(1) As a condition precedent to qualification or entry upon the discharge of his duties, every person appointed or elected to any position requiring the receipt, payment or custody of money or other personal property owned by a credit union or in its custody or control as collateral or otherwise, shall give a bond in some responsible corporate surety company, licensed to do business in this state, in such adequate sum as the directors shall require and approve. In lieu of individual bonds the commissioner may accept a schedule or blanket bond which covers all of the officers and employes of any credit union whose duties include the receipt, payment or custody of money or other personal property for or on behalf of the credit union. All such bonds shall be in the form prescribed by the commissioner.

(2) No officer or employe who is required to give bond shall be deemed qualified nor shall be permitted to enter upon the discharge of his duties until his bond shall have been approved by a majority of the board of directors. Such bonds shall be filed with the commissioner within 10 days next after approval thereof by the board of directors. The minute books of each credit union shall contain a record of each bond executed and approved.

(3) Such bond shall be sufficient in amount to protect the credit union from loss by reason of acts of fraud or dishonesty including forgery, theft, embezzlement, wrongful abstraction or misapplication on the part of the person, directly or through connivance with others. At any time the commissioner may require additional bond or security, when, in his

opinion, the bonds then executed and approved are insufficient.

(4) Every such bond shall also include the following provisions:

(a) No cancellation or other termination of this bond shall be effective unless the surety gives in advance at least 10 days' written notice by registered mail to the commissioner. If this bond is canceled or terminated at the request of the insured (employer) this provision nevertheless shall apply, it being the duty of the surety to give the required written notice to the commissioner, such notice to be given promptly and in any event within 10 days after the receipt of such request.

(b) The surety agrees to furnish the commissioner a copy of all riders and indorsements executed subsequently to the effective date of this bond.

(5) For reasons which he deems valid and sufficient the commissioner may waive as to the cancellation or termination of any such bond the 10-day written notice in advance required by sub. (4) (a) and may give his written consent to the termination or cancellation being made effective as of a date agreed upon and requested by the surety and credit union.

(6) The provisions required by sub. (4) to be in every such bond shall not in any way modify, impair or otherwise affect or render invalid a provision therein to the effect that the bond shall terminate as to any person covered thereby upon the discovery by the credit union of any dishonest act on the part of such person.

Any member credit union which is not indebted for borrowed money to any other bank or trust company which does business exclusively with the credit union finance corporation shall submit a schedule of assets from time to time as the board of directors of such finance corporation shall require. Any member credit union which may have a loan from any other banking institution may borrow money from such credit union finance corporation upon pledging therefor such amount of its mortgages with the bonds secured thereby as collateral security for bonds issued on its behalf as the commissioner and the board of directors of such credit union finance corporation may require; provided that the aggregate of all loans made by such credit union shall not exceed 40% of its assets as provided in s. 186.11. The amortization payments upon all mortgages accepted by the credit union finance corporation as collateral security for bonds shall be sufficient to liquidate the debt in a period not exceeding 40 years. In the event of any default for more than 90 days in the payment of the principal of, or for more than 90 days in the payment of any instalment of interest upon, any of said bonds, the commissioner may, of his own motion, and shall, upon the request in writing of the holders of said bonds in default to the amount of \$10,000, forthwith take possession of and proceed to liquidate the credit union finance corporation. Upon such liquidation it shall be entitled in the name of the credit union finance corporation to enforce all of its rights and securities and to collect and realize upon all of its assets, including all mortgages assigned to said credit union finance corporation by the several member credit unions, and deposited with the state treasurer, up to the amounts advanced by the credit union finance corporation to the several member credit unions thereon. (b) Such shares shall not be transferable, except that a member, who is not liable to the credit union finance corporation for any obligation, direct or contingent, may transfer its shares therein to another credit union, by and with the consent of the board of directors of the credit union finance corporation; or it may retire from membership and receive back such sums as it has paid for its shares, but no withdrawal shall be permitted by the board of directors, which shall reduce the total amount of the capital of the credit union corporation below \$50,000.

(9) COMMISSIONS AND PAYMENT OF EXPENSES. The credit union finance corporation may charge each member an annual commission, not to exceed one-half of one per centum, upon the outstanding debenture bonds issued in its behalf, provided that the rate of commission in any year shall be the same on all outstanding bonds; or in lieu of charging such commission the expenses incurred on account of any debenture bond issued may be charged to the credit union on whose behalf such bonds are issued, and the general expenses of the credit union finance corporation assessed against the members in proportion to the bonds issued for them.

