and order throughout his county, he cannot merely sit in his office waiting to be informed, and it is necessary for him to inform himself of what is going on in the less reputable as well as the more respectable circles, and he may go outside the county without departing from duty. *Andreski v. The county clerk shall file such statements in his office; and no such officer who shall neglect to make and return such statements within the time above prescribed shall receive any compensation from the county for any service rendered by him in any criminal case or proceeding during the year next preceding the time when such statement is required to be made and returned. Each such justice of the peace shall also, at the time of making any such statement, annex thereto and file with the said clerk a sworn statement, giving the titles of all criminal actions tried before him during the same period in which the defendant, or any defendant, shall have been convicted, and shall also state therein that he filed a certificate of conviction in each such case as and within the time required by law; and no bill of any justice of the peace shall be allowed, in whole or in part, unless accompanied by such sworn statement, nor unless all such certificates of conviction have been filed.

59.78 Special counties; classification of claims. In counties containing a population of more than three hundred thousand, the county auditor shall classify all such claims according to the budgetary funds provided for in section 59.84, against which they are chargeable, before such claims are laid before such board. He shall then submit with the claims chargeable against each fund, a statement of the balance in such fund against which no county orders have been issued. If such balance in any fund is less than the total of the claims chargeable against such fund, he shall call the attention of the board to that fact, and such board shall not issue county orders in excess of such balance without previously appropriating to such fund an additional sum at least sufficient to cover such orders. If any claims or claim shall be for a purpose for which no specific appropriation has been made in the budget, such claim or claims shall be considered as chargeable against the contingent fund. When the county auditor countersigns any order on the county treasurer for the payment of a claim allowed he shall charge such order against the fund appropriated for that purpose.

59.79 Action on claims by board. The county clerk shall, on the first day of any meeting of the county board, lay before said board all such claims, statements of which have been filed in his office since the last meeting of such board, with a schedule of the same showing the amount thereof and the order in which the same were filed; and the county board shall act upon all such claims before the adjournment of the next annual session of such board after such statements were filed with the clerk, and shall examine and allow or disallow the same in whole or in part unless withdrawn by leave of the board; and in case of the disallowance of a part of an account or other claim composed of separate items the board shall designate particularly each item disallowed; and when the amount allowed for any claim shall have been accepted and received by the claimant, and no action shall be brought to recover the remainder thereof, no further sum shall thereafter be allowed or paid thereon by the county board. Any person whose claim has been allowed in part may receive the order drawn for the part so allowed without prejudice to his right to appeal as to the part disallowed. But no county board shall issue a greater amount of orders, scrip and certificates of indebtedness than the amount of the county taxes levied in such county for such year. The county board may authorize the issuance of orders, scrip or certificates of indebtedness at a rate of interest specified thereon, but not to exceed six per cent per annum; except that such orders, scrip and certificates of indebtedness shall bear no interest if paid and payable within one month from date of issuance, and shall bear no interest after date of publication of redemption notice as hereafter provided. The county treasurer may give notice that the county will redeem certain outstanding orders, scrip or certificates by publication in any newspaper published in the county. Such publication shall specify the particular orders, scrip or certificates, or series thereof then redeemable.

(2) DISBURSEMENTS ON. In all counties having a population of less than three hundred thousand, all disbursements from the county treasury shall be made by the county treasurer upon the written order of the county clerk after proper vouchers have been filed in the office of the county clerk; and in all cases where the statutes provide for payment by the treasurer without an order of the county clerk, it shall hereafter be the duty of the county clerk to draw and deliver to the treasurer an order therefor before or at the time when such payment is required to be made by the treasurer. The provisions of this subsection shall apply to all special and general provisions of the statutes relative to the disbursement of money from the county treasury.

(3) **SPECIAL COUNTIES; COUNTERSIGNED BY AUDITOR.** In all counties having a population of 300,000 or more all orders and warrants drawn upon or against county funds shall be countersigned by the county auditor; and the treasurer of such county shall make no payments of county funds for any purpose unless the order, warrant, certificate, direction or authority given him for such payment is countersigned by such county auditor. This provision requiring the countersigning by said auditor shall apply to all laws and statutes, special and general, relative to the payment of county funds by the county treasurer except certificates or orders issued for the payment of juror, witness, interpreter, attorney, guardian ad litem and transcript fees.

(4) **EXAMINATION OF.** The county board at their annual session, or oftener if they deem necessary, shall carefully examine the county orders returned paid by the county treasurer by comparing each order with the record of orders in the county clerk's office, and cause to be entered in said record opposite to the entry of each order issued the date when the same was canceled. They shall also make a complete list of the orders so canceled, specifying the number, date, amount, and person to whom the same is made payable, except in counties having a population of more than five hundred thousand, the name of the person to whom the same is made payable may be omitted, which statement shall be entered at length on the journal of the board; and immediately after the above requirements are complied with the orders so canceled shall be destroyed in the presence of the board.

(5) **UNCALLED FOR ORDERS; CANCELLATION; REISSUE.** The county clerk shall prepare and present to the county board, at each annual session thereof, a descriptive list giving the amount, date and payee of all county orders which have remained in his office for two years uncalled for by the payee. The board shall cause such orders to be compared with such list, and when found or made correct such list shall be entered at length on the journal of the board and filed in the office of such clerk; and all such orders shall be canceled and destroyed. The person in whose favor such order was drawn, excepting those issued under the provisions of subsection (4) of section 59.77, may, upon application to the chairman of the board and county clerk, made within six years from the date of such order and not afterwards, have a new order issued to him for the amount of the original, without interest.

59.82 Magistrates' dockets, audit and report. The auditing committee of the county board in counties which have such a committee and in other counties the county auditor, or the county clerk if there is no county auditor, shall personally, before the meeting of the county board in each year, inspect the docket of every justice of the peace, police justice, municipal judge or other magistrate in the county who is authorized to receive fines under section 360.34, when such magistrate has had any criminal case during the previous year and ascertain therefrom the amount of such fines received by any such magistrate during the preceding year ending October 31 and make a separate written report for each such magistrate, which report shall be verified by his affidavit, embrace the title of each case in which any such fine was received, the date of conviction and the total amount of fines received during the period covered by such report. To facilitate the making of such examinations and reports the several magistrates shall deliver their dockets to the auditing committee, county auditor or county clerk, as the case may be, at such time before or during the annual meeting of the county board and at such place as such committee, auditor or clerk may designate, to be forthwith examined and to be returned to such magistrate on the same day of delivery. The county board shall, at their annual meeting, compare the reports upon such examinations with those made by magistrates pursuant to said section 360.34.

History: 1951 c. 247 s. 19.

59.83 Publication of financial report. The several county boards shall cause to be made out and published immediately after their annual meeting, in at least one newspaper published in their county, if such there be, a report of the receipts and expenditures of the year next preceding and the accounts allowed; and if no newspaper be published in the county, then a copy of such report shall be posted on the courthouse door and at two other public places in the county. The county board may within its discretion waive the publication of names of needy soldiers, sailors, marines and United States war veterans and the amount of relief provided under section 45.14 and shall publish in lieu thereof the total disbursements thereunder.

59.84 Milwaukee county; budgetary procedure; transfer of funds. (1) The fiscal year of all county departments in every county having a population of more than 500,000 shall be the calendar year.

(2) In every such county each county department shall annually, on or before August 15, file with the county auditor in such form and content as the county auditor may re-

quire, a detailed estimate of all the necessary expenditures to be made by his department during the ensuing year together with a statement of work program and other justification of expenditure which the county auditor may deem to be desirable or proper. The term department as used in this section shall include boards, commissions, offices, institutions and agencies which expend county money, and unless otherwise expressed shall refer to the head of such department.

