(b) For the purpose of making any investigation with regard to any employment, the secretary may appoint, by an order in writing, any deputy who is a citizen of the state, or any other competent person as an agent whose duties shall be prescribed in such order.

(c) In the discharge of his or her duties such agent shall have every power of an inquisitorial nature granted in chs. 103 to 106 to the department, the same powers as a court commissioner with regard to the taking of depositions and all powers granted by law to a court commissioner relative to depositions.

(d) The department may conduct any number of such investigations contemporaneously through different agents, and may delegate to such agent the taking of all testimony bearing upon any investigation or hearing. The decision of the department shall be based upon its examination of all testimony and records. The recommendations made by such agents shall be advisory only and shall not preclude the taking of further testimony if the department so orders nor preclude further investigation.

(e) The secretary may direct any deputy who is a citizen to act as special prosecutor in any action, proceeding, investigation, hearing or trial relating to the matters within its jurisdiction.

(f) Upon the request of the department, the department of justice or district attorney of the county in which any investigation, hearing or trial had under chs. 103 to 106 is pending, shall aid therein and prosecute under the supervision of the department, all necessary actions or proceedings for the enforcement of those sections and all other laws of this state relating to the regulation of employment, and for the punishment of all violations thereof.

(6) (a) All orders of the department in conformity with law shall be in force, and shall be prima facie lawful; and all such orders shall be valid and in force, and prima facie reasonable and lawful until they are found otherwise upon judicial review thereof pursuant to ch. 227 or until altered or revoked by the department.

(b) All general orders shall take effect as provided in s. 227.22. Special orders shall take effect as directed in the special order.

(c) The department shall, upon application of any employer or owner, grant such time as may be reasonably necessary for compliance with any order.

(e) Any employer or other person interested either because of ownership in or occupation of any property affected by any such order, or otherwise, may petition for a hearing on the reasonableness of any order of the department in the manner provided in chs. 103 to 106.

(f) Such petition for hearing shall be by verified petition filed with the department, setting out specifically and in full detail the order upon which a hearing is desired and every reason why such order is unreasonable, and every issue to be considered by the department on the hearing. The petitioner shall be deemed to have finally waived all objections to any irregularities and illegalities in the order upon which a hearing is sought other than those set forth in the petition. All hearings of the department shall be open to the public.

(g) Upon receipt of such petition, if the issues raised in such petition have theretofore been adequately considered, the department shall determine the same by confirming without hearing its previous determination, or if such hearing is necessary to determine the issues raised, the department shall order a hearing thereon and consider and determine the matter or matters in question at such times as shall be prescribed. Notice of the time and place of such hearing shall be given to the petitioner and to such other persons as the department may find directly interested in such decision.

(b) Upon receipt of a petition under par. (a) the department shall order a hearing to consider and determine the issues raised by the petition. The hearing shall be held in the village, city or municipality where the local order appealed from was made. Notice of the time and place of such hearing shall be given to the petitioner and such other persons as the department may find directly interested in such decision, including the clerk of the municipality or town from which such appeal comes. If upon such investigation it shall be found that the local order appealed from is unreasonable and in conflict with the order of the department, the department may modify its order and shall substitute for the local order appealed from such order as shall be reasonable and legal in the premises, and thereafter the local order shall, in such particulars, be void and of no effect.

(8) (a) No action, proceeding or suit to set aside, vacate or amend any order of the department or to enjoin the enforcement of an order of the department shall be brought unless the plaintiff has applied to the department for a hearing on the order at the time and as provided in sub. (6) (e) to (i), and has, in the petition for the hearing under sub. (6), raised every issue raised in the action, proceeding or suit to set aside, vacate, amend or enjoin the enforcement of the order of the department.

(b) In a prosecution for the violation of an order of the department, the order of the department shall be conclusively presumed to be just, reasonable and lawful, unless prior to the beginning of the prosecution for the violation a proceeding for judicial review of such order has been instituted as provided in ch. 227.

(9) A substantial compliance with the requirements of chs. 103 to 106 shall be sufficient to give effect to an order of the department, and no order may be declared inoperative, illegal or void for any omission of a technical nature.

(11) Every day during which any person or corporation, or any officer, agent or employe of a person or corporation, fails to observe and comply with any order of the department or fails to perform any duty required under chs. 103 to 106, shall constitute a separate and distinct violation of the order or of the requirement under chs. 103 to 106, whichever is applicable.

(12) (a) If any employer, employe, owner, or other person violates chs. 103 to 106, or fails or refuses to perform any duty required under chs. 103 to 106, within the time prescribed by the department, for which no penalty has been specifically provided, or fails, neglects or refuses to obey any lawful order given or made by the department or any judgment or decree made by any court in connection with chs. 103 to 106, for each such violation, failure or refusal, the employer, employe, owner or other person shall forfeit not less than \$10 nor more than \$100 for each offense. No witness subpoenaed at the instance of an attorney under par. (cm) or at the instance of a party other than the department is entitled to compensation from the state for attendance or travel unless the department certifies that the testimony was material to the matter investigated.

(c) The department or any party may in any investigation cause the depositions of witnesses residing within or without the state to be taken in the manner prescribed by law for similar depositions in civil actions in circuit courts. The expense incurred by the state in the taking of such depositions shall be charged against the proper appropriations for the department.

(cm) A party's attorney of record may issue a subpoena to compel the attendance of a witness or the production of evidence. A subpoena issued by an attorney must be in substantially the same form as provided in s. 805.07 (4) and must be served in the manner provided in s. 805.07 (5). The attorney shall, at the time of issuance, send a copy of the subpoena to the appeal tribunal or other representative of the department responsible for conducting the proceeding.

