WHO MAY VOTE

6.02 Qualifications, general. (1) Every United States citizen age 18 or older who has resided in this state for 6 months preceding any election and who has resided in an election district or ward for 10 days before any election where he offers to vote is an eligible elector.

(2) Any United States citizen age 18 or older who has resided in this state for 6 months preceding any election, but who has not resided in the election district or ward for 10 days preceding any election is entitled to vote in the election in the election district or ward within this state where he was last a qualified elector.

(3) Any United States citizen age 18 or older who has resided in this state for 6 months preceding any election, but who moves within this state after registration closes shall vote at his old ward if otherwise qualified, or he may vote in the new ward if he can comply with the 10-day residence requirement at the new address and complies with s. 6.55.

History: 1971 c. 304 s. 29 (2); 1971 c. 336 s. 37.

Declaratory relief denied in an action to have the 6-months residency requirement held invalid. *Piliavin v. Hoel*, 320 F Supp. 66.

6.03 Disqualification of electors. (1) The following persons shall not be allowed to vote in any election and any attempt to vote shall be rejected.

- (a) Any person under guardianship, non compos mentis, or insane;
- (b) Any person convicted of treason, felony or felony, unless his civil rights are restored.

(2) No person shall be allowed to vote in any election in which he has made or become interested, directly or indirectly, in any bet or wager depending upon the result of the election.

6.05 Election day age determines elector's rights. Any person who will be 18 years old on or before election day is entitled to vote if he complies with ch. 6.

History: 1971 c. 336 s. 37.

6.10 Elector residence. Residence as a qualification for voting shall be governed by the following standards:

(1) The residence of a person is the place where his habitation is fixed, without any present intent to move, and to which, when absent, he intends to return.

(2) When a married man's family resides at one place and his business is conducted at another place, the former establishes the residence. If the family place is temporary or for transient purposes, it is not the residence.

(3) When an elector moves from one ward to another or from one municipality to another within the state after the last registration day but at least 10 days before the election, he may vote in and be considered a resident of the new ward where he resides upon changing his registration not later than 5 p.m. of the day before the election, under s. 6.55. If he does not change his address or if he moves within 10 days of an election, the elector shall vote in his old ward if otherwise qualified to vote there.

(4) An unmarried person sleeping in one ward and boarding in another has residence where he sleeps. An unmarried person in a transient vocation, a teacher or a student who boards at different places for part of the week, month or year, has his residence, if one of the places is with his parents, at the place of his parents unless through registration or similar act he elects to establish a residence elsewhere. If he has no parents and if he has not registered elsewhere, his residence shall be at the place which he considered his residence in preference to any other for at least 10 days before an election. If this place is within the municipality, he is entitled to all the privileges and subject to all the duties of other citizens having their residence there, including voting.

(5) A person shall not lose his residence when he leaves his home and goes into another state or county, town, village or ward of this state for temporary purposes with an intent to return.

(6) As prescribed in the constitution, no person loses his residence in this state while absent from this state on business for the United States or this state; and no member of the armed forces of the United States gains a residence in this state because he is stationed within this state.

(7) A guest at a national or a state soldiers' home in this state, a guest at a home for the aged supported by benevolence, or a patient of any county home or other charitable institution, resides in the municipality where the home is located and within the ward where he sleeps, unless before becoming a guest at the home he elects to maintain his prior residence as his voting residence.

(8) No person gains a residence in any ward, town or village of this state while there for temporary purposes only.

(9) No person loses the right to vote at his place of residence while receiving public assistance or unemployment compensation even if the legal settlement for assistance is elsewhere.

(10) If a person moves to another state with an intent to make his permanent residence there, or, if while there he exercises his right as a citizen of that state by voting, he loses his Wisconsin residence.

(11) Neither an intent to acquire a new residence without removal, nor a removal without intent, shall affect residence.

History: 1971 c. 304 s. 29 (2)

6.15 New residents. (1) **QUALIFICATIONS.** Any person who was or who would have been a qualified elector on the day of the presidential election had he remained in the state from which he moved and who is a qualified elector under ss. 6.02 and 6.03, except he has been a resident of

this state for less than 6 months prior to the date of the presidential election, is entitled to vote for the president and vice president but for no other offices. The fact the person was not registered to vote in the state from which he moved does not prevent registration in this state if otherwise qualified.