(3) In every such county the county auditor shall prepare the proposed budget for the ensuing year. Such proposed budget shall consist of (a) a compilation and review of the departmental expenditure estimates submitted to him pursuant to sub. (2) hereof; (b) his statement of principal and interest becoming due on bonds outstanding and on other financial obligations; (c) his estimate of all other expenditures, including capital improvements; (d) his estimate for a contingency appropriation; and (e) his estimate of revenue from all sources, including the property tax levy. In arriving at the estimated property tax levy, he shall deduct from the total proposed expenditure budget, the estimated amount of revenue from other than property tax levy sources, and shall also deduct the estimated amount of unappropriated surplus as at the close of the current year. The county auditor shall submit the proposed expenditure budget and proposed financing thereof in a report to the county board on or before September 15, and such board shall immediately refer the same to the finance committee thereof. Such committee shall then hold a public hearing thereon at which the head or a representative of every county department shall appear and give information with regard to appropriations requested by such department, including work programs, other justification of expenditures, and such other data as the committee may request. The county auditor or his deputy shall attend such hearing to render assistance and advice. Such committee shall make such changes in the proposed budget as in its discretion may be deemed desirable or proper. Such committee shall, on or before October 15, submit to the county board the budget as amended after such hearing. Such amended proposed budget shall be the tentative budget and shall include comparable figures of revenues and expenditures for the previous year, actual revenues and expenditures for the first 6 months of the current year, an estimate for the current year, the budget for the current year, and other adequate comparisons. The committee shall publish at least once a summary of the tentative budget and aforesaid comparative figures together with a comparative statement of bonded indebtedness in the 2 daily newspapers having the largest circulation in the county and make available to the general public reprinted copies of the summary as published. The summary as published shall state the date, hour and place of the hearing to be held by the county board on such tentative budget.

(4) The county board shall, not less than 14 days after publication of the summary of the tentative budget and prior to the adoption of a property tax levy, but not later than November 5, hold a public hearing on such tentative budget at which time citizens may appear and express their opinion. After such public hearing and on or before the annual meeting, the board shall adopt the budget with such changes as it may deem proper and advisable. When so adopted the sums provided shall constitute legal appropriations and revenue estimates for the ensuing year.

(5) The county auditor shall exercise financial and budgetary control and shall cause separate accounts to be maintained for each appropriation.

(6) At the close of each year, all unexpended appropriations shall lapse, except that the county board may by resolution adopted by a vote of two-thirds of the members-elect carry over any unexpended appropriation balance to the succeeding year when so requested by departments giving reasons therefor which in the opinion of the county board are adequate, except further that all unexpended appropriations against which purchase contracts have been entered into shall be automatically carried over, except further that unexpended appropriations derived from the sale of bonds, and appropriations for the payment of interest and principal on bonds shall be automatically carried over.

(7) The term "unappropriated surplus" shall mean that portion of the surplus of a given fund or funds which is not segregated for specific purposes, and shall be determined as follows: The unappropriated surplus at the close of a fiscal year shall equal the sum of the following items as at the close of that year: (a) Money in the county treasury, (b) investments made by the county pursuant to ss. 59.75 (1) and 66.04 (7), (c) money ordinarily payable into the county treasury prior to January 31 of the ensuing year and due from the United States treasury, state of Wisconsin, from municipalities, and from county departments; minus the sum of the following items as at the close of that year: (d) sinking funds created pursuant to law, (e) highway funds, (f) insurance fund created pursuant to s. 59.07 (23), (g) agencies and trust funds including taxes collected in advance, (h) appropriations that are being carried over pursuant to sub. (6) hereof, and (i) current liabilities. The unappropriated surplus as determined upon the

annual closing of the books of account minus that portion thereof used in determining the preceding tax levy pursuant to sub. (3) may by resolution adopted by a vote of two-thirds of the members-elect of the county board be appropriated in whole or in part for any legal purpose.

(8) At the request of the head of any department the county board may by resolution transfer from one appropriation to another within the total appropriations of the department for which the request is made, and by a resolution adopted by a vote of two-thirds of the members-elect of the county board transfer from the contingency appropriation to any other appropriation or create a new appropriation for any legal county purpose. Where more than one department is under the jurisdiction of the same board or commission or under the same general management, the county board may, by ordinance, group such departments, and thereafter such group of departments shall be considered the same as a single department with respect to making transfers within the group.

(9) Ordinances or resolutions when duly adopted increasing salaries or creating new permanent positions shall become effective on the first day of the bi-weekly pay period beginning in the calendar year succeeding the year of adoption of such ordinances or resolutions, provided that if the last pay period beginning in such calendar year of adoption includes one week or more in the succeeding year such ordinance or resolution shall become effective as at the beginning of that pay period, provided further, that the county board may by a vote of two-thirds of the members-elect make such ordinance or resolution effective at an earlier date. Such ordinance or resolution shall contain a provision for an appropriation transfer if needed.

(10) In the event appropriations for public assistance as required pursuant to ss. 48.315, 49.02, 49.03, 49.18 to 49.38, 49.51 and 49.61 appear to be inadequate for the remainder of any year, the county auditor shall prepare an estimate of total public assistance costs for such year together with an estimate of state-federal aid and submit such estimate to the county board. The county board may by resolution appropriate any excess of such estimated state-federal aid over the amount of revenue originally set up in the current budget for public assistance and make such additional transfers as may be necessary to increase the various public assistance appropriations as in its discretion is required.

(11) Notice of any change creating an increase in the total budget after the adoption thereof pursuant to sub. (4) hereof shall be published at least once in the 2 daily newspapers having the largest circulation in the county not less than 8 days prior to the hearing before the finance committee of the county board.

History: 1953 c. 294.

Upon the approval of such statement and such itemized bills, by the county officers above named, said moneys so appropriated shall be paid by the proper officers of the county making the same into the treasury of said immigration association.

Thereafter the special taxes so charged shall be treated as regards payment in the same manner as any other taxes, and when collected shall be paid into the county reclamation fund.

(19) The county clerk shall, whenever a petition for a loan is filed with the county board and whenever a loan is granted, file a written notice to that effect with the register of deeds giving the name of the petitioner for the loan, the number of acres and the location in governmental subdivisions of forty acres of the land offered by the petitioner or accepted by the county board, as the case may be, as security for the loan and the amount of the loan requested or granted. The register of deeds shall number consecutively all such notices filed with him and shall index them under the names of the petitioners for loans and in the tract index so that the notices may easily be found. Following such assessment and levy, the clerk of each such city, town or village shall place the same upon the tax roll to be collected as other taxes are collected upon all of the taxable property within such drainage area, and such moneys when collected shall be paid by the treasurer of each such city, town or village, to the treasurer of such city of the first class to the credit of said sewerage commission of such city of the first class.

(b) There is imposed upon all towns in counties in which under the provision of this section a metropolitan sewerage commission is created and appointed, all of the powers vested in villages under chapter 61 of the statutes relating to the power of villages to finance, assess, build, construct and maintain sewerage systems, mains, laterals, drains and all appurtenances, and all of the duties by such provision imposed upon the village boards or villages, their several committees and village clerk, shall be performed in such towns by the town boards and town clerks thereof; provided, that the town board of any such town may lay sewers or water mains along either or both sides of any street or highway in the town, and in that event shall assess the cost thereof only against the property abutting and adjoining upon that side of the street or highway in which the sewer or water main may be laid; and all notices and specifications required thereby may be made and given by the towns in such work where no newspaper is published therein by posting five copies thereof in five public places in said town, and all duties by such provision imposed upon village clerk and village treasurer in extending upon the tax roll and collecting all assessments and taxes relating to such improvements, shall be performed in the same manner by town clerks and town treasurers of such towns.