(e) Any employer receiving from the department any form requesting information that the department requires to administer and enforce chs. 103 to 106, along with directions to complete the form, shall properly complete the form and answer fully and correctly each question asked in the form. If the employer is unable to answer any question, the employer shall give a good and sufficient reason for his or her inability to answer the question. The employer's answers shall be verified under oath by the employer, or by the president, secretary or other managing officer of the corporation, if the employer is a corporation, and the completed form shall be returned to the department at its office within the period fixed by the department.

(15) The department may establish a schedule of fees for publications and seminars provided by the department for which no fee is otherwise authorized, required or prohibited by statute. Fees established under this subsection for publications and seminars provided by the department may not exceed the actual cost incurred in providing those publications and seminars. If the department receives unanticipated proceeds from a statewide labor and management conference provided by the department that exceed the actual cost of the conference, the department may

use those unanticipated proceeds to provide grants for local labor and management conferences, educational activities and other activities to promote positive relations between labor and management.

Information which is not essential to determine eligibility for issuance or renewal may be requested but the applicant shall be notified in a prominent place on or accompanying the request that she or he is not required to provide such information.

**History:** 1979 c. 34; 1993 a. 107.

**103.37 Certain requirements to obtaining employment prohibited.** (1) It shall be unlawful for any employer, as defined in sub. (3) to require any employe or applicant for employment to pay the cost of a medical examination required by the employer as a condition of employment.

(2) The term “employe” shall mean and include every person who may be permitted, required or directed by any employer, as defined in sub. (3) in consideration of direct or indirect gain or profit, to engage in any employment.

(3) “Employer”, as used in this section means an individual, a partnership, an association, a corporation, a limited liability company, a legal representative, trustee, receiver, trustee in bankruptcy, and any common carrier by rail, motor, water or air doing business in or operating within the state.

**103.38 Eight hours a day’s work, when.** In all engagements to labor in any manufacturing or mechanical business, where there is no express contract to the contrary, a day’s work shall consist of eight hours and all engagements or contracts for labor in such cases shall be so construed; but this shall not apply to any contract for labor by the week, month or year.

**103.43 Fraudulent advertising for labor.** (1) It shall be unlawful to influence, induce, persuade or attempt to influence, induce, persuade or engage workmen to change from one place of employment to another in this state or to accept employment in this state or to bring workmen of any class or calling into this state to work in any department of labor in this state, through or by means of any false or deceptive representations, false advertising or false pretenses concerning the kind and character of the work to be done, or amount and character of the compensation to be paid for such work, or the sanitary or other conditions of the employment, or failure to state in any advertisement, proposal or contract for the employment that there is a strike or lockout at the place of the proposed employment, when in fact such strike or lockout then

actually exists in such employment at such place. Any of such unlawful acts shall be deemed a false advertisement, or misrepresentation for the purposes of this section.

(1a) A strike or lockout shall be deemed to exist as long as the usual concomitants of a strike or lockout exist; or unemployment on the part of workers affected continues; or any payments of strike benefits is being made; or any picketing is maintained; or publication is being made of the existence of such strike or lockout.

(2) Any person who, by himself or herself, or by a servant or agent, or as the servant or agent of any other person, or as an officer, director, servant or agent of any firm, corporation, association or organization of any kind, violates sub. (3) Any person who shall be influenced, induced or persuaded to engage with any persons mentioned in sub. (1), through or by means of any of the things therein prohibited, shall have a right of action for recovery of all damages that the person shall have sustained in consequence of the false or deceptive representation, false advertising or false pretenses used to induce the person to change his or her place of employment or to accept such employment, against any person or persons, corporations or companies or associations, directly or indirectly, causing such damage; and in addition to all such actual damages such workman may have sustained, shall be entitled to recover such reasonable attorney fees as the court shall fix, to be taxed as costs in any judgment recovered.

If any such deduction is made or credit taken by any employer, that is not in accordance with this section, the employer shall be liable for twice the amount of the deduction or credit taken in a civil action brought by said employe. Any agreement entered into between employer and employe contrary to this section shall be void and of no force and effect. In case of a disagreement between the 2 parties, the department shall be the 3rd determining party subject to any appeal to the court. Section 111.322 (2m) applies to discharge and other discriminatory acts arising in connection with any proceeding to recover a deduction under this section.

**History:** 1989 a. 228.

The consent of the employe may only serve as a basis for a deduction where it is given in writing after the loss and before the deduction. *Donovan v. Schlesner*, 72 W (2d) 74, 240 NW (2d) 135.

Termination of employe—at—will may have violated public policy underlying this section. *Wandry v. Bull’s Eye Credit*, 129 W (2d) 37, 384 NW (2d) 325 (1986).

Commissions earned over and above a salary are wages under this section. The 6 year statute of limitations under s. 893.43 applicable to claims for commissions applies to the recovery of deductions from commissions under this section. A claimant need not first bring a claim before DILHR if the employer has never given the

employe an opportunity to contest the deductions. *Erdman v. Jovoco, Inc.* 181 W (2d) 736, 512 NW (2d) 487 (1994).

**103.457 Listing deductions from wages.** An employer shall state clearly on the employe's pay check, pay envelope, or paper accompanying the wage payment the amount of and reason for each deduction from the wages due or earned by the employe, except such miscellaneous deductions as may have been authorized by request of the individual employe for reasons personal to the employe. **103.46 Contracts; promises to withdraw from or not to join labor, employers' or cooperative organizations are void.** Every undertaking or promise hereafter made, whether written or oral, express or implied, constituting or contained in either:

(1) A contract or agreement of hiring or employment between any employer and any employe or prospective employe, whereby either party to such contract or agreement undertakes or promises not to join, become or remain, a member of any labor organization or of any organization of employers, or either party to such contract or agreement undertakes or promises to withdraw from the employment relation in the event that he or she joins, becomes or remains, a member of any labor organization or of any organization of employers; or

(2) In a contract or agreement for the sale of agricultural, horticultural or dairy products between a producer of such products and a distributor or purchaser thereof, whereby either party to such contract or agreement undertakes or promises not to join, become or remain a member of any cooperative association organized under ch. 185 or of any trade association of the producers, distributors or purchasers of such products, is hereby declared to be contrary to public policy and wholly void and shall not afford any basis for the granting of legal or equitable relief by any court.