(10) QUALIFICATIONS AND DISQUALIFICATIONS OF DIRECTORS; BOND. Directors who have the custody or possession of money, securities or property shall give bond to the credit union finance corporation in an amount commensurate with their liability, as approved by the commissioner.

(11) OATH OF DIRECTORS. Each director, when appointed or elected, shall take an oath that he will, so far as the duty devolves upon him, diligently and honestly administer the affairs of the credit union finance corporation, and will not knowingly violate, or willingly permit to be violated, any of the provisions of law applicable to such corporation, and that he is the owner in good faith and in his own right on the books of the credit union which nominated him of shares in value of not less than \$100, or other shares of the withdrawal value of \$100, and that the same is not hypothecated, or in any way pledged as security for any loan or debt and, in case of reelection that such share was not hypothecated or in any way pledged as security for any loan or debt during his previous term. Such oath shall be subscribed by the directors and officers making it, and certified by an officer authorized by law to administer oaths, and immediately transmitted to the commissioner.

Each member shall be entitled to one vote for every share of the capital standing in its name on the books of the credit union finance corporation.

(15) **PREFERENCE OF CREDIT.** All the property of any bank, trust company or credit union which shall become insolvent shall be applied by the trustees, assignees or receivers thereof or by the commissioner in the first place to the payment in full of any sum or sums of money deposited therewith by the credit union finance corporation or due to the credit union finance corporation for subscriptions, sinking funds, interest and principal of bonds, or guaranty of mortgages, ratably and proportionately but not to an amount exceeding that authorized to be so deposited or contracted by the provisions of this section and in accordance and on an equality with any other preference provided for in this section.

(16) **CREDIT UNION FINANCE CORPORATION AND ITS DEBENTURES NOT LIABLE FOR TAXATION.** (a) The debentures issued by the credit union finance corporation and the credit union finance corporation itself, together with its capital, accumulations and funds, shall have the same exemption from taxation as credit unions. No law which taxes corporations in any form, or the shares thereof, or the accumulations therein, shall be deemed to include the credit union finance corporation or its issues of debenture bonds unless they are specifically named in such law.

186.23 Rules and regulations. The commissioner shall, with the approval of the credit union review board, issue orders prescribing reasonable rules and regulations in conducting the business of credit unions or corporations operating as provided in this chapter and it may in like manner issue orders amending, modifying, repealing or supplementing rules or orders. The violation of any such rule may be cause for the removal of any officer, director or employe of any credit union or corporation.

186.24 Removal of officials of credit union; procedure. (1) Whenever the commissioner is of the opinion that the loaning, investing or other policies and practices of any officer, director or committeeman of any credit union have been prejudicial to the best interest of such credit union or its investors, or that such policies or practices, if put into operation or continued, will endanger the safety or solvency of said credit union or impair the interest of its investors, the commissioner may request the removal of such officer, director or committeeman. Such request shall be served on the credit union and on such officer, director or committeeman in the manner provided by law for serving a summons in a court of record, or shall be transmitted to the credit union and the officer, director or committeeman by registered mail, with return receipt requested. Such request shall specify the reasons for the removal of such officer, director or committeeman, and also shall advise such officer, director or committeeman relative to his rights to a hearing before the credit union review board as provided in this section. A copy of such request for removal shall be transmitted to each member of the credit union review board at the same time such request is being served upon the credit union and officer, director or committeeman involved. If such request for removal is not complied with within a reasonable time fixed by the commissioner, he may by order, with approval of the credit union review board, remove such officer, director or committeeman, but no order for removal shall be entered until after an opportunity for a hearing before the credit union review board is given such officer, director or committeeman upon not less than 30 days' notice. An order for removal shall take effect as of the date issued.

(2) Any removal under this section shall be effective in all respects the same as if made by the board of directors or stockholders of said credit union. Any officer, director or

committeeman removed from such office under the provisions of this section shall not be reelected as an officer, director or committeeman of any credit union without the approval of the commissioner and advisory committee.

(3) If the removal under sub. (1) or the resignation or death of credit union directors prevents a credit union board of directors from securing the quorum required at board meetings and thus prevents continued operation of the credit union, the commissioner may appoint temporary directors to fill the vacancies for up to 120 days or until an election of directors to fill the vacancies has been held at a special meeting of the membership called for such purpose.