(c) The metropolitan sewerage commission and the sewerage commission of a city of the first class are authorized and empowered, in their names, to contract with any town, village, city, sanitary district or metropolitan sewerage district organized under sections 66.20 to 66.209 in such county wholly or partly outside of the boundaries determined to be in the same drainage area as the sewerage system of such city of the first class, or wholly or partly outside of such county but in the same drainage area as the sewerage system of such city of the first class, for the transmission and disposal of sewage from

any territory located in such town, village, city, sanitary district or metropolitan sewerage district organized under sections 66.20 to 66.209. Before such town, village, city, sanitary district or metropolitan sewerage district organized under said sections shall be permitted to connect its sewers with or use any main sewers, such sewers shall be approved as provided by 59.96 (6) (n). The governing board of any such town, village, city, sanitary district or metropolitan sewerage district organized under sections 66.20 to 66.209 by a vote of three-fourths of its members is hereby authorized to enter into such contract and to levy irrevocable taxes for the term covered by such contract for the cost of such service as determined by such contract upon the whole town, village, city, sanitary district or metropolitan sewerage district organized under said sections, or upon such part thereof as the governing board determines by such vote to be benefited thereby.

(10) LEVY AND COLLECTION OF METROPOLITAN SEWERAGE TAXES. The taxes levied pursuant to subsection (7) (a) and (c) shall be apportioned to the several towns, villages and cities situated within the metropolitan sewerage drainage area in the manner provided by section 70.63, and may be spread upon the respective real estate and personal property tax rolls of said towns, villages and cities, combined with county taxes, and shall be treated for all purposes, including settlement with the treasurers of the towns, villages and cities in the same manner as county taxes but shall not be included within any limitation on county taxes.

(12) INCONSISTENT LAWS REPEALED. All laws or parts of laws inconsistent herewith are hereby repealed.

History: 1951 c. 358, 645; 1953 c. 196, 595, 597.

Town board in a county having a metropolitan sewerage commission may finance, construct and maintain a sewerage system under 59.96 (9) (b) without reference to the requirements provided in 60.29 (19). 39 Atty. Gen. 46.

59.965 Expressways in populous counties. (1) DEFINITIONS. As used in this section, unless the context indicates otherwise, the following terms shall mean:

(a) "Expressway" is a highway with full control of access and with no highway crossings at grade and includes the land, roadways and structures necessary to permit access to, over or under such expressway. It also includes the necessary relocating and reconstructing of all utility and railroad services disrupted in the construction of such expressway.

(b) "Commission" is the county expressway commission created by this section.

(c) "Expressway project" is an integral portion of the expressway that may be put to public use independently of other expressway projects.

(d) "Prior expressway project expenditures" are obligations incurred and expenditures financed from funds obtained from local tax levy sources, or from the proceeds of the sale of bonds, by a municipality in the county for the acquisition and clearing of the right of way and construction of expressway projects which are incomplete and have not been substantially put to public use at the time the county expressway commission is created and the transfer of the function to said commission has been effectuated, together with any funds so financed in the state treasury under control of the state highway commission to the credit of an expressway project, and any funds which the municipality may, subsequent to the creation of the county expressway commission, transmit to the state highway commission for credit to an expressway project authorized by the county expressway commission.

(e) "Expressway project budget" is the plan of financial operation embodying an estimate of proposed expenditures for the expressway project and the proposed means of financing them.

(f) "County board" is the county board of supervisors of the county wherein such county expressway commission is created.

(2) COUNTY EXPRESSWAY COMMISSION. (a) *Creation; appointment of commissioners.* In any county having a population of 500,000 or more, there is hereby created a county expressway commission which shall function as a part of the county government. Such commission shall consist of 5 members, and shall be appointed by the governor. The first appointees shall serve for terms of 1, 2, 3, 4 and 5 years, respectively. Thereafter each member shall be appointed for terms of 5 years each and until their successors are appointed and qualified. All appointees shall be and remain residents of such county. Appointments to fill vacancies and for terms after the initial terms shall be made in the same manner as provided in this paragraph. Certification of such appointments shall be filed with the county clerk.

(b) *Oath of office; expenses.* Each commissioner shall take and file the official oath and shall receive no salary, but shall be reimbursed his actual and necessary expenses in the performance of his duties.

(c) *Organization.* A majority of the commissioners shall constitute a quorum for the transaction of business. As soon as the commissioners first appointed under this sub-

section enter upon the duties of their office, they shall organize by electing one of their members chairman, who shall be removable at pleasure by the commissioners. The chairman shall preside over all meetings of the commission and shall perform such other duties as are imposed upon him by this section or may be assigned to him by the commission. The commission shall elect one of its members secretary.

(3) **MEETINGS; REPORTS.** The commission shall hold meetings for the transaction of business. All such meetings shall be open to the public. The commission shall prepare annually a report of its official transactions and expenditures and shall mail such statement to the governor, to the mayor of the largest city in such county and to the chairman of the county board of such county, and to the chief executive head of the governing boards of all cities, towns and villages in such county.

(4) **TRANSFER OF PRIOR EXPRESSWAY STUDIES AND REPORTS.** Upon the organization of such commission, the governmental authorities of the largest city in such county shall transfer and deliver to the commission the original or certified copy of all maps and engineering studies and reports pertaining to an expressways system in such city and county, together with all contracts pertaining to the creation and construction of such expressways. Upon demand by the commission the city with the approval of the common council shall execute and deliver to such county quitclaim deeds of all lands acquired or dedicated or owned by the city and needed for the purpose of right of way for such expressways, provided the cost thereof was included in the determination of prior expressway expenditures.

(5) **POWERS AND DUTIES.** The commission is charged with the duty and vested with all powers necessary to plan, acquire the right of way for and construct an expressway system in such county and to administer each expressway project until it shall be certified as completed, subject to the general supervision of the county board except as hereinafter provided, including without limitation by reason of enumeration, the power to contract. In the exercise of the foregoing duties and powers, the commission shall:

(a) *Plans for expressways.* As soon as possible after its organization, consider and devise a general plan of expressways to serve the entire county. Such plan shall be presented to the governing body of each municipality through which a part of the expressway system is routed for its consideration and approval. If such approval is not granted within 60 days from the date of submission, the commission shall present the general plan to the state highway commission, which shall hold a public hearing on that part of the plan which is located in such municipality. After such hearing, the state highway commission shall make recommendations to the commission with reference to the matters objected to by the municipal governing body. Thereafter the commission shall incorporate such recommendations in its general plan. When the approval of the necessary local governing bodies has been obtained or the recommendation of the state highway commission has been obtained in lieu thereof, the general plan shall be presented to the county board of such county. The county board upon receipt of such general plan shall promptly consider the same and approve or reject such plan. If the plan be rejected, the commission shall submit a revised plan with such modifications or changes as to it seem proper, and thereupon the county board shall again consider and approve or reject such plan. This procedure shall continue until some general plan has been approved by the county board. Thereafter, upon request of the commission, such general plan may be amended by the county board in conformity with such request.