**History:** 1985 a. 30 s. 42; 1993 a. 492.

**103.465 Restrictive covenants in employment contracts.** A covenant by an assistant, servant or agent not to compete with his or her employer or principal during the term of the employment or agency, or thereafter, within a specified territory and during a specified time is lawful and enforceable only if the restrictions imposed are reasonably necessary for the protection of the employer or principal. Any such restrictive covenant imposing an unreasonable restraint is illegal, void and unenforceable even as to so much of the covenant or performance as would be a reasonable restraint.

**History:** 1995 a. 225.

A provision in an employer's profit sharing and retirement plan that calls for forfeiture of benefits by employes who engage in competitive enterprises is valid and enforceable only if it meets the requirements of this section. *Holsen v. Marshall & Ilsley Bank*, 52 W (2d) 281, 190 NW (2d) 189.

A provision of a pension plan denying benefits if the retired employe accepts any employment in the same industry without limit as to time or area is void. *Estate of Schroeder*, 53 W (2d) 59, 191 NW (2d) 860.

This section, limiting the enforceability of covenants not to compete to those containing restrictions reasonably necessary for the protection of the employer or principal, incorporates the pre-existing structure of the common law, under which contracts in restraint of trade are viewed with disfavor. *Behnke v. Hertz Corp.* 70 W (2d) 818, 235 NW (2d) 690.

Where profit sharing plan provided for forfeiture in event covered employe worked for "competitive business", term was construed to mean only businesses which seek out and appeal to same customers and offer substantially identical services. *Zimmerman v. Brennan*, 78 W (2d) 510, 254 NW (2d) 719.

Five basic requirements necessary to enforcement of a restrictive covenant discussed. *Chuck Wagon Catering, Inc. v. Raduege*, 88 W (2d) 740, 277 NW (2d) 787 (1979).

Covenant prohibiting executive employe from contacting company clients with whom employe had had no previous contact was not unreasonable per se. *Hunter of Wisconsin, Inc. v. Hamilton*, 101 W (2d) 460, 304 NW (2d) 752 (1981).

Covenant by employes not to compete is not automatically voided by presence of unreasonable provision for liquidated damages. Whether specific restraints as to area and time are necessary to protect employer is question of law to be resolved on basis of facts. *Fields Foundation, Ltd. v. Christensen*, 103 W (2d) 465, 309 NW (2d) 125 (Ct. App. 1981).

Agreement requiring agents of insurance company to forfeit their extended earnings if after termination they engaged in certain competitive practices was unenforce-

able. *Streiff v. American Family Mut. Ins. Co.* 118 W (2d) 602, 348 NW (2d) 505 (1984).

Territorial limits in a restrictive covenant need not be expressed in geographical terms. *General Medical Corp. v. Kobs*, 179 W (2d) 422, 507 NW (2d) 381 (Ct. App. 1993).

Interests of employers which may be protected by covenants discussed. *Sausau Medical Center v. Asplund*, 182 W (2d) 274, 514 NW (2d) 34 (Ct. App. 1994).

A valid covenant not to compete requires consideration. Continued employment absent a requirement that that employment requires executing the agreement is not consideration. *NBZ, Inc. v. Pilarski*, 185 W (2d) 827, 520 NW (2d) 93 (Ct. App. 1994).

Restrictive covenant was not overbroad. *Brunswick Corp. v. Jones*, 784 F (2d) 271 (1986).

An agreement to accept an education loan funded by certain employers on the condition that the recipient repay it in kind by working for a contributor or repaying it in cash if the recipient accepts employment with a non-contributor was not a covenant subject to s. 103.465. *Milwaukee Apprentice Training Committee v. Howell*, 67 F (3d) 1333 (1995).

Drafting and enforcing restrictive covenants not to compete. *Richards*, 55 MLR 241.

Drafting enforceable covenants not to compete. *Nettesheim*. WBB Oct. 1986.

(3), unless they are paid for all hours worked in excess of the prevailing hours of labor at a rate of at least 1.5 times their hourly basic rate of pay:

1. All laborers, workers, mechanics and truck drivers employed on the site of a project that is subject to this section, or employed to deliver mineral aggregate such as sand, gravel or stone that is immediately incorporated into the work, and not stockpiled or further transported by truck, to or from the site of a project that is subject to this section by depositing the material substantially in place, directly or through spreaders from the transporting vehicle, or employed to transport excavated material or spoil from and return to the site of a project that is subject to this section.

2. All laborers, workers, mechanics and truck drivers employed in the manufacturing or furnishing of materials, articles, supplies or equipment on the site of a project that is subject to this section or from a facility dedicated exclusively, or nearly so, to a project that is subject to this section by a contractor, sub-

contractor, agent or other person performing any work on the site of the project.

(b) Notwithstanding par. (a), a laborer, worker, mechanic or truck driver who is regularly employed in the processing, manufacturing or delivery of materials or products by or for a commercial establishment that has a fixed place of business from which the establishment regularly supplies processed or manufactured materials or products is not entitled to receive the prevailing wage rate determined under sub. (3) or to receive at least 1.5 times his or her hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor determined under sub. (3).

(c) A truck driver who is an owner–operator of a truck shall be paid separately for his or her work and for the use of his or her truck.