Every such corporation shall make a full and detailed report of its business as of December 31 for that year, and of its condition on such date, in such form and containing such information as the commissioner may prescribe, and shall file with the commissioner a true and verified copy thereof on or before February 1 thereafter. Accompanying the same shall be attached a copy of the statement of the credit union at the close of its last fiscal year. If any such credit union fails or refuses to furnish the report herein required, it shall be subject, at the discretion of the commissioner, to a forfeiture of \$1 to \$10 per day for each day of default, and the commissioner may maintain an action in the name of the state to recover such penalty, and the same shall be paid into the state treasury. A credit union shall publish the report as a class 1 notice, under ch. 985, in the municipality, as defined in s. 985.01 (3), where the credit union is located if the credit union has assets of \$10,000,000 or more or has a membership as described in s. 186.02 (2) (b) 2. The published report shall be in the condensed form as the commissioner prescribes. Proof of publication shall be furnished to the commissioner within 45 days after the date of the report.

Special examination shall be made upon written request of 5 or more members, if those members guarantee the expense of the special examination. The refusal of any credit union to submit to an examination ordered or requested shall be reported to the department of justice for the purpose of instituting proceedings to have the charter of the credit union revoked because of the refusal.

(b) In lieu of an annual examination of a credit union under par. (a), the commissioner may accept an audit report of the condition of the credit union made by a certified public accountant not an employe of the credit union in accordance with rules promulgated by the commissioner. The cost of the audit shall be paid by the credit union. A copy of each audit under this paragraph shall be furnished to the Wisconsin credit union savings insurance corporation if the credit union's savings are protected or guaranteed by the Wisconsin credit union savings insurance corporation.

186.26 CREDIT UNIONS

(2) If records are located outside this state, at the option of the commissioner, the credit union shall either make the records available to the commissioner at a convenient location within this state or pay the reasonable and necessary expenses for the commissioner or examiners to examine the records at the place where they are maintained. The commissioner may designate examiners, including comparable officials of the state in which the records are located, to inspect them on the commissioner's behalf. Except as provided in s. 186.113 (1m), the maintenance of any office or branch outside this state is not allowed under this chapter.

186.28 Bookkeeping; forfeiture for failure to obey commissioner. (1) A credit union shall open and keep accurate and convenient records of its transactions and accounts. If the commissioner determines that a credit union does not keep its books and accounts in a manner which enables the commissioner to readily ascertain the true condition of the credit union, the commissioner may require any officer of the credit union to open and keep such books or accounts as the commissioner may prescribe in order to remedy the deficiency.

(2) Any credit union that refuses or neglects to maintain books or accounts in the manner prescribed under sub. (1) shall be subject, upon written notification of the commissioner, to a forfeiture not to exceed \$10 for each day it is in violation. (1m) **SUSPENSION.** (a) The commissioner may suspend, for a period of up to 120 days, the business or an officer, director, committee member or employe of a credit union if the commissioner finds the existence of any condition under sub. (1) (a) to (k). The commissioner may renew a suspension under this paragraph any number of times and for periods of up to 120 days if the commissioner finds that the condition or conditions continue to exist.

(b) The commissioner shall suspend the business of a credit union, other than a corporate central credit union, if the credit union does not comply with s. 186.34 (2) (a). The commissioner shall then liquidate the credit union under this section unless the credit union files a complete application for federal share insurance from the national board within 30 days after the date the suspension under this paragraph commences. The commissioner shall authorize a credit union to resume its business if it files an application within the time period specified in this paragraph.

(1p) **POSSESSION BY COMMISSIONER.** (a) *Discretionary possession.* The commissioner may take possession of the business and property of a credit union if the commissioner finds the existence of any condition under sub. (1) (a) to (k).

(b) *Mandatory possession.* The commissioner shall take possession of the business and property of a credit union that violates s. 186.34 (2) (b), unless the commissioner approves a consolidation under s. 186.31, and of a credit union that the commissioner is required to liquidate under sub. (1m) (b).

(2) **PROCEDURE ON TAKING POSSESSION.** Upon taking possession of the business and property of any such credit union the commissioner shall forthwith:

(a) Serve a notice in writing upon the president and secretary of said credit union setting forth therein that he has taken possession and control of the business and property of said credit union. Said notice shall be executed in duplicate, and immediately after the same has been served, one of the said notices shall be filed with the clerk of the circuit court of the county where said credit union is located together with proof of service.

(b) Give notice to all individuals, partnerships, corporations and associations known to the commissioner to be holding or in possession of any assets of such credit union.