(b) *Procedure upon approval of plan.* When a general plan has been approved by the county board, the commission shall prepare and submit to the county board tentative expressway project budgets for such units of the comprehensive plan and in order of construction as the commission deems proper. Each such budget shall give reasonably detailed estimates of expenditures required to complete such expressway project and shall also give an estimate of the state and federal aid which will become available for such project. The county board shall determine the amount of the county's share of the cost of such project and the financing thereof, either from the authorization of county expressway bonds pursuant to s. 67.04 (1) (v), or by determining the amounts to be included in the budgets during the construction years, or by transfer from unappropriated surplus pursuant to s. 59.84 (7), or by any combination of the foregoing. When the county board determines that county funds for an expressway project shall be financed in whole or in part from current budgets, the county auditor shall include such amounts in the proper proposed budget pursuant to s. 59.84 (3). The county board shall adopt expressway project budgets with such changes as it may deem proper. When so adopted, the county contribution to the expressway project shall constitute a legal appropriation and shall be expendable to the extent that expressway bonds have been authorized or money otherwise provided. At the request of the commission, the county board may amend any expressway project budget and may transfer appropriations from one expressway project to another.

(c) *Acceptance of gifts.* To accept, in the name of the county, grants, conveyances and devises of land, and bequests and donations of money to be used for expressway purposes.

(d) *Acquisition of lands.* To acquire in the name of the county, after the county board has adopted an expressways project budget, by donation, purchase, combination or otherwise, such tracts of land, including all improvements thereon, as it deems are necessary and required for expressway purposes; but no land so acquired shall be disposed of by the county without the consent of the commission, and all moneys received for any such lands or any materials or improvements thereon, so disposed of, shall be credited to the proper expressway project as an abatement of expense. The commission may also, with the general approval of the county board and after the general plan of expressways has been adopted by the county board, as the same may be amended from time to time, acquire lands for the right of way of such expressways from time to time and upon such acquisition may maintain and rent out lands and improvements in such tract so acquired until the same are needed for actual expressway construction purposes. The owners of such lands at the time of such acquisition shall have the first right to enter into lease with the county until the lands are needed by the county for actual construction purposes. All rentals shall become part of the expressway funds. The commission in acquiring the right of way for expressway projects may acquire such right of way in fee simple or by easement for highway purposes as it may by order determine, and in the acquisition of such land and improvements, the commission, acting in the name of the county or the state or state highway commission, as the needs of the particular project may require, may proceed under ch. 32 or ss. 83.07, 83.08 and 84.09, and when proceeding under said sections, the commission shall have the same powers and duties as are vested by said statutes in the county highway committee or the state highway commission and the commission or the land owner or his mortgagee shall have the same right of appeal as is granted by said sections.

(e) *Contracts.* To construct and administer projects under its jurisdiction, to contract in the name of the county with the state highway commission as may be necessary under state and federal statutes to secure state and federal aid on expressway projects.

(f) *Rules and regulations.* The commission shall have power to make all rules and regulations concerning its work.

(6) REIMBURSEMENT FOR PRIOR EXPRESSWAY FINANCING. Municipalities shall be reimbursed for prior expressway project expenditures. Any expressway projects under construction at the time the commission is created and the transfer of functions to the commission has been effectuated shall be completed by the commission. Such municipalities shall be reimbursed for such prior expressway expenditures and obligation incurred for the cost of right of way acquisition and clearance, construction engineering, and actual construction to the extent of such municipalities' contribution from tax levy or bond funds. Each such municipality shall calculate such contribution and certify same with full data to the commission. It shall then be subject to consideration, audit and approval by the commission. Upon such approval, reimbursement shall be effected on a 10-year instalment basis by levying a tax against all the municipalities of the county on an equalized valuation basis, and offsetting the amount thereof to the municipalities entitled to reimbursement.

(7) AGREEMENTS FOR USE OF FEDERAL AID TO RETIRE MATURITIES. The state highway commission and any county having a population of 500,000 or more are authorized to enter into an agreement providing that when the proceeds of bonds issued by such county are expended in the improvement of a portion of the federal aid highway system as a part of the comprehensive expressway system in such a county, and are so expended under the provisions of ch. 84, and in compliance with section 5 of the federal aid highway act of 1950, or acts amendatory of or supplementary to such section, and regulations applicable thereto, such sum of money derived from federal aid for highways which may be authorized by the congress and apportioned to this state for the fiscal year ending June 30, 1969, and for any subsequent fiscal year as shall be stipulated in the aforesaid agreement may be applied to aid in retirement of annual maturities of the principal indebtedness of such bonds, and that to the extent that such federal aid can be claimed and received by the state for such purpose, it will upon receipt be paid to the county. Any money so paid shall be deposited by the county in the sinking fund provided for the retirement of the bond issue of which such bonds formed a part.

(8) AGREEMENTS FOR STATE AID TO RETIRE MATURITIES. The state highway commission is authorized to enter into a contract with a county containing a population of 500,000 or more providing that, to the extent that the proceeds of bonds issued by such county are expended under the provisions of ch. 84 in the improvement of state trunk highways or connecting streets, in addition to the agreed county share of such improve-

ment and for which the county has not been or will not be reimbursed with federal funds, such sum as may be approved by the state highway commission in the fiscal year ending June 30, 1969, and in any subsequent fiscal year, will be paid to such county to aid in retirement of the annual maturities of the principal indebtedness of such bonds from funds appropriated and available to the commission for the improvement of state trunk highways or connecting streets. Payments may be made pursuant to such agreement, before or after the bonds mature, from funds appropriated and available to the commission for the improvement of state trunk highways or connecting streets after making provision for adequate maintenance and traffic service, but this section or such agreement shall not constitute a commitment on the part of this state or the county to provide such funds. Any money so paid shall be deposited by such county in its sinking fund created for the purpose of payment of the bond issue of which such bonds formed a part.

(9) **STAFF.** (a) *Other departments and officers.* The staff of the county highway department, under the direction of the county highway commissioner, shall perform all technical work required by the commission. Any municipality having an expressway staff shall, upon request of the commission, and upon approval by the county board, transfer such staff to the county, and such agents and employes of such municipal staff shall thereupon become integrated into county civil service in the county highway department. The commission with the approval of the county board may hire upon a contract basis such expert consultant services as it may deem necessary to assist the commission in the planning of the expressway system.

(b) *Commission rooms and equipment.* The county board shall provide suitable offices where the maps, plans, documents, and records of the commission shall be kept, subject to public inspection at all reasonable hours and under such reasonable regulations as the commission may prescribe.

(10) **MAINTENANCE AND OPERATION.** (a) *Same.* Whenever any expressway project has been completed, the commission shall file a certification of such fact with the county clerk and with the state highway commission, and thereafter the portion of the comprehensive expressway included in such project shall be operated and maintained by the county, provided that where any such expressway project shall form a part of the state trunk highway system, the state shall be liable for the maintenance thereof, and provided that the municipality in which such expressway is located shall maintain the pavement and the municipal utilities on any street passing over or under such expressway when such project is completed.

(b) *Policing of expressways.* Expressways shall be policed by the police department of the municipalities in which expressways are located.

History: 1953 c. 673.

59.97 Zoning power. (1) **EXTENT OF POWER.** For the purpose of promoting the public health, safety and the general welfare the county board of any county may by ordinance effective within the areas within such county outside the limits of incorporated villages and cities establish districts of such number, shape and area, and adopt such regulations for each such district as the county board shall deem best suited to carry out the purposes of this section. The powers granted by this section shall be exercised through an ordinance which may determine, establish, regulate and restrict:

(a) The areas within which agriculture, forestry, industry, trades, business and recreation may be conducted.