(2) **APPLICATION FOR BALLOT.** Any person qualifying under sub. (1) need not register to vote, but shall apply for and cast his ballot as follows:

(a) The elector's request for the application form may be made to the proper municipal clerk either in person or in writing any time during the 6 months in which his residence requirement is incomplete. The application form shall be returned to the municipal clerk after the affidavit has been signed in the presence of the clerk or any officer authorized by law to administer oaths. (b) The clerk shall enclose the envelope containing the ballot in a carrier envelope, securely seal it, and indorse it with his name, title and the words, "This envelope contains the vote for president and vice president of a new resident and shall be opened only at the polls during polling hours on election day". The clerk shall keep the envelope in his office until delivered by him to the inspectors, as provided in sub. (4).

(c) The clerk shall keep open to public inspection a list of all new residents who have voted under this section. The list shall give the name, address and application date of each elector.

(4) **DELIVERY AND DEPOSIT OF BALLOTS.** (a) Clerks holding new resident ballots shall deliver them to the election inspectors in the wards where the new residents reside, as provided by s. 6.88 for absentee ballots.

(b) During polling hours, the inspectors shall open each carrier envelope so as not to tear the affidavit, announce the elector's name, check the affidavit for proper execution, and check the voting qualifications for the ward.

(c) The inspector shall open the inner envelope without examination of the ballot other than is necessary to see that the issuing clerk has indorsed it.

(d) Upon satisfactory completion of the procedure under pars. (b) and (c) the inspector shall deposit the ballot in the ballot box, and enter the elector's name on the registry list with a notation that he is a new resident voting only in the presidential election.

(e) If the affidavit is insufficient, the elector is not a qualified elector in the ward, or if the envelope is open or has been opened and resealed, the inspectors shall reject the vote. Rejected ballots shall be processed the same as rejected absentee ballots, under s. 6.88 (3)(b).

When requesting an application form for an absentee ballot, the applicant shall specify his eligibility for only the presidential ballot. The application form shall require the following information and be in substantially the following form:

6.20 Absent electors. (1) Any qualified elector of this state who registers where required, or who swears in his vote may vote by absentee ballot, under ss. 6.85 to 6.89.

(2) When by due proof it appears to the inspectors that a person voting under this section has died before the date of the election, they shall return the ballot with defective ballots to the issuing official. The casting of the ballot of a deceased elector does not invalidate the election.

6.22 Absentee voting for military electors. (1) DEFINITION. In Title II, "military elector" means:

(a) Members of the armed forces of the United States;

(b) Members of the merchant marine of the United States;

(c) Civilian employes of the United States and civilians officially attached to the military serving outside the territorial limits of the United States;

(d) Spouses and dependents of those listed in the above categories residing with or accompanying them when living outside the territorial limits of the United States.

(2) APPLICATION. Whenever an application, affidavit or other act is required in ss. 6.86 to 6.89 any military elector may fulfill the requirements by subscribing or swearing before any person authorized to administer oaths.

(3) REGISTRATION EXEMPT. Military electors are not required to register as a prerequisite to voting in any election.

The secretary of state shall prescribe the instructions for marking and returning ballots and the municipal clerk shall enclose instructions with each ballot and shall also enclose supplemental instructions for local

elections. The envelope, return envelope or explanatory note shall not contain the name of any candidate appearing on the enclosed ballots other than that of the municipal clerk affixed in the fulfillment of his duties. The election material shall be printed and mailed to make use of the federal free postage laws.

(5) **VOTING PROCEDURE.** The ballot shall be marked, returned, deposited and recorded, the same as other absentee ballots. In addition, the affidavit under s. 6.87 (2) shall have a statement of the elector's birth date and that he has not returned another ballot. Failure to return the unused ballots in a primary election shall not invalidate the marked ballot.