(c) The commissioner may appoint one or more special deputy commissioners as agent to assist in the duty of liquidation and distribution of the assets of one or more credit unions of whose business and property the commissioner shall have taken possession pursuant to the provisions of this chapter. A certificate of such appointment shall be filed in the office of the commissioner and a certified copy in the office of the clerk of the circuit court for the county in which such credit union is located. The commissioner may employ such counsel and procure such expert assistance and advice as may be necessary in the liquidation and distribution of the assets of such credit union, and may retain such of the officers or employes of such credit union as he deems necessary. The special deputy commissioner and assistants shall furnish such security for the faithful discharge of their duties as the commissioner deems proper. Such special deputy commissioner may execute, acknowledge and deliver any and all deeds, assignments, releases or other instruments neces-

sary and proper to effect any sale and transfer or incumbrance of real estate or personal property and may borrow money for use in the liquidation after the same has been approved by the commissioner and an order obtained from the circuit court of the county in which said credit union is located as hereinafter provided.

(d) Upon taking possession of the property and business of such credit union, the special deputy commissioner is authorized to collect all moneys due to such credit union, and do such other acts as are necessary to conserve its assets and business, and shall proceed to liquidate the affairs thereof as hereinafter provided. He shall collect all debts due and claims belonging to it, and upon a petition approved by the commissioner and upon order of the circuit court of the county in which such credit union is located, may sell or compound all bad or doubtful debts, or do any act or execute any other necessary instruments and upon like petition and order may sell all the real and personal property of such credit union on such terms as the court shall approve. Such special deputy commissioner may, if necessary, enforce individual liability of the stockholders to pay the debts of such corporation.

(3) NOTICE, ALLOWANCE AND PAYMENT OF CLAIMS. The special deputy commissioner shall cause a class 3 notice, under ch. 985, to be published, calling on all persons who may have claims against such credit union, to present the same to the special deputy commissioner and make legal proof thereof at a place and within a time, not earlier than the last day of publication, to be therein specified. He shall mail a similar notice to all persons at their last-known address, whose names appear as creditors upon the books of the credit union. Proof of service of such notice shall be filed with the clerk of said court. The special deputy commissioner may reject any claim. Any party interested may also file written objections to any claim with the special deputy commissioner and after notice by registered mail of such rejection, said claimant shall be barred unless he commences an action thereon within 3 months. Claims presented after the expiration of the time fixed in the notice to creditors shall be entitled to share in the distribution only to the extent of the assets then in the hands of the special deputy commissioner equitably applicable thereto.

(4) INVENTORY OF ASSETS AND STATEMENT OF LIABILITIES. Upon taking possession of the property and assets of such credit union, the special deputy commissioner shall make an inventory of the assets of such credit union, in duplicate, one to be filed in the office of the commissioner and one in the office of the clerk of circuit court for the county in which such credit union is located. Upon the expiration of the time fixed for the presentation of claims, the special deputy commissioner shall make in duplicate a full and complete list of the claims presented, including and specifying such claims as have been rejected by him, one to be filed in the office of the commissioner, and one in the office of the clerk of circuit court for the county in which such credit union is located. Such inventory and list of claims shall be open at all reasonable times to inspection.

(5) ADJUSTMENT OF LOANS AND WITHDRAWAL VALUE OF SHARES. The value of shares pledged upon a loan to the credit union shall be applied and credited to the loan and the borrower shall be liable only for the balance. The rate of interest charged upon the balance shall be the legal rate. The value shall be determined in such manner as the commissioner prescribes, and shall be made under s. 186.30 (1) and (3), or in such other manner as the commissioner may prescribe. Upon the approval of the value by the commissioner and the circuit court of the county in which the credit union is located, the book value of each member shall be

reduced proportionately. At least 5 days' written notice of the determination of value shall be given to all shareholders of the time and place the value shall be submitted to the circuit court for approval. Approval of the circuit court shall be by an order entered under s. 807.11 (2). Any stockholder or creditor of the credit union aggrieved by the determination of value may appeal to the court of appeals.

(6) COMPENSATION AND EXPENSES IN CONNECTION WITH LIQUIDATION. The compensation of the special deputy commissioners, counsel and other employes and assistants, and all expenses of supervision and liquidation shall be fixed by the commissioner, subject to the approval of the circuit court for the county in which the credit union is located, and shall upon the certificate of the commissioner be paid out of the funds of the credit union. Expenses of supervision and liquidation include the cost of the services rendered by the office of the commissioner to the credit union being liquidated. The cost of these services shall be determined by the commissioner and paid to the office of the commissioner from the assets of the credit union as other expenses of liquidation are paid. The moneys collected by the special deputy commissioner shall be deposited in one or more central credit unions, and, in case of the suspension or insolvency of a depository, such deposits shall be preferred before all other deposits.