(b) The areas in which residential uses may be regulated or prohibited.

(c) The areas in and along or in or along natural watercourses, channels, streams and creeks in which trades or industries, filling or dumping, erection of structures and the location of buildings may be prohibited or restricted.

(d) Trailer camps, or tourist camps and motels or both and mobile home parks.

(e) Designate certain areas, uses or purposes which may be subjected to special regulation.

(f) The location of buildings and structures designed for specific uses and designation of uses for which buildings and structures may not be used or altered.

(g) The location, height, bulk, number of stories and size of buildings and other structures.

(h) The location of roads and schools.

(i) Building setback lines.

(j) The density and distribution of population.

(k) The percentage of lot which may be occupied, size of yards, courts and other open spaces.

(2) **FORMATION OF ZONING ORDINANCE; PROCEDURE.** (a) The county board shall designate the county park commission, rural planning board, county highway committee, or a special zoning committee which it may create, as its agency in all matters pertaining to

county zoning. When such agency shall be directed by the county board to draft a proposed zoning ordinance for its consideration, the agency shall do all things necessary to comply with such direction, including the collection and analysis of pertinent data, the drafting of a tentative ordinance and the layout of tentative districts either by maps or words of description, holding public hearings, preparation of a proposed final draft, and its submission to the county board for its consideration prior to adoption. In any county in which a zoning ordinance has been finally adopted and is in force, the zoning agency designated by the county board shall oversee the administration of such ordinance and to this end such agency shall meet at least once each year.

(b) When the county zoning agency shall have completed a draft of a proposed zoning ordinance, it shall hold a public hearing or hearings thereon, following notice of such hearing by publication at least once each week for 3 successive weeks in the official newspaper of the county, or if there be none, in a newspaper of general circulation in the county. After such hearing the agency may make such revisions in the draft as it shall deem necessary, or it may submit the draft without revision to the county board with recommendations for adoption. Proof of publication of the notice of the public hearing held by such agency shall be attached to its report to the county board.

(c) When the draft of such ordinance, recommended for adoption by the zoning agency, is received by the county board, it may adopt the ordinance as submitted, or reject it, or return it to the agency with such recommendations as the county board may see fit to make. In the event of such return subsequent procedure by the agency shall be as if the agency were acting under the original directions. When adopted, duplicate copies of the ordinance shall be submitted by the county clerk by registered mail to each town clerk for consideration by the town board.

(d) A county ordinance adopted as provided by this section shall not be effective in any town until it has been approved by the town board. If the town board approves an ordinance adopted by the county board, as provided by this section, a certified copy of the approving resolution attached to one of the copies of such ordinance submitted to the town board shall promptly be filed with the county clerk by the town clerk. Such ordinance shall become effective in such town as of the date of such filing, which filing shall be recorded by the county clerk in his office, reported to the town board and the county board, and printed in the proceedings of the county board. Such ordinance shall supersede any prior town ordinance in conflict therewith or which is concerned with zoning, except as provided by section 60.74 (7).

(3) AMENDMENTS; CHANGES. (a) The county board may amend the regulations of an ordinance or change the district boundaries. The procedure with reference to such amendments or changes shall be as follows:

(b) A petition for amendment of any county zoning ordinance may be made by any property owner in the area to be affected by the amendment, by the town board of any town wherein the ordinance is in effect; by any member of the county board or by the agency designated by the county board to consider county zoning matters as provided in subsection (2) (a). Such petition shall be filed with the county clerk who shall present it to the county board at its next succeeding meeting.

(c) At such meeting of the county board the petition shall be referred directly to the agency designated by the county board to consider county zoning matters as provided in subsection (2) (a) for its consideration, report and recommendations.

(d) Upon receipt of such petition by such agency it shall call a public hearing thereon. Notice of the time and place of such hearing shall be given by publication thereof once each week for 3 successive weeks in the official newspaper of the county or if there be none in a newspaper of general circulation in the county. A copy of such notice shall be mailed by registered mail to the town clerk of each town affected by the proposed amendment at least 10 days prior to the date of such hearing.

(e) As soon as possible after such public hearing, the agency shall act on such petition either approving, modifying and approving, or disapproving of the same. If its action is favorable to granting the requested change or any modification thereof, it shall cause an ordinance to be drafted effectuating its determination and shall submit such proposed ordinance directly to the county board with its recommendations. If the agency after its public hearing shall recommend denial of the petition it shall report its recommendation directly to the county board with its reasons for such action. Proof of publication of the notice of the public hearing held by such agency and proof of the giving of notice to the town clerk of such hearing shall be attached to either such report.

(f) Upon receipt of such agency report the county board may adopt the ordinance as drafted by the zoning agency or with amendments, or it may deny the petition for amendment, or it may refuse to deny the petition as recommended by the agency in which case it shall re-refer the petition to the agency with directions to draft an ordinance to effectuate the petition and report the same back to the county board which may

then adopt or reject such ordinance. In case a protest against a proposed amendment be filed with the county clerk at least 24 hours prior to the date of the meeting of the county board at which the report of the zoning agency is to be considered, duly signed and acknowledged by the owners of 20 per cent or more of the area proposed to be altered, or by the owners of at least 20 per cent of the frontage immediately in the rear or along the side boundaries thereof within 300 feet of the area proposed to be changed, or by the owners of at least 20 per cent of the frontage directly opposite and across a public street, highway or alley, from the area proposed to be altered, action on such ordinance may be deferred until the zoning agency shall have had a reasonable opportunity to ascertain and report to the county board as to the authenticity of such ownership statements. Each signer shall state the amount of area or frontage owned by him and shall include a description of the lands owned by him. If such statements are found to be true, such ordinance shall not be adopted except by the affirmative vote of three-fourths of the members of the county board of supervisors present and voting. If such statements are found to be untrue to the extent that the required frontage or area ownership is not present such protest may be disregarded.

(g) Any such amendatory ordinance when so adopted shall within 7 days thereafter be submitted in duplicate by the county clerk by registered mail to the town clerk of each town in which lands affected by such ordinance are located. If after 40 days from the date of such adoption a majority of such towns have not filed certified copies of resolutions disapproving such amendment with the county clerk, or if, within a shorter time a majority of the towns in which the ordinance is in effect have filed certified copies of resolutions approving the amendment with the county clerk, the amendment shall thereupon be in full force and effect in all of the towns affected by the ordinance. Any such ordinance relating to the location of boundaries of districts shall within 7 days after adoption by the county board be transmitted by the county clerk by registered mail only to the town clerk of the town in which the lands affected by such change are located and shall become effective 40 days after the adoption of the ordinance by the county board unless such town board shall prior to such date file a certified copy of a resolution disapproving of such ordinance with the county clerk provided that if such town board shall approve of such ordinance, said ordinance shall become effective upon the filing of the resolution of the town board approving same with the county clerk. The county clerk shall record in his office the date on which such ordinance becomes effective and he shall notify the town clerk of all towns affected by such ordinance of such effective date and also make such report to the county board, which report shall be printed in the proceedings of the county board.

(4) OPTIONAL ADDITIONAL PROCEDURES. Nothing in this section shall be construed to prohibit the zoning agency or the county board or a town board from adopting any procedures, formal or informal, in addition to those prescribed in this section and not in conflict therewith. Such procedures may, but are not required to, provide for public hearings before the county board. The public hearing provided by subs. (2) (b) and (3) (d) is deemed to be sufficient for the requirements of due process whether or not the county board holds a further public hearing thereafter.