(6) **MILITARY ELECTOR LIST.** Each municipal clerk shall keep an up-to-date list of all eligible local military electors; city clerks shall keep the lists by wards. The list shall contain the name, latest-known military residence and military mailing address of each military elector. All persons over 18 years of age or who will be 18 years old prior to an election shall be listed and remain on the list for the duration of their tour of duty. The list shall be kept current through all possible means. Each clerk shall exercise reasonable care to avoid duplication of names or listing anyone who is not eligible to vote. Each clerk shall distribute 2 copies of the list to the appropriate ward in the municipality for use on election day.

(6) The clerk of every municipality requiring registration shall notify the secretary of state of the number of registered voters within its boundaries twice yearly. One of the notifications shall be filed one week prior to the spring election. If a general election is to be held that year the other notification shall be filed one week prior to the general election. (c) The original affidavit and one duplicate shall be returned to the clerk of the municipality, except in any municipality which employs data processing for keeping of voting registration records only the original affidavit shall be returned. To be eligible to vote in that election the affidavit shall be received no later than the close of the clerk's office on the registration deadline date prior to the election.

History: 1971 c. 249.

6.33 Registration forms. (1) The municipal clerk shall supply sufficient registration affidavit forms printed on loose-leaf sheets or cards to obtain from each applicant information as to name, date, aldermanic district, ward, residence location, citizenship, whether 18 years of age, whether within the state for at least 6 months and the ward at least 10 days, whether he has lost his right to vote and a space for the applicant's signature.

(2) The registration affidavit form shall be substantially as follows, except municipalities having permanent registration need not provide space for a voting record on the form. [See Figure 6.33 (2) following]

(3) The information may be recorded by any person, but the elector applicant shall sign his own name or make a mark.

History: 1971 c. 304 s. 29 (1), (2); 1971 c. 336 s. 37.

(2) **METHOD OF VOTING.** (a) Upon receiving his ballot and without leaving the polling place, the elector shall enter an unoccupied voting booth alone to mark his ballot. An elector may use or copy an unofficial sample ballot which may be marked in advance of his entering the polling place, but he shall not use or bring into the polling place any ballot printed upon paper of the quality required for official ballots.

(b) After preparing his ballot, the elector shall fold it so its face will be concealed and so the ballot clerks' printed indorsement and initials may be seen.

(c) Any elector who, by accident or mistake, spoils or erroneously prepares his ballot may receive another, by returning the defective ballot, but not to exceed 3 ballots in all.

(d) After folding the completed ballot, the elector shall publicly and in person deliver the official ballot to one of the inspectors at the polling place where he offers to vote. The inspector receiving the ballot, without opening it or permitting it to be opened or examined, shall deposit it in the ballot box in the elector's presence.

(e) In primary elections or for delegates to the national conventions, after the elector prepares his ballot he shall detach the remaining ballots, fold both the completed ballot and the ballots to be discarded, personally deposit the ballots to be discarded in the separate ballot box marked "blank ballot box", and deliver the completed ballot as in par. (d). The inspectors shall keep the blank ballot box locked until the canvass is completed and shall dispose of the blank ballots as prescribed by the municipal clerk.

(3) **TIME IN BOOTH.** (a) Each elector shall be allowed a reasonable time to vote. Unless otherwise specified for that election, a majority of the inspectors shall determine the time each elector shall have to mark his ballot, taking into consideration the size of the ballot and the number of electors in line waiting to vote. In no case shall the time be less than one minute. If there are electors in line waiting to vote, the time shall not exceed 5 minutes.

(b) If an elector refuses to leave the booth or machine after being notified by one of the inspectors that his time has expired, he shall be removed by the inspectors.

6.82 Assisting electors. (1) **RECEIPT OF BALLOT AT DOOR.** (a) When any ward inspectors are informed that an elector is at the door who is unable to enter the polling place without assistance, they may appoint 2 of their number to take an official ballot to the entrance, present it to the physically disabled person and assist in marking the ballot if the elector desires assistance. The 2 persons chosen to assist shall not be of the same political party. When the ballot is marked it shall be folded and immediately taken into the polling place. The inspector shall distinctly announce that he has "a ballot offered by _____ (stating person's name), an elector physically disabled from entering the room without assistance". The selected officials shall certify on the back of the ballot that it was marked with their assistance but shall not disclose to anyone how the elector voted.