(7) LIQUIDATING DIVIDENDS. At any time after the expiration of the date fixed for the presentation of claims, the special deputy commissioner in charge of the liquidation of such credit union may, upon a petition approved by the commissioner and an order of the circuit court of the county in which such credit union is located, out of the funds remaining, after the payment of expenses and debts, declare one or more dividends, and may declare a final dividend, such dividend to be paid to such persons, and in such amounts as may be directed by the circuit court.

(8) TITLE PASSES TO COMMISSIONER. Immediately upon filing the notice as provided for in sub. (2), the possession of all assets and property of such credit union of every kind and nature, wheresoever situated shall be deemed to be transferred from such credit union to, and assumed by the commissioner; and filing of the notice mentioned herein, shall of itself, and without the execution or delivery of any instruments of conveyance, assignment, transfer or indorsement, vest the title to all such assets and property in the commissioner. Such filing shall also operate as a bar to any attachment, garnishment, execution or other legal proceedings against such credit union, or its assets and property, or its liabilities.

(9) EFFECT OF POSSESSION. No credit union shall have a lien, or charge for any payment, advance or clearance made, or liability thereafter incurred, against any of the assets of the credit union of whose property and business the commissioner shall have taken possession.

(10) APPEAL. Whenever any such credit union, whose property and business the commissioner has taken possession of, as aforesaid, deems itself aggrieved thereby, it may, at any time within 10 days after such taking, appeal to the credit union review board for relief from such possession by the commissioner. In the event the credit union review board sustains the commissioner, the said credit union may then at any time within 10 days after the decision of the credit union review board, apply to the circuit court of the county in which such credit union is located to enjoin further proceedings; and said court, after citing the commissioner to show cause why further proceedings should not be enjoined and hearing all allegations and proofs of the parties and determining the facts, may, upon the merits dismiss such application or enjoin

the commissioner from further proceedings, and direct it to surrender such business and property to such credit union.

(11) **REINSTATEMENT.** Whenever the commissioner shall have taken over the possession and control of the business and property of any credit union the same may resume business when and if:

(a) The owners of at least two-thirds of such credit union dollar value of outstanding shares, execute a petition to such effect, the form of which shall be prescribed by the commissioner, and

(b) There is submitted to the commissioner by such shareholders or a committee duly selected by them, a plan for the reorganization and reinstatement of such credit union, and

(c) The commissioner recommends that control of the business and property of such credit union be returned to the shareholders, and

(d) The court in which such liquidation is pending, upon application of the commissioner, makes an order approving the commissioner's recommendations, which order shall contain a finding that such credit union will be in a safe and sound condition when control is resumed by the shareholders.

(12) **REINSTATEMENT UPON RESTRICTED BASIS.** Such credit union may also resume business upon a restricted basis, and upon such limitations and conditions as may be prescribed by the commissioner when approved by the circuit court in and for the county in which such credit union is located, upon application of the commissioner. Such restrictions and conditions may include, among others, a prohibition against the selling of new shares, reasonable restrictions upon withdrawals and the payment of other liabilities. Such credit union shall thereupon be relieved from the control and supervision of the commissioner as provided in this section, but nothing herein shall, in any manner, prohibit the commissioner from again proceeding against such credit union as provided herein.

(13) **LIQUIDATING DIVIDENDS AND UNCLAIMED FUNDS.** (a) The special deputy commissioner shall deposit unclaimed liquidating dividends and unclaimed funds remaining unpaid in the hands of the special deputy commissioner for 6 months after the order for final distribution in one or more central credit unions in the commissioner's name in trust for the shareholders and creditors of the liquidated credit union. The commissioner shall annually report to the governor and the chief clerk of each house of legislature for distribution to the legislature under s. 13.172 (2) the names of credit unions of which the commissioner has taken possession and liquidated, and the sums of unclaimed and unpaid liquidating dividends and unclaimed funds with respect to each of the credit unions respectively, including a statement of interest earned upon such funds.

(b) The commissioner may pay over the moneys so held by him to the persons respectively entitled thereto, upon being furnished satisfactory evidence of their right to the same. In case of doubt or conflicting claims, he may require an order of the circuit court authorizing and directing the payment thereof. He may apply the interest earned by the moneys so held by him towards defraying the expenses in the payment and distribution of such unclaimed liquidating dividends and funds to the stockholders and creditors entitled to receive the same.