(4a) CONTINUED EFFECT OF ORDINANCE. Whenever any area which has been subject to a county zoning ordinance petitions to become part of a village or city, the regulations imposed by such county zoning ordinance shall continue in effect, without change, and shall be enforced by such village or city until such regulations have been changed by official action of the governing body of such village or city, except that in the event an ordinance of annexation is contested in the courts, the county zoning shall prevail and the county shall have jurisdiction over the zoning in the area affected until ultimate determination of the court action.

(5) EXCHANGE OF TAX DEEDED LANDS. When any county acquires lands by tax deeds, the county board may exchange any such lands for others lands in the county for the purpose of promoting the regulation and restriction of agricultural and forestry lands.

(6) ZONING OF COUNTY OWNED LANDS. The county board may by ordinance zone and rezone any lands owned by the county without necessity of securing the approval of the town boards of the towns wherein such lands are situated and without following the procedure outlined in subsections (2) and (3), provided that the county board shall give written notice to the town board of the town wherein such lands are situated of its intent to so rezone and shall hold a public hearing on the proposed rezoning ordinance and give notice of such hearing by posting in 5 public places in the town.

(7) NONCONFORMING USES. (a) An ordinance under this section shall not prohibit the continuance of the lawful use of any building or premises for any trade or industry for which such building or premises is used at the time such ordinances take effect, but the alteration of, or addition to, or repair in excess of 50 per cent of its assessed value of any

existing building or structure for the purpose of carrying on any prohibited trade or new industry within the district where such buildings or structures are located, may be prohibited. The continuance of the nonconforming use of a temporary structure may be prohibited.

(b) The county board shall designate an officer to administer the zoning ordinance, who may be the secretary of the zoning agency or other appropriate person. The officer thus designated shall cause a record to be made immediately after the approval of an ordinance or amendment thereto, or change in district boundary, approved by the town board, of all lands, premises and buildings in the town used for purposes not conforming to the regulations applicable to the district in which they are situated. Such record shall include the legal description of the lands, the nature and extent of the uses therein, and the names and addresses of the owner or occupant or both. Promptly on its completion such record shall be published for 3 successive weeks in the official county newspaper, or if there be none, in a newspaper having general circulation in the county. Such record, as corrected, shall be on file with the register of deeds 60 days after the last publication and shall be prima facie evidence of the extent and number of nonconforming uses existing on the effective date of the ordinance in the town. Corrections prior to the filing of the record with the register of deeds may be made on the filing of sworn proof in writing, satisfactory to the officer administering the zoning ordinance.

(c) The county board shall prescribe a procedure for the annual listing of nonconforming uses, discontinued or created, since the previous listing and for all other nonconforming uses. Discontinued and newly created nonconforming uses shall be recorded with the register of deeds immediately after the annual listing.

(d) Paragraphs (b) and (c) shall not apply to those counties issuing building permits or occupancy permits as a means of enforcing the zoning ordinance or to counties which have provided other procedures for this purpose.

(8) PROCEDURE FOR ENFORCEMENT OF COUNTY ZONING ORDINANCE. The county board shall prescribe such rules and regulations and administrative procedures, and provide such administrative personnel as it may deem necessary for the enforcement of the provisions of this section, and all ordinances enacted in pursuance thereof. Such rules and regulations and the districts, setback building lines and regulations authorized by this section, shall be prescribed by ordinances which shall be declared to be for the purpose of promoting the public health, safety and the general welfare. Such ordinances shall be enforced by appropriate fines and penalties. Compliance with such ordinances may also be enforced by injunctive order at the suit of such county or the owner or owners of real estate within the district affected by such regulation.

(9) PRIOR ORDINANCES EFFECTIVE. Nothing in this section shall invalidate any county zoning ordinance adopted pursuant to statutes in effect prior to July 20, 1951.

(10) CONSTRUCTION OF SECTION. The powers herein granted shall be liberally construed in favor of the county exercising them, and this section shall not be construed to limit or repeal any powers now possessed by any such county.

(11) SAVING CLAUSE. Nothing contained in this section shall operate to invalidate any county zoning ordinance passed pursuant to statutes in effect prior to July 20, 1951. Any petition for adoption of a county zoning ordinance or amendment of any existing county zoning ordinance on file with the county board of any county prior to the aforesaid date shall be processed according to the provisions of section 59.97, statutes of 1949.

(12) LIMITATION OF ACTIONS. A land owner, occupant or other person affected by a county zoning ordinance or amendment thereto, who claims that such ordinance or amendment is invalid because procedures prescribed by the statutes or the ordinance, were not followed, shall be forever barred unless court action thereon is commenced within the following periods: By January 1, 1952 for ordinances or amendments adopted on or before July 1, 1951. Within 6 months after adoption, for ordinances or amendments adopted subsequent to July 1, 1951. Provided, that this subsection shall not apply unless there has been at least one publication of a notice of a zoning hearing in a local newspaper of general circulation and unless there has been held a public hearing on the ordinance or amendment at the time and place specified in such notice.

History: 1951 c. 490; 1953 c. 61, 366, 563.

The evidence established that the town board of the town in which the defendant's premises were located had complied with the requirement of 59.97, as to filing a written approval with the county board in order to make the county zoning ordinance in question operative in such town. What became of such filed written approval afterward was immaterial. 59.97, Stats. 1947, did not require that a public hearing be held in each town as a condition precedent to the

town board's voting approval of a county zoning ordinance, or an amendment thereto, but only that the one county-wide hearing be held. The approval of a town board is required only as a condition precedent to a county zoning ordinance being operative in such town, and in the absence of an express statutory provision permitting a town to withdraw or rescind a prior approval once given to a county zoning ordinance, neither the town nor the town board possesses such

power of withdrawal or rescission. Jefferson County v. Timmel, 261 W 39, 51 NW (2d) 518.

This section, in granting to counties the power to establish restrictive areas along water courses, and not specifically stating that the same power may be exercised along highways, but conferring the general power to determine areas anywhere in the county in which trade and industries may be restricted, does not preclude a county, in enacting a zoning ordinance, from establishing restrictive areas along highways. Jefferson County v. Timmel, 261 W 39, 51 NW (2d) 518.

The fact that the legislature by 84.103 has conferred on the state highway commission the power to restrict the use of land along certain highways does not preclude a county from doing so by a proper zoning ordinance enacted pursuant to 59.97, in the absence of the highway commission's exercise of such power in such a way as to conflict with the county zoning ordinance. Jefferson County v. Timmel, 261 W 39, 51 NW (2d) 518.

If a zoning ordinance provides for an appeal to a board of adjustment created pursuant to a statute similar to 59.99 from an adverse ruling of an administrative officer or board in administering the ordinance, and court review of the decision or order of the board of adjustment is specifically provided for by statute, such remedy is exclusive of all other remedies and must be exhausted before a party can resort to the courts for other relief, except in cases where the validity of the ordinance itself is attacked. An assertion of prior nonconforming use in itself does not constitute an attack on the validity of the zoning ordinance. Jefferson County v. Timmel, 261 W 39, 51 NW (2d) 518.