(b) If the elector is totally blind or his vision is so impaired that he cannot read the ballot, he may be assisted by any qualified elector of his

own choice from within the county where the ward is located. The person chosen shall enter the booth with the elector and shall read to him the names of all candidates on the ballot for each office, and ask him, "For which one do you vote?" The ballot shall be marked according to his expressed preference. The person selected to assist shall not disclose to anyone how the elector voted.

(c) The presiding official at the election may require the elector to make a declaration of disability under oath, and he may administer the oath. Intoxication shall not be regarded as a physical disability.

(d) An election official shall enter upon the registry list after the name of any elector who had assistance in marking his ballot the word "assisted".

If application is made in writing, the application, signed by the elector, shall be received no sooner than the first of the month 3 months before the election nor after 5 p.m. on the Friday immediately preceding the election. If application is made in person the application shall not be made sooner than the first of the month 3 months before the month of the election nor later than 5 p.m. on the day preceding the election. If the elector is making written application and the reason for requesting an absentee ballot is that the elector is a sequestered juror, the application shall be received no sooner than the first of the month 3 months before

the election nor after 12 noon on election day. If the application is received after 5 p.m. on the Friday immediately preceding the election, the municipal clerk or his agent shall immediately take the ballot to the court in which the elector is serving as a juror and deposit it with the judge. The judge shall recess his court, as soon as convenient, and give the elector his ballot. The judge shall then notarize the affidavit as provided in s. 6.87 and shall turn the ballot over to the clerk or his agent who shall deliver it to the polling place as required in s. 6.88.

6.87 Absent voting procedure. (1) Upon request, within the time requirements of s. 6.86, the municipal clerk shall write on the official ballot, in the space for official indorsement, his initials and his official title.

The other side of the envelope shall have a printed certificate-affidavit in substantially the following form:

Stats. for false statements that I am a resident of the _____ ward of the (town) (village) of _____, or of the _____ aldermanic district in the city of _____, residing at _____ in said city, the county of _____, state of Wisconsin, and am entitled to vote in the ward at the election to be held on _____; that I cannot appear at the polling place in the ward on election day because I expect to be absent from the municipality or because of sickness, physical disability, religious reasons, jury duty, or because I have changed my residence within the state within 20 days before the election but have not changed my registration. I (certify) (swear) that I exhibited the enclosed ballot unmarked to the (2 witnesses) (person administering the oath), that I then in (their) (his) presence and in the presence of no other person marked the ballot and enclosed and sealed the same in this envelope in such a manner that no one but myself and assistance rendered under s. 6.87 (5), Wisconsin Statutes, if I requested assistance, could know how I voted.

(3) The municipal clerk shall mail it postage prepaid to the elector's residence unless otherwise directed, or shall deliver it to the elector personally at the clerk's office.

(4) The elector voting absentee shall either make and subscribe to the affidavit before a person authorized to administer oaths or make and subscribe to the certification before 2 witnesses. The absent elector, in the presence of the administrator of the oath or witnesses, shall mark the ballot in a manner that will not disclose how the ballot is marked. The elector shall then, still in the presence of the administrator of the oath or the 2 witnesses, fold the ballots so each is separate and conceals the markings thereon and deposit them in the proper envelope, but may receive assistance under sub. (5). The return envelope shall then be sealed. The witnesses or the official oath administrator shall not be a candidate. The envelope shall be mailed by the elector, postage prepaid, or delivered in person, to the municipal clerk issuing the ballot. Failure to return the unused ballot in a primary shall not invalidate the marked ballot.

(5) If a person requests assistance, an officer authorized to administer oaths shall assist an absentee elector who is unable to read, or who by reason of physical disability is unable to mark his ballot, and shall then sign his name to a certification on the back of the ballot, substantially as under s. 5.55.

(6) The ballot shall be returned so it is received by the municipal clerk in time for delivery to the polls before the closing hour. Any ballot not mailed or delivered as provided in this section shall not be counted.

(7) Any candidate who administers the oath or serves as a witness shall be penalized by the discounting of a number of votes for his candidacy equal to the number of certificate-affidavit envelopes bearing his signature.