**(3) INVESTIGATION; DETERMINATION.** (a) Before bids are asked for any work to which this section applies, the state agency having the authority to prescribe the specifications shall apply to the department to determine the prevailing wage rate and prevailing hours of labor for each trade or occupation required in the work under contemplation in the area in which the work is to be done. The department shall make such investigations and hold such public hearings as may be necessary to define the trades or occupations that are commonly employed on projects that are subject to this section and to inform itself as to the prevailing wage rates and prevailing hours of labor in all areas of the state for those trades or occupations with a view to ascertaining the prevailing wage rate and prevailing hours of labor for each such trade or occupation. The department shall issue its determination within 30 days after receiving the request and shall file the same with the state agency applying therefor. For the information of the employees working on the project, the prevailing wage rates and prevailing hours of labor determined by the department and the provisions of subs. (2) and (6m) shall be kept posted by the state agency in at least one conspicuous and easily accessible place on the site of the project.

(am) The department shall, by January 1 of each year, compile the prevailing wage rates and the prevailing hours of labor for each trade or occupation in each area. The compilation shall, in addition to the current prevailing wage rates and prevailing hours of labor, include future prevailing wage rates and prevailing hours of labor when those prevailing wage rates and prevailing hours of labor can be determined for any trade or occupation in any area and shall specify the effective date of those future prevailing wage rates and prevailing hours of labor. If a construction project extends into more than one area there shall be but one standard of prevailing wage rates and prevailing hours of labor for the entire project.

(ar) In determining prevailing wage rates under par. (a) or (am) for building, residential or agricultural projects, the department may not use data from projects that are subject to this section, s. 66.293 or 103.50 or 40 USC 276a. In determining prevailing wage rates for projects involving the use of heavy equipment, the department may use data from projects that are subject to this section, s. 66.293 or 103.50 or 40 USC 276a.

(b) Any person may request a recalculation of any portion of a determination within 30 days after the initial determination date if the person submits evidence with the request showing that the prevailing wage rate or prevailing hours of labor for any given trade or occupation included in the initial determination does not represent the prevailing wage rate or prevailing hours of labor for that trade or occupation in the area. Such evidence shall include wage rate and hours of labor information for work performed in the contested trade or occupation in the area within the previous 12 months. The department shall affirm or modify the initial determination within 15 days after the date on which the department receives the request for recalculation.

(c) In addition to the recalculation under par. (b), the state agency that requested the determination under this subsection may request a review of any portion of a determination within 30

days after the date of issuance of the determination if the state agency submits evidence with the request showing that the prevailing wage rate or prevailing hours of labor for any given trade or occupation included in the determination does not represent the prevailing wage rate or prevailing hours of labor for that trade or occupation in the city, village or town in which the proposed project is located. That evidence shall include wage rate and hours of labor information for the contested trade or occupation on at least 3 similar projects located in the city, village or town where the proposed project is located on which some work has been performed within the previous 12 months and which were considered by the department in issuing its most recent compilation under par. (am). The department shall affirm or modify the determination within 15 days after the date on which the department receives the request for review.

**(3g) NONAPPLICABILITY.** This section does not apply to [(a) (intro.)] any single–trade project for which the estimated cost of completion is less than \$30,000 or an amount determined under s. 66.293 (5) or to any multiple–trade project for which the estimated cost of completion is less than \$150,000 or an amount determined by the department under s. 66.293 (5).

**NOTE:** Sub. (3g) is shown as affected by two acts of the 1995 legislature and as merged by the revisor under s. 13.93 (2) (c). The bracketed language was inserted by 1995 Wis. Act 225, but rendered surplusage by the treatment of this provision by 1995 Wis. Act 215. Corrective legislation is pending.

**(4r) COMPLIANCE.** (a) When the department finds that a state agency has not requested a determination under sub. (3) (a) or that a state agency, contractor or subcontractor has not physically incorporated a determination into a contract or subcontract as required under sub. (2) or has not notified a minor subcontractor of a determination in the manner prescribed by the department by rule promulgated under sub. (2), the department shall notify the state agency, contractor or subcontractor of such noncompliance and shall file the determination with the state agency, contractor or subcontractor within 30 days after such notice.

(b) Upon completion of a project and before receiving final payment for his or her work on the project, each agent or subcontractor shall furnish the contractor with an affidavit stating that the agent or subcontractor has complied fully with the requirements of this section. A contractor may not authorize final payment until such an affidavit is filed in proper form and order.

(c) Upon completion of a project and before receiving final payment for his or her work on the project, each contractor shall file with the state agency authorizing the work an affidavit stating that the contractor has complied fully with the requirements of this section and that the contractor has received an affidavit under par. (b) from each of the contractor's agents and subcontractors. A state agency may not authorize a final payment until such an affidavit is filed in proper form and order. If a state agency authorizes a final payment before such an affidavit is filed in proper form and order or if the department determines, based on the greater weight of the credible evidence, that any person specified in sub. (2m) has been or may have been paid less than the prevailing wage rate or less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor and requests that the state agency withhold all or part of the final payment, but the state agency fails to do so, the state agency is liable for all back wages payable up to the amount of the final payment.

**(5) RECORDS; INSPECTION; ENFORCEMENT.** (a) Each contractor, subcontractor or agent thereof performing work on a project that is subject to this section shall keep full and accurate records clearly indicating the name and trade or occupation of every person described in sub. (2m) and an accurate record of the number of hours worked by each of those persons and the actual wages paid therefor.

(b) It shall be the duty of the department to enforce this section. To this end it may demand and examine, and it shall be the duty of every contractor, subcontractor and agent thereof to keep and furnish to the department, copies of payrolls and other records and information relating to the wages paid to persons described in sub. (2m) for work to which this section applies. The department may

inspect records in the manner provided in this chapter and chs. 104 to 106. Every contractor, subcontractor or agent performing work on a project that is subject to this section is subject to the requirements of ch. 101 relating to the examination of records. Section 111.322 (2m) applies to discharge and other discriminatory acts arising in connection with any proceeding under this section.

(c) If requested by any person, the department shall inspect the payroll records of any contractor, subcontractor or agent performing work on a project that is subject to this section to ensure compliance with this section. If the contractor, subcontractor or agent subject to the inspection is found to be in compliance and if the person making the request is a person specified in sub. (2m), the department shall charge the person making the request the actual cost of the inspection. If the contractor, subcontractor or agent subject to the inspection is found to be in compliance and if the person making the request is not a person specified in sub. (2m), the department shall charge the person making the request \$250 or the actual cost of the inspection, whichever is greater.