A county zoning ordinance, establishing a restrictive or conservancy district, which included therein a partly obscured highway intersection at which the defendant owned premises which he wished to operate as a tavern and filling station, along a state trunk highway constituting the most direct thoroughfare between the cities of Milwaukee and Madison, permitting the use of premises in such district only for residence and farming purposes and barring their use for business purposes, was in the interest of the general welfare as promoting safety on a main-traveled highway, and valid as

a reasonable exercise of the police power. Such ordinance was not invalidated as spot zoning for placing the defendant's premises, located at a highway intersection, in a restricted district in which business uses were prohibited while permitting business uses at certain other intersections in the county along the same highway, since there was a reasonable basis for such different treatment, in that the view of motorists approaching the intersection at which the defendant's premises were located was obscured from one direction by a hill, whereas the view of the intersections zoned for business purposes was open from either direction. If there is any reasonable basis for the exercising of legislative discretion by the zoning authority, the same cannot be disturbed on judicial review. Jefferson County v. Timmel, 261 W 39, 51 NW (2d) 518.

Where a property owner makes application for a building permit for the erection of a building for a business use in a district in which business uses are prohibited by a zoning ordinance, and such permit is denied and the property owner does not appeal such ruling to the board of adjustment but instead files an application for and secures a permit to erect a building for residential use, he should be deemed thereby to have waived the right later to assert, as a defense in an action to enjoin him from using the property for a use prohibited by the ordinance, that he is entitled to use the new building for business purposes because of some prior nonconforming use. A successor in title stands in his shoes and is in no better position to assert the defense of nonconforming use. A prior nonconforming use of the premises for the sale of surplus gasoline from a pump would not permit of an enlarged use of the premises as a tavern and filling station in a new building erected thereon. Jefferson County v. Timmel, 261 W 39, 51 NW (2d) 518.

Town board may rescind its previous attempted approval of a proposed county zoning ordinance relating to the location or boundaries of districts if such rescinding action is taken prior to the adoption of ordinance by the county board. 38 Atty. Gen. 572.

An ordinance to repeal an existing county zoning ordinance is not valid unless it complies with the requirements therein provided for the amendment of such an ordinance. 42 Atty. Gen. 91.

59.99 County zoning, adjustment board. (1) **APPOINTMENT, POWER.** The county board may provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted pursuant to the authority of section 59.97 may provide that the said board of adjustment may, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinance in harmony with its general purpose and intent and in accordance with general or specific rules therein contained.

(2) **PERSONNEL.** (a) In counties of less than 500,000 population, the board of adjustment shall consist of 3 members, who shall be appointed or elected as herein provided. The chairman of the county board shall appoint, with the approval of the county board, 3 members for terms of 1, 2 and 3 years, respectively, dating from July 1, 1927. Successors shall be appointed or elected in like manner at the expiration of each term and their terms of office shall be 3 years in all cases, beginning July 1 in the year in which they are appointed or elected and until their successors are appointed or elected.

(b) In counties having a population of 500,000 or more, the board shall consist of as many members as there are towns in which the county zoning ordinance is in effect elected by the county board for terms of 5 years commencing July 1, 1953, and until their successors are elected and qualified, provided that members now serving (April 1953) shall serve out their present terms.

(c) The members of the board shall all reside within the county and outside of the limits of incorporated cities and villages; provided, however, that no 2 members shall reside in the same town. The board shall choose its own chairman. Office room shall be provided by the county board, and the actual and necessary expenses incurred by the board in the performance of its duties shall be paid and allowed as in cases of other claims against the county. The county board may likewise compensate the members of said board and such assistants as may be authorized by said county board. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant.

(3) **RULES, MEETINGS, MINUTES.** The county board shall adopt rules for the conduct of the business of said board of adjustment, in accordance with the provisions of any ordinance or ordinances adopted pursuant to section 59.97. The board of adjustment may adopt further rules as necessary to carry into effect the regulations of the county board. Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. Such chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board and shall be a public record.

(4) **APPEALS TO BOARD.** Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the municipality affected by any decision of the building inspector or other administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken.

(5) **STAYS.** An appeal shall stay all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken shall certify to the board of adjustment after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order, which may be granted by the board of adjustment or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown.

(6) **HEARING APPEALS.** The board of adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or by attorney.

(7) **POWERS OF BOARD.** The board of adjustment shall have the following powers:

(a) To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of section 59.97 or of any ordinance adopted pursuant thereto.

(b) To hear and decide special exceptions to the terms of the ordinance upon which such board is required to pass under such ordinance.

(c) To authorize upon appeal in specific cases such variance from the terms of the ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.

(8) **ORDER ON APPEAL.** In exercising the above-mentioned powers such board may, in conformity with the provisions of this section, reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from, and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

(9) **MAJORITY RULE.** In counties having a population of less than 500,000, the concurring vote of 2 members of the board, and in counties having a population of 500,000 or more, the concurring vote of 4 members of the board, shall be necessary to reverse any order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance, or to effect any variation in such ordinance.

(10) **COURT REVIEW.** Any person or persons, jointly or severally, aggrieved by any decision of the board of adjustment, or any taxpayer, or any officer, department, board or bureau of the municipality, may present to a court of record a petition, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of illegality. Such petition shall be presented to the court within thirty days after the filing of the decision in the office of the board.

(11) **CERTIORARI.** Upon the presentation of such petition the court may allow a writ of certiorari directed to the board of adjustment to review such decision of the board of adjustment, and shall prescribe therein the time within which a return thereto must be made and served upon the relator's attorney, which shall not be less than ten days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order.

(12) RETURN TO WRIT. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof or of such portions thereof as may be called for by such writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.

(13) COURT DECISION. If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

(14) COSTS. Costs shall not be allowed against the board unless it shall appear to the court that it acted with gross negligence, or in bad faith, or with malice in making the decision appealed from. All issues in any proceeding under this section shall have preference over all other civil actions and proceedings.

59.996 Milwaukee county building and sanitary codes. The county board of any county having a population of two hundred and fifty thousand or more may, by ordinance, adopt building and sanitary codes, make necessary rules and regulations in relation thereto and provide for enforcement of such codes, rules and regulations by forfeiture or otherwise.

59.997 Consolidation of counties; procedure; referendum. (1) Any two or more adjoining counties in the state may consolidate into a single county by complying with the requirements and procedure herein specified.

(2) The county boards of commissioners or county boards of supervisors of any two or more adjoining counties desiring to consolidate their respective counties into a single county may enter into a joint agreement for the consolidation of such counties, setting forth in such consolidation agreement:

- (a) First, the names of the several counties which they propose to be consolidated;
- (b) Second, the name under which it is proposed to consolidate the said counties, which name shall be such as to distinguish it from the name of any other county in Wisconsin, other than the consolidating counties;
- (c) Third, the property, real and personal, belonging to each county, and the fair value thereof in current money of the United States;
- (d) Fourth, the indebtedness, bonded and otherwise, of each county;
- (e) Fifth, the proposed name and location of the county seat of the consolidated county;
- (f) Sixth, if the said counties have different forms of county organization and government, the proposed form of county organization and government of the consolidated county;
- (g) And seventh, the terms of agreement.

(3) The county board of commissioners or county board of supervisors of each of the said counties may appoint an advisory committee composed of three persons to assist the said board in the preparation of such agreement.

(4) The original of the consolidation agreement, together with a petition on behalf of the several county boards of commissioners or county boards of supervisors, signed by the chairman of each of said boards, asking that a referendum on the question of consolidation of the several counties be ordered, shall be filed with the clerk of the circuit court of one of such counties and a copy of such consolidation agreement and of the petition shall be filed with the clerk of the circuit court of each of the other such counties.