(c) After one year from the time of the order for final distribution, the commissioner shall report and deliver to the state treasurer all unclaimed funds as provided in ch. 177. All claims subsequently arising shall be presented to the commissioner. If the commissioner determines that any claim should be allowed, he or she shall certify to the department of

administration the name and address of the person entitled to payment and the amount thereof and shall attach the claim to the certificate. The department of administration shall certify the claim to the state treasurer for payment.

186.30 Readjustment in other cases. (1) Whenever from an examination or report, it shall appear to the commissioner that the capital of any credit union is impaired, or may in the near future become impaired, the commissioner may, with the approval of the credit union review board, issue an order to such credit union, requiring the directors to forthwith appoint subject to the approval of the commissioner 3 competent persons, not members of such credit union, who shall appraise such property owned by, or upon which such credit union has a loan or judgment, as the commissioner shall designate. The appraisers so appointed and approved shall appraise and fix the current market value of all such property as aforesaid and report their findings to the commissioner and the directors. The value as found by such appraisers shall be the value from which all losses shall be determined.

(2) Whenever the commissioner finds that the losses existing, or which it may reasonably be anticipated will be sustained in the near future, are more than two-thirds of the amount in the regular reserve of the credit union, he may, with the approval of the review board, issue an order to such credit union, which order shall provide that no further dividends be credited or paid and no moneys paid out for retiring shares, whether noticed for withdrawal, until the commissioner otherwise orders.

(3) After the commissioner shall have determined the losses existing or which he shall determine may reasonably be sustained in the near future, he shall issue an order providing that the book value of each share be depreciated as stated in such order, the officers shall forthwith proceed to depreciate the book value of all shares as ordered. A record shall be made on the books showing the amount by which the book value of the shares was depreciated, and a copy of such record shall be filed with the commissioner.

(4) Any borrowing member may, after the book value of his shares shall have depreciated as provided in sub. (3), pay to the credit union the difference between the withdrawal value of his shares as depreciated, and the amount due on his loan, and his note and other securities shall thereupon be released.

(5) The directors may, with the approval of the commissioner, make share loans to members upon such terms and conditions as the commissioner may order, but such loans shall be for provident purposes only and not more than \$100 shall be loaned to any one member in any one month.

(6) The directors shall give notice by mail to each member, stating in such notice that the book value of his shares has been depreciated, the date when such book value was depreciated and the book value of his shares after such depreciation. The mailing of such notice to the last-known place of abode as shown on the records of the credit union shall be a compliance with this subsection.

(7) The directors may, with the approval of the commissioner, sell, lease, transfer, exchange and convey any of the property of the credit union, and upon their order the proper officers shall execute and deliver such deeds, leases, assignments, bills of sale and such other transfers and conveyances

as are necessary to dispose of such property as herein provided.

(8) The directors may compromise and settle any claim, demand or judgment which is a part of the assets of the credit union, but no compromise of any claim, demand or judgment shall be made except upon express consent of the commissioner.

(9) The commissioner shall prescribe reasonable rules and regulations not inconsistent with laws for the operation of credit unions operating as provided in this section.

(10) Except as otherwise provided in this section, such credit union shall be operated as provided in this chapter.

(11) The directors shall make no disbursements or contract to make disbursements for salaries, compensation, fees or any other item of expense, nor retire shares, nor pay or declare dividends during the time such credit union is operating as provided in this section without the approval of the commissioner.

(1) Any credit union, which is in good faith winding up its business for the purpose of consolidating with some other credit union, may transfer its assets and liabilities to the credit union with which it is in the process of consolidation; but no consolidation may be made without the consent of the commissioner, and not then to defeat or defraud any of its creditors in the collection of debts against such credit union. No consolidation may be carried out without the consent of the Wisconsin credit union savings insurance corporation if it protects or guarantees the accounts of any credit union participating in the consolidation, or the national board if it insures the shares of any credit union participating in the consolidation.

(2) With the approval of the commissioner credit unions may consolidate. To effect a consolidation, the board of directors of each consolidating union shall, by resolution, propose a specific plan for consolidation which shall be agreed to by a majority of the board of each credit union joining in the consolidation and directing that the proposed plan of consolidation be submitted to a vote at a meeting of members of the credit unions being absorbed which may be either an annual or a special meeting. Written notice of the meeting setting forth the proposed plan of consolidation or a summary shall be given to each member of the credit unions being absorbed within the time and in the manner provided for the giving of notice of meetings of members of the credit union. The proposed plan shall be adopted upon receiving a majority of the votes entitled to be cast by members present at the meeting.