**(6m) LIABILITY AND PENALTIES.** (a) Except as provided in pars. (b), (d) and (f), any contractor, subcontractor or agent thereof who violates this section may be fined not more than \$200 or imprisoned for not more than 6 months or both. Each day that any such violation continues shall be considered a separate offense.

(b) Whoever induces any individual who seeks to be or is employed on any project that is subject to this section to give up, waive or return any part of the wages to which the individual is entitled under the contract governing such project, or who reduces the hourly basic rate of pay normally paid to an employe for work on a project that is not subject to this section during a week in which the employe works both on a project that is subject to this section and on a project that is not subject to this section, by threat not to employ, by threat of dismissal from such employment or by any other means is guilty of an offense under s. 946.15 (1).

(c) Any person employed on a project that is subject to this section who knowingly permits a contractor, subcontractor or agent thereof to pay him or her less than the prevailing wage rate set forth in the contract governing such project, who gives up, waives or returns any part of the compensation to which he or she is entitled under the contract, or who gives up, waives or returns any part of the compensation to which he or she is normally entitled for work on a project that is not subject to this section during a week in which the person works both on a project that is subject to this section and on a project that is not subject to this section, is guilty of an offense under s. 946.15 (2).

(d) Whoever induces any individual who seeks to be or is employed on any project that is subject to this section to permit any part of the wages to which the individual is entitled under the contract governing such project to be deducted from the individual's pay is guilty of an offense under s. 946.15 (3), unless the deduction would be permitted under 29 CFR 3.5 or 3.6 from an individual who is working on a project that is subject to 40 USC 276c.

(e) Any person employed on a project that is subject to this section who knowingly permits any part of the wages to which he or she is entitled under the contract governing such project to be deducted from his or her pay is guilty of an offense under s. 946.15 (4), unless the deduction would be permitted under 29 CFR 3.5 or 3.6 from a person who is working on a project that is subject to 40 USC 276c.

(f) Paragraph (a) does not apply to any person who fails to provide any information to the department to assist the department in determining prevailing wage rates and prevailing hours of labor under sub. (3) (a) or (am).

**(7) DEPARTMENT.** (a) Except as provided under pars. (b) and (c), the department shall distribute to all state agencies and to the University of Wisconsin Hospitals and Clinics Authority a list of all persons whom the department has found to have failed to pay the prevailing wage rate determined under sub. (3) or has found to have paid less than 1.5 times the hourly basic rate of pay for all

hours worked in excess of the prevailing hours of labor determined under sub. (3) at any time in the preceding 3 years. The department shall include with any such name the address of such person and shall specify when such person failed to pay the prevailing wage rate and when such person failed to pay less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor. A state agency or the University of Wisconsin Hospitals and Clinics Authority may not award any contract to such person unless otherwise recommended by the department or unless 3 years have elapsed from the date the department issued its findings or date of final determination by a court of competent jurisdiction, whichever is later.

(b) The department may not include in a notification under par. (a) the name of any person on the basis of having let work to a person whom the department has found to have failed to pay the prevailing wage rate determined under sub. (3) or has found to have paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor determined under sub. (3).

(c) This subsection does not apply to any contractor, subcontractor or agent who in good faith commits a minor violation of this section, as determined on a case-by-case basis through administrative hearings with all rights to due process afforded to all parties or who has not exhausted or waived all appeals.

(d) Any person submitting a bid on a project that is subject to this section shall be required, on the date the person submits the bid, to identify any construction business in which the person, or a shareholder, officer or partner of the person, if the person is a business, owns, or has owned at least a 25% interest on the date the person submits the bid or at any other time within 3 years preceding the date the person submits the bid, if the business has been found to have failed to pay the prevailing wage rate determined under sub. (3) or to have paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor determined under sub. (3).

(e) The department shall promulgate rules to administer this subsection.

**103.50 Highway contracts. (1) DEFINITIONS.** In this section:

(a) “Area” means the [county] in which a proposed project that is subject to this section is located or, if the department determines that there is insufficient wage data in that county, “area” means those counties that are contiguous to that county or, if the department determines that there is insufficient wage data in those counties, “area” means those counties that are contiguous to those counties or, if the department determines that there is insufficient wage data in those counties, “area” means the entire state.

**NOTE:** The bracketed language was inadvertently omitted by 1995 Wis. Act 215. Corrective legislation is pending.

(3); nor may he or she be paid a lesser rate of wages than the prevailing wage rate in the area in which the work is to be done determined under sub. **NOTE:** Sub. (2) is shown as amended by 1995 Wis. Act 215. Changes to sub. (2) made by 1995 Wis. Act 225 are not shown. Act 225 is a revisor’s correction bill which made nonsubstantive changes which conflicted in form with the changes made by Act 215. The Act 225 treatment will be repealed by future revisor’s correction bill.

(2m) **COVERED EMPLOYEES.** (a) All of the following employees shall be paid the prevailing wage rate determined under sub. (3) and may not be permitted to work a greater number of hours per day or per calendar week than the prevailing hours of labor determined under sub. (3), unless they are paid for all hours worked in excess of the prevailing hours of labor at a rate of at least 1.5 times their hourly basic rate of pay:

1. All laborers, workers, mechanics and truck drivers employed on the site of a project that is subject to this section, or employed to deliver mineral aggregate such as sand, gravel or stone that is immediately incorporated into the work, and not stockpiled or further transported by truck, to or from the site of a project that is subject to this section by depositing the material substantially in place, directly or through spreaders from the transporting vehicle, or employed to transport excavated material or spoil from and return to the site of a project that is subject to this section.