6.87 THE ELECTORS

(8) The provisions of this section which prohibit candidates from assisting or administering the oath to absentee electors shall not apply to the municipal clerk in the performance of his official duties.

History: 1971 c. 242; 1971 c. 304 s. 29 (1), (2).

6.88 Voting and recording the absentee ballot. (1) When an absentee ballot arrives at the office of the municipal clerk, the clerk shall enclose it, unopened, in a carrier envelope which shall be securely sealed and indorsed with the name and official title of the clerk, and the words "This envelope contains an absent, sick or disabled elector's ballot and must be opened at the polls during polling hours on election day". The clerk shall keep the ballot in his office until delivered by him, as required in sub. (2).

(2) When an absentee ballot is received by the municipal clerk prior to the delivery of the official ballots to the election officials of the ward in which the elector resides, the ballot envelope, sealed in the carrier envelope, shall be enclosed in the package and delivered to the election inspectors of the proper ward. When the official ballots for the ward have been delivered to the election officials before the receipt of an absentee ballot, the clerk shall immediately enclose the envelope containing the absentee ballot in a carrier envelope as under sub. (1) and deliver it in person to the proper election officials.

(3) (a) Any time between the opening and closing of the polls on election day, the ward election inspectors shall open the carrier envelope only, and announce the absent elector's name. When the inspectors find that the certification or affidavit has been properly executed, the applicant is a qualified elector of the ward, and the applicant has not voted in the election, they shall open the envelope containing the ballot in a manner so as not to deface or destroy the affidavit or certification thereon. The inspectors shall take out the ballots without unfolding them or permitting them to be unfolded or examined and, after verification that the ballots have been indorsed by the issuing clerk, deposit them in the proper ballot boxes and enter the absent elector's name or voting number after his name on the registry list the same as if he had been present and voted in person.

(b) When the affidavit or certification is found to be insufficient, the applicant is not a qualified elector in the ward, the ballot envelope is open or has been opened and resealed, the ballot envelope contains more than one ballot of any one kind, or if due proof appears to the inspector that an absentee elector has since died, the vote shall not be accepted or counted. Every ballot

not counted shall be indorsed on the back, "rejected (giving the reason)". Each rejected ballot shall be reinserted into the affidavit envelope in which it was delivered and the affidavit envelopes and ballots shall be enclosed and securely sealed in an envelope marked for rejected absentee ballots. The inspectors shall indorse the envelope, "defective ballots" with a statement of the ward and date of the election, signed by the inspectors and returned to the same official in the same manner as official ballots voted at the election.

(c) All absentee certificate-affidavit envelopes which have been opened and the ballots deposited in the ballot boxes shall also be returned in a carrier envelope which is clearly marked "used absentee certificate-affidavit envelopes" and returned to the official who issued the absentee ballots.

History: 1971 c. 304 s. 29 (2).

6.89 Absent electors list public. The municipal clerk shall keep a list of all electors who make application for an absent elector's ballot and who have voted under the absent elector provisions giving the name, address and date of application. The list shall be open to public inspection.

If a person is challenged as unqualified, one of the inspectors shall administer the following oath or affirmation to him: "You do solemnly swear (or affirm) that you will fully and truly answer all questions put to you regarding your place of residence and qualifications as an elector of this election"; and shall then ask those of the following questions which are appropriate to test his qualifications:

(b) When and where, and had you before that time been an inhabitant of this state?

(8) The inspectors, or one of them, shall ask the challenged person any other or further questions to test his qualifications as an elector at the election.

History: 1971 c. 304 s. 29 (2); 1971 c. 336 s. 37.

6.93 Challenging the absent elector. The vote of any absent elector may be challenged for cause and the inspectors of election shall have all the power and authority given them to hear and determine the legality of the ballot the same as if the ballot had been voted in person.

6.94 Challenged elector oath. If the person challenged refuses to answer fully any relevant questions put to him, the inspectors shall reject his vote. When the inspectors similarly decide to receive the vote of a challenged person offering to vote where voting machines are used, his vote shall be received only upon an absentee ballot furnished by the municipal clerk which shall similarly have the corre-

sponding number from the tally sheet or voting list printed on the back of the ballot before the

ballot is deposited.