(5) The qualified electors of each county involved in the consolidation proposal whose county board of commissioners or county board of supervisors has not taken the initiative under subsection (2) may, by filing with the county board of commissioners or county board of supervisors of the said county a petition, signed by not less than twenty per centum of the qualified electors of said county, based on the total vote cast for governor at the last general election, asking the said board to effect, in accordance with subsection (2), a consolidation agreement with such county or counties as shall be named in the said petition, and asking for a referendum on the said question, require the said board to so proceed. A copy of the petition of the electors shall also be filed with the clerk of the circuit court of the county. If the said county board of commissioners or county board of supervisors is able within six months thereafter to effect such consolidation agreement, the procedure shall be the same as hereinbefore set forth. If the said board within the said period of time is unable or for any reason fails to perfect such consolidation agreement, then the judge of the circuit court of the said county shall appoint a committee of five representative citizens of the county, to act for and in lieu of the said county board of commissioners or county

board of supervisors in perfecting the said consolidation agreement and in petitioning for a referendum.

(6) The county board of commissioners or county board of supervisors shall cause a copy of the said consolidation agreement thereafter to be published in each county which it is proposed to consolidate, at least once a week for two successive weeks in two or more newspapers having a general circulation in the said counties, and a copy of the said agreement shall be posted at the front door of the courthouse of each county.

(7) When the publication of the said consolidation agreement in each of the said counties is completed, of which the certificate to the judge of the circuit court of the said counties from the owner-editor or manager of each newspaper publishing the same shall be proof, the judge or judges of the circuit courts of the said counties shall, by order entered of record in each of such counties, require the several county clerks of the counties included in the consolidation agreement to submit such question to a vote of the qualified electors of such counties at the next election to be held on the first Tuesday in April, or the next regular election, or at a special election to be held on the day fixed in said order, which day shall be the same in each of the counties proposing to consolidate. A copy of said order shall be filed with the county clerk of each of such counties. If such question is submitted at a special election, it shall be held not less than thirty days nor more than sixty days from the completion of the consolidation agreement, but not within sixty days of any April or general election.

(8) The county clerk shall notice such election as other elections. The ballots shall be provided by the county clerk and shall be in substantially the following form:

OFFICIAL REFERENDUM BALLOT

If you desire to vote for the consolidation of (insert names of counties proposing to consolidate) counties pursuant to consolidation agreement, make a cross (X) or other mark in the square after the word "Yes," underneath the question; if you desire to vote against consolidation, make a cross (X) or other mark in the square after the word "No," underneath the question.

Shall (here insert names of counties proposing to consolidate) counties consolidate pursuant to consolidation agreement?

YES

NO

(9) Such ballot shall have on the back or reverse side thereof the indorsements provided by law for ballots for general elections and shall be marked by the voter and counted and canvassed as other ballots cast on questions in the county are counted and canvassed. The election shall be conducted by the same officers and in the same manner as are other elections in the county. The results of the election shall be certified to the judge or judges of the circuit court of said counties.

(10) If a majority of the votes cast in each county upon such question are in favor of the consolidation of such counties, the judge or judges of said circuit court shall enter such fact of record in each such county. If in any one of such counties less than a majority of the votes cast upon such question are in favor of the proposed consolidation, said consolidation shall be declared to have failed for all purposes. If a majority of the votes cast upon such question in any county are opposed to consolidation, the question of consolidation shall not be again submitted to the electors of such county for a period of two years.

(11) At the next succeeding regular November election, held at least sixty days after the election at which consolidation is approved by the voters, there shall be elected for the consolidated county all county officers provided for by law, except as provided in subsection (12), and such officers shall be nominated as provided in chapter 5. Their terms shall begin on the first Monday of January next succeeding their election, at which time they shall replace all elective county officers of the counties consolidated into the consolidated county whose terms shall on such day terminate. All appointive county officers shall be appointed by the person, board or authority upon whom the power to appoint such officers in other counties is conferred. The terms of such officers shall commence on the first Monday of January next succeeding the first election of officers for the consolidated county, and shall continue, unless otherwise removed, until their successors have been appointed and qualified. The successors of all such officers whose first election or appointment is herein provided for shall thereafter be elected or appointed at the time, in the manner and for the terms provided by law.

(12) Consolidation effected under this section shall not affect the county courts or county superintendent of schools of the several counties until the expiration of the terms of the respective county judges and superintendents of schools holding office at the time of consolidation.

(a) Each county court shall continue to exercise the jurisdiction prescribed by law at the time of consolidation in the territory within which his jurisdiction then extends. In the judicial election held in April in the year prior to the expiration of the terms of the

respective county judges, there shall be elected by the voters of the new consolidated county a county judge for such county who shall take office on the first Monday in January following the election. Thereafter the county courts of the several counties embraced in the consolidation shall cease to exist and the county court of the new consolidated county shall have jurisdiction in the entire county.

(b) Each county superintendent of schools in the several counties shall continue to exercise jurisdiction over the territory embraced in his district at the time of consolidation, but at the termination of his term the new consolidated county shall constitute but one superintendent district. In the election held in April prior to the expiration of such term, a county superintendent of schools shall be elected for the entire consolidated county, to take office on the first Monday in July following the election.

(13) Upon the first Monday of January following the first election of county officers for the consolidated county, the several counties shall thereafter for all purposes be treated and considered as one county, under the name and upon the terms and conditions set forth in the said consolidation agreement; and all rights, privileges, and franchises of each of the said several counties, and all records, books, and documents, and all property, real and personal, and all debts due on whatever account, as well as other things in action, belonging to each of such counties, shall be deemed as transferred to and vested in the said consolidated county, without further act or deed. All property, all rights of way, and all and every other interest shall be as effectually the property of the consolidated county as they were of the several counties prior to said consolidation; and the title to real estate, either by deed or otherwise, under the laws of this state vested in any of the said counties, shall not be deemed to revert or be in any way impaired by reason of this consolidation; but the rights of creditors and all liens upon the property of any of the said counties shall be preserved unimpaired; and the respective counties shall be deemed to continue in existence to preserve the same and all debts, liabilities and duties of any of the said counties shall henceforth attach to said consolidated county and be enforced against it to the same extent as if the said debts, liabilities and duties had been incurred or contracted by it, unless by the terms of said agreement the outstanding bonded indebtedness of the said counties shall not be transferred and attached to said consolidated county, but shall remain as obligations of the said counties which for such purpose shall be deemed to continue in existence.

(14) Suits may be brought and maintained against such consolidated county in any of the courts of this state in the same manner as against any other county. Any action or proceeding pending by or against either of the counties consolidated may be prosecuted to judgment as if such consolidation had not taken place; or the consolidated county may be substituted in its place. The townships, school districts, election districts and voting places in the consolidated county shall continue as in the several counties prior to consolidation, unless and until changed in accordance with law.

(15) Until changed by law, the same circuit courts shall continue, though it may result in the consolidated county being a part of two or more circuits. All such courts shall, however, be held at the place designated as the county seat of the consolidated county, and each such court and the judge thereof shall continue to have and exercise the same jurisdiction as it or he had and exercised before such consolidation. If two or more judges have jurisdiction in any consolidated county they or a majority of them shall exercise the power to appoint officers and fill vacancies as is vested in judges of circuit courts of other counties.

(16) For the purpose of representation in congress and in the legislature the existing congressional, senatorial and assembly districts shall continue until changed in accordance with law. Such consolidated county shall in all respects, except as otherwise provided herein, be subject to all the obligations and liabilities imposed, and shall possess all the rights, powers and privileges vested by law in other counties.

(17) The provisions of this section shall be deemed cumulative and the authority herein granted to counties shall not be limited or made inoperative by any existing statute.