2. All laborers, workers, mechanics and truck drivers employed in the manufacturing or furnishing of materials, articles, supplies or equipment on the site of a project that is subject to this section or from a facility dedicated exclusively, or nearly so, to a project that is subject to this section by a contractor, subcontractor, agent or other person performing any work on the site of the project.

(b) Notwithstanding par. (a), a laborer, worker, mechanic or truck driver who is regularly employed in the processing, manufacturing or delivery of materials or products by or for a commercial establishment that has a fixed place of business from which the establishment regularly supplies processed or manufactured materials or products is not entitled to receive the prevailing wage rate determined under sub. (3) **INVESTIGATIONS; DETERMINATIONS.** The department shall conduct investigations and hold public hearings necessary to define the trades or occupations that are commonly employed in the highway construction industry and to inform itself as to the prevailing wage rates and prevailing hours of labor in all areas of the state for those trades or occupations, in order to ascertain and determine the prevailing wage rates and prevailing hours of labor accordingly.

(4) **CERTIFICATION OF PREVAILING WAGE RATES AND HOURS OF LABOR.** The department of industry, labor and job development shall, by May 1 of each calendar year, certify to the department of transportation the prevailing wage rates and the prevailing hours

**(6) CONTENTS OF CONTRACTS.** A reference to the prevailing wage rates and the prevailing hours of labor determined under sub. (3) shall be published in the notice issued for the purpose of securing bids for a project. If any contract or subcontract for a project that is subject to this section is entered into, the prevailing wage rates and prevailing hours of labor determined under sub. The prevailing wage rates and prevailing hours of labor applicable to a contract or subcontract may not be changed during the time that the contract or subcontract is in force. For the information of the employes working on the project, the prevailing wage rates and prevailing hours of labor determined by the department and the provisions of subs. Upon request of the department of transportation or upon complaint of alleged violation, the district attorney of the county in which the work is located shall make such investigation as necessary and prosecute violations in a court of competent jurisdiction. Section 111.322 (2m) applies to discharge and other discriminatory acts arising in connection with any proceeding under this section.

The department may not make more than one annual certification of the prevailing hours of labor or prevailing wage rates to apply to state highway project contracts. 59 Atty. Gen. 23.

**103.51 Public policy as to collective bargaining.** In the interpretation and application of ss. 103.51 to 103.62 the public policy of this state is declared as follows:

**(1)** Negotiation of terms and conditions of labor should result from voluntary agreement between employer and employees. Governmental authority has permitted and encouraged employees to organize in the corporate and other forms of capital control. In dealing with such employers, the individual unorganized worker is helpless to exercise actual liberty of contract and to protect his or her freedom of labor, and thereby to obtain acceptable terms and conditions of employment. Therefore it is necessary that the individual worker have full freedom of association, self-organization, and the designation of representatives of the worker's own choosing, to negotiate the terms and conditions of the worker's employment, and that the worker shall be free from the interference, restraint or coercion of employers of labor, or their agents, in the designation of such representatives or in self-organization or in other concerted activities for the purpose of collective bargaining or other mutual aid or protection.

**History:** 1995 a. 225.

**103.52 "Yellow-dog" contracts.** **(1)** Every undertaking or promise made after July 1, 1931, whether written or oral, express or implied, between any employe or prospective employe and that person's employer, prospective employer or any other individual, firm, company, association or corporation is declared to be against public policy if either party thereto undertakes or promises any of the following:

(a) To join or to remain a member of some specific labor organization or to join or remain a member of some specific employer organization or any employer organization.

(b) Not to join or not to remain a member of some specific labor organization or any labor organization, or of some specific employer organization or any employer organization.

(c) To withdraw from an employment relation in the event that the party joins or remains a member of some specific labor organization or any labor organization, or of some specific employer organization or any employer organization.

(2) No undertaking or promise described in sub. (1) shall afford any basis for the granting of legal or equitable relief by any court against a party to such undertaking or promise, or against any other persons who may advise, urge or induce, without fraud, violence, or threat thereof, either party thereto to act in disregard of such undertaking or promise.

(3) This section in its entirety is supplemental to and of s. 103.46 (1).

(i) Agreeing with other persons to do or not to do any of the acts heretofore specified;

(j) Advising, urging, or inducing without fraud, violence, or threat thereof, others to do the acts heretofore specified, regardless of any such undertaking or promise as is described in s. 103.52; and

(k) Doing in concert any or all of the acts heretofore specified shall not constitute an unlawful combination or conspiracy;

(L) Peaceful picketing or patrolling, whether engaged in singly or in numbers, shall be legal.

(2) No court, nor any judge or judges thereof, shall have jurisdiction to issue any restraining order or temporary or permanent injunction which, in specific or general terms, prohibits any person or persons from doing, whether singly or in concert, any of the foregoing acts.

**103.545 Recruitment of strikebreakers.** (1) In this section:

(a) "Employer" has the meaning given under s. 111.02 (7).

(b) "Strikebreaker" means any person who at least twice during the previous 12-month period has accepted employment for the duration of a strike or a lockout in place of employes who are involved in a strike or lockout of a specific employer, but does not include any supervisory or other permanent employe of the employer who is temporarily assigned to perform the duties of an employe involved in a strike or lockout or other permanent or contractual employe whose services are necessary to ensure that the plant or other property of the employer involved in the strike or lockout is properly maintained and protected for the resumption of normal operations at any time.

(2) No employer may knowingly employ or contract with another to employ any strikebreaker to replace employes who are on strike against the employer or locked out by it.

(3) No person who is not directly involved in a strike or lockout may recruit any strikebreaker for employment or secure or offer to secure employment for any strikebreaker when the purpose thereof is to have the strikebreaker replace an employe in an industry or establishment where a strike or lockout exists.

(4) No person, including a licensed employment agent, may transport or arrange to transport to this state any strikebreaker to be engaged in employment for the purpose of replacing employes in an industry or establishment where a strike or lockout exists.