(1) and (2) shall not be required to go into liquidation but its assets and liabilities shall be reported by the credit union with which it has consolidated, and all the rights, franchises and interests of said credit union so consolidated in and to any species of property, personal and mixed, and choses in action thereto belonging, shall be deemed to be transferred, and the said consolidated credit union shall hold and enjoy the same and all rights of property, franchises and interest in the same manner and to the same extent as was held and enjoyed by the credit union so consolidated therewith; and the members or shareholders of such absorbed credit union shall without any further act on their part be members and shareholders of such consolidated credit union and be subject to all rights, privileges and duties as provided for in the bylaws of the credit union which has so absorbed their credit union.

Upon such filing, the credit union shall cease to be a state credit union.

(4) Upon ceasing to be a state credit union, such credit union shall no longer be subject to this chapter. The successor federal credit union shall be vested with all the assets and shall continue to be responsible for all of the obligations of the state credit union, including annual and special assessments levied under s. 186.35 (5) (d) prior to the date a copy of the federal credit union charter is filed with the commissioner, to the same extent as though the conversion had not taken place.

The applicants shall meet the same requirements as other applicants under ch. 217, but no investigation fee may be charged of credit union applicants. The commissioner may revoke a certificate of authority following a hearing held upon 10 days' notice to the credit union for any reason which would have justified the rejection of an application or on the ground that the continued operation of the business threatens the solvency of the credit union.

(8) EXAMINATIONS OF CREDIT UNIONS. The office of the commissioner shall promptly forward to the corporation copies of examination reports of all members. The cost of these copies shall be paid by the corporation. If the trustees of the corporation ascertain evidence of carelessness, unsound practices or mismanagement of any member or if the trustees determine that the activities of any member may jeopardize any of the corporation's assets, the trustees or their designees may require the member to disclose its operational policies and procedures, and may recommend appropriate corrective measures to the member. If the trustees determine that the carelessness, unsound practices or mismanagement is not promptly corrected or that the threat to the corporation's assets has not been removed, the trustees may make appropriate recommendations to the commissioner, including the recommendation that the member be liquidated or consolidated.

(9) BYLAWS. The incorporators shall subscribe and submit to the commissioner, for approval, the bylaws and any amendments thereto under which the corporation shall operate. These bylaws may be amended at any regular or special meeting of the trustees or any annual or special meeting of the corporation.

(10) TERMINATION OF PROTECTION OR GUARANTY. (a) The accounts of every credit union, including a corporate central credit union, that is a member of the corporation on July 20, 1985, and receives a certificate of insurance under s. 186.34 shall cease to be protected or guaranteed by the corporation on the effective date of the certificate. A corporate central credit union may voluntarily terminate protection or guarantees of its accounts by the corporation by filing with the trustees a resolution duly adopted by the corporate central credit union's board of directors. The accounts of a corporate central credit union that files a resolution under this paragraph shall cease to be protected or guaranteed by the corporation on the date the resolution is filed.

(b) Within 90 days after the date a credit union's accounts cease to be protected or guaranteed under par. (a), the corporation shall refund to the credit union the membership fee paid by the credit union and a prorated portion of any regular annual assessment paid by the credit union for the calendar year in which the credit union's membership terminated. The proration shall be based on the number of full calendar months remaining in the calendar year after the date of termination.

(c) If a credit union which is entitled to a refund of its membership fee under par. (b) consolidates under s. 186.31 with another credit union before the refund is paid, the corporation shall pay to the surviving credit union the membership fee paid by the absorbed credit union.

(11) LIQUIDATION OF THE CORPORATION. (a) Within 30 days after receipt of written notice from the commissioner under s. 186.34 (3), the corporation shall publish a class 3 notice, under ch. 985, requiring all persons who have claims against the corporation to file proof of their respective claims at a place and by a date not earlier than 30 days after the last insertion of the notice. Proof of publication shall be filed with the clerk of the circuit court. Notwithstanding any other law, any claim for which no proof of claim is filed by the date fixed in the notice is barred. Within 30 days after the last date for filing claims, the corporation shall give notice by registered or certified mail to each claimant if the corporation denies all or any part of the claimant's claims. Any claim for which notice of complete or partial denial is duly mailed is barred unless the claimant commences an action within 90 days after the date of mailing of the notice.