(5) Whoever violates this section or any order of the department issued under this section may be fined not more than \$2,000 or imprisoned in the county jail for not more than one year or both.

(6) Upon complaint of an affected employer, labor organization or employe, the department may investigate violations and issue orders to enforce this section. The investigations and orders shall be made as provided under s. 103.005. Orders are subject to review as provided in ch. 227. The department of justice may, upon request of the commission, prosecute violations of this section in any court of competent jurisdiction.

History: 1979 c. 322; 1983 a. 189 s. 329 (4); 1995 a. 27.

**103.55 Public policy as to labor litigation.** In the interpretation and application of ss. 103.56 to 103.59, the public policy of this state is declared to be:

(1) Equity procedure that permits a complaining party to obtain sweeping injunctive relief that is not preceded by or conditioned upon notice to and hearing of the responding party or parties, or that issues after hearing based upon written affidavits alone and not wholly or in part upon examination, confrontation and cross-examination of witnesses in open court, is peculiarly subject to abuse in labor litigation for the reasons that:

(a) The existing state of affairs cannot be maintained but is necessarily altered by the injunction;

(b) Determination of issues of veracity and of probability of fact from affidavits of the opposing parties that are contradictory and, under the circumstances, untrustworthy rather than from oral examination in open court is subject to grave error;

(c) Error in issuing the injunctive relief is usually irreparable to the opposing party; and

(d) Delay incident to the normal course of appellate practice frequently makes ultimate correction of error in law or in fact unavailing in the particular case.

**History:** 1979 c. 110 s. 60 (9); 1985 a. 135.

**103.56 Injunctions: conditions of issuance; restraining orders. (1)** No court nor any judge or judges thereof shall have jurisdiction to issue a temporary or permanent injunction in any case involving or growing out of a labor dispute, as defined in s. 103.62, except after hearing the testimony of witnesses in open court (with opportunity for cross-examination) in support of the allegations of a complaint made under oath, and testimony in opposition thereto, if offered, and except after findings of all the following facts by the court or judge or judges thereof:

(a) That unlawful acts have been threatened or committed and will be executed or continued unless restrained;

(b) That substantial and irreparable injury to complainant's property will follow unless the relief requested is granted;

(c) That as to each item of relief granted greater injury will be inflicted upon complainant by the denial thereof than will be inflicted upon defendants by the granting thereof;

(d) That the relief to be granted does not violate s. 103.53;

(e) That complainant has no adequate remedy at law; and

(f) That the public officers charged with the duty to protect complainant's property have failed or are unable to furnish adequate protection.

**(2)** Such hearing shall be held after due and personal notice thereof has been given, in such manner as the court shall direct, to all known persons against whom relief is sought, and also to those public officers charged with the duty to protect complainant's property. Provided, however, that if a complainant shall also allege that unless a temporary restraining order shall be issued before such hearing may be had, a substantial and irreparable injury to complainant's property will be unavoidable, such a temporary restraining order may be granted upon the expiration of such reasonable notice of application therefor as the court may direct by order to show cause, but in no case less than forty-eight hours.

**(3)** Such order to show cause shall be served upon such party or parties as are sought to be restrained and as shall be specified in said order, and then only upon testimony under oath, or in the discretion of the court, upon affidavits, sufficient, if sustained, to justify the court in issuing a temporary injunction upon a hearing as herein provided for.

**(4)** Such a temporary restraining order shall be effective for no longer than five days, and at the expiration of said five days shall become void and not subject to renewal or extension, provided, however, that if the hearing for a temporary injunction shall have been begun before the expiration of the said five days the restraining order may in the court's discretion be continued until a decision is reached upon the issuance of the temporary injunction.

**(5)** No temporary restraining order or temporary injunction shall be issued except on condition that complainant shall first file an undertaking with adequate security sufficient to recompense those enjoined for any loss, expense, or damage caused by the improvident or erroneous issuance of such order or injunction, including all reasonable costs (together with a reasonable attorney's fee) and expense against the order or against the granting of any injunctive relief sought in the same proceeding and subsequently denied by the court.

**(6)** The undertaking herein mentioned shall be understood to signify an agreement entered into by the complainant and the surety upon which a decree may be rendered in the same suit or

proceeding against said complainant and surety, the said complainant and surety submitting themselves to the jurisdiction of the court for that purpose. But nothing herein contained shall deprive any party having a claim or cause of action under or upon such undertaking from electing to pursue an ordinary remedy by suit at law or in equity.

**History:** 1993 a. 492.

Sub. (1) and 103.62, relating to limitations upon the jurisdiction of a court to issue injunctions in cases arising from labor disputes, are inapplicable to actions brought by the state or its political subdivisions against public employees. *Joint School v. Wisconsin Rapids Ed. Asso.* 70 W (2d) 292, 234 NW (2d) 289.

**103.57 Clean hands doctrine.** No restraining order or injunctive relief shall be granted to any complainant who has failed to comply with any legal obligation which is involved in the labor dispute in question, or who has failed to make every reasonable effort to settle such dispute either by negotiation or with the aid of any available machinery of governmental mediation or voluntary arbitration, but nothing herein contained shall be deemed to require the court to await the action of any such tribunal if irreparable injury is threatened.

**103.58 Injunctions: contents.** Except as provided in s. 103.56, no restraining order or temporary or permanent injunction shall be granted in a case involving or growing out of a labor dispute, except on the basis of findings of fact made and filed by the court in the record of the case prior to the issuance of such restraining order or injunction; and every restraining order or injunction granted in a case involving or growing out of a labor dispute shall include only a prohibition of such specific act or acts as may be expressly complained of in the bill of complaint or petition filed in such case and expressly included in said findings of fact made and filed by the court as provided herein; and shall be binding only upon the parties to the suit, their agents, servants, employes and attorneys, or those in active concert and participation with them, and who shall by personal service or otherwise have received actual notice of the same.