(b) Within 30 days after the termination of the period for commencing actions under par. (a), the trustees shall determine the amount reasonably necessary to pay all of the corporation's outstanding, lawful liabilities and to pay the expenses of winding up the corporation's affairs. Upon receiving the approval of the commissioner, the corporation shall set aside the amount approved by the commissioner and shall immediately distribute all of the remaining assets of the corporation, subject to par. (c). The corporation may make other subsequent distributions, subject to par. (c) if any additional surplus is realized. Any surplus remaining after the corporation has been dissolved shall be distributed, subject to par. (c).

(c) Distributions under par. (b) shall be limited exclusively to credit unions that are members of the corporation operating under this chapter on the date that the corporation authorizes each distribution. Each member's share of a distribution under par. (b) shall be determined under sub. (12) or (12m).

(12) COMPUTATIONS. Except as provided in sub. (12m), each member credit union's fractional share of liquidating distributions under sub. (11) and special assessments under sub. (5) (d) 2 shall be calculated as follows:

(a) Except as provided in par. (c), the numerator of the fraction shall be the total of all annual and special assessments paid to the corporation by the member, reduced by any refund to the member of a prorated portion of an annual assessment under sub. (10) (b) and by any amounts paid to the member by the corporation as a protection or guaranty of any account in the member credit union, other than an account transferred to the member credit union as a result of a consolidation or liquidation of another credit union.

(b) The denominator of the fraction shall be the total of all annual and special assessments paid by all members participating in the distribution or special assessment.

(c) 1. The numerator of the fraction under par. (a) for a corporate central credit union shall include all annual and special assessments paid to the corporation in the name of a predecessor credit union that are attributable to deposits in the predecessor credit union by other credit unions organized under this chapter or any other law.

2. The numerator of the fraction under par. (a) for a credit union that is the predecessor of a corporate central credit union under subd. 1 shall exclude all annual and special assessments paid to the corporation in the name of the predecessor credit union that are attributable to deposits in the predecessor credit union by other credit unions organized under this chapter or any other law.

(12m) COMPUTATION OF LIQUIDATING DISTRIBUTIONS IF MEMBER CREDIT UNIONS CONSOLIDATED. If a member credit union consolidates under s. 186.31 with a credit union which

is a member of the corporation and operating under this chapter on the date that the corporation authorizes a distribution under sub. (11), the surviving credit union's fractional share of liquidating distributions under sub. (11) is calculated as follows:

(a) The numerator of the fraction shall be the total of all annual and special assessments paid to the corporation by the surviving credit union and the absorbed credit union, reduced by all of the following:

1. Refunds to the surviving credit union and the absorbed credit union of a prorated portion of an annual assessment under sub. (10) (b).

2. Any funds paid to the surviving credit union or the absorbed credit union by the corporation to aid the credit union in qualifying for federal share insurance.

(b) The denominator of the fraction shall be the total of all annual and special assessments paid by all members participating in the distribution.

(13) LIMITATIONS ON ACTIONS. Notwithstanding any other law, the corporation is immune from any claim by any person if the claim relates primarily to protection or guarantees of accounts in a member credit union and arises after the effective date of a certificate of insurance obtained by the member credit union under s. 186.34.

(a) Acquire an interest in, or some or all of the assets of, one or more in-state credit unions.

(b) Merge with one or more in-state credit unions.

(4) LIMITATIONS. A regional credit union may not take any action under sub. (3) until all of the following conditions have been met:

(b) The action would be detrimental to the safety and soundness of the applicant or of the in-state credit union

concerned, or to a subsidiary or affiliate of the applicant or of the in-state credit union.

(c) Because the applicant, its executive officers or directors have not established a record of sound performance, efficient management, financial responsibility and integrity, the action would be contrary to the best interests of the creditors, members or other customers of the applicant or of the in-state credit union or contrary to the best interests of the public.

(b) Subsections (1) to (5) apply as of the date, not earlier than January 1, 1987, that 3 regional states, at least 2 of which shall be from among the states of Illinois, Indiana, Iowa, Michigan and Minnesota, permit in-state credit unions to both acquire regional credit union assets and merge with one or more regional credit unions in those regional states.

(7) WHEN INVALIDATED. If any part of subs. (1) to (5) is held to be unconstitutional, then all of subs. (1) to (5) shall be invalid.

(8) DIVESTITURE. Any credit union that has acquired assets of or merged with an in-state credit union under sub. (2) or (3) and that ceases to be an in-state credit union or regional credit union shall immediately notify the commissioner of the change in its status and shall, as soon as practical and, in any case, within 2 years after the event causing it to no longer be one of these entities, divest itself of control of any interest in the assets or operations of any in-state credit union.