**103.59 Injunctions: appeals.** If any court issues or denies any temporary injunction in a case involving or growing out of a labor dispute, the court shall, upon the request of any party to the proceedings, and on filing the usual bond for costs, forthwith certify the entire record of the case, including a transcript of the evidence taken, to the appropriate appellate court for its review. Upon the filing of the record in the appropriate appellate court the appeal shall be given preference.

**History:** 1983 a. 219.

**103.60 Contempt cases.** If a person is charged with contempt under this chapter for violation of a restraining order or injunction issued by a court or judge or judges thereof, the accused shall enjoy:

**(1)** The rights as to admission to bail that are accorded to persons accused of crime.

**(2)** The right to be notified of the accusation and a reasonable time to make a defense, provided the alleged contempt is not committed in the immediate view or presence of the court.

**(3)** Upon demand, the right to a speedy and public trial by an impartial jury of the county in which the contempt was committed, provided that this requirement shall not be construed to apply to contempts committed in the presence of the court or so near thereto as to interfere directly with the administration of justice or to apply to the misbehavior, misconduct or disobedience of any officer of the court in respect to the writs, orders or process of the court. All contempt proceedings brought for the alleged violation of any such restraining order or injunction are independent, original, special proceedings and shall require a unanimous finding of the jury.

**(4)** A substitution of judge request in this section shall be made under s. 801.58.

**History:** 1977 c. 135; 1979 c. 257.

A jury trial is required in cases of criminal contempt where the penalty imposed is serious, but a striker charged with civil contempt for violation of an order enjoining

a teachers' strike is not entitled to a jury trial. *Joint School v. Wisconsin Rapids Ed. Assn.* 70 W (2d) 292, 234 NW (2d) 289.

**103.61 Punishment for contempt.** Punishment for a contempt, specified in s. 103.60, may be by fine, not exceeding \$25, or by imprisonment not exceeding ten days, in the jail of the county where the court is sitting, or both, in the discretion of the court. Where a person is committed to jail, for the nonpayment of such a fine, the person must be discharged at the expiration of fifteen days; but where the person is also committed for a definite time, the fifteen days must be computed from the expiration of the definite time.

**History:** 1993 a. 492.

**103.62 Definitions.** When used in ss. 103.51 to 103.62, and for the purposes of these sections:

(1) A case shall be held to involve or to grow out of a labor dispute when the case involves persons who are engaged in a single industry, trade, craft, or occupation; or who are employees of one employer; or who are members of the same or an affiliated organization of employers or employees; whether such dispute is any of the following:

(a) Between one or more employers or associations of employers and one or more employees or associations of employees.

(b) Between one or more employers or associations of employers and one or more employees or associations of employees.

(c) Between one or more employees or associations of employees and one or more employers or associations of employers.

(d) Between any conflicting or competing interests in a "labor dispute", as defined in sub. (3), of "persons participating or interested" therein, as defined in sub. (2).

(2) A person or association shall be held to be a person participating or interested in a labor dispute if relief is sought against the person or association and if the person or association is engaged in the industry, trade, craft, or occupation in which such dispute occurs, or is a member, officer, or agent of any association of employers or employees engaged in such industry, trade, craft, or occupation.

(3) The term "labor dispute" means any controversy between an employer and the majority of the employer's employees in a collective bargaining unit concerning the right or process or details of collective bargaining or the designation of representatives. Any organization with which either the employer or such majority is affiliated may be considered a party to the labor dispute. The provisions of this subsection shall supersede any provision of the statutes in conflict therewith.

**History:** 1993 a. 492; 1995 a. 225.

**103.65 General standards for employment of minors.**

(1) A minor shall not be employed or permitted to work at any employment or in any place of employment dangerous or prejudicial to the life, health, safety, or welfare of the minor or where the employment of the minor may be dangerous or prejudicial to the life, health, safety or welfare of other employees or frequenters.

(2) No minor shall be employed or permitted to work at any employment for such hours of the day or week, or such days of the week, or at such periods of the day as shall be dangerous or prejudicial to the life, health, safety or welfare of such minor.

**History:** 1971 c. 271.

Plaintiff was in class protected by rule promulgated under this section; court did not err in giving "negligence per se" instruction. *McGarrity v. Welch Plumbing Co.* 104 W (2d) 414, 312 NW (2d) 37 (1981).

Trial court erred in failing to hold as matter of law that employer's violation of child labor laws caused injury and that defense of child's contributory negligence was inapplicable to case. *D. L. v. Huebner*, 110 W (2d) 581, 329 NW (2d) 890 (1983).

**103.66 Powers and duties of the department relating to employment of minors.** (1) The department may investigate, determine and fix reasonable classifications of employments, places of employment and minimum ages for hazardous employment for minors, and may issue general or special orders prohibiting the employment of minors in employments or places of employment prejudicial to the life, health, safety or welfare of minors, and may carry out the purposes of ss. 103.64 to 103.82.

In fixing minimum ages for hazardous employment for minors under this subsection, the department shall permit the employment of a minor 14 years of age or over as a laboratory assistant for a nonprofit, community-based organization that provides educational opportunities in medically related fields if the minor is under the direct supervision of a mentor and the laboratory at which the minor is employed complies with 10 CFR 20.1207 and 29 CFR 1910.1030.

(g) Unless prohibited under s. 103.65, minors 12 years of age or older may be employed under the direct supervision of the minor's parent or guardian in connection with the parent's or guardian's business, trade or profession.

Injured minor cannot be charged with contributory negligence when employment is in violation of child labor law. See note to 895.37, citing *Tisdale v. Hasslinger*, 79 W (2d) 194, 255 NW (2d) 314.

**103.68 Hours of labor.** Except as the department may from time to time issue orders as provided under s. 103.66 (2) regulating the hours of employment of minors, the following schedule of hours shall be deemed to be necessary to protect minors from employment dangerous or prejudicial to their life, health, safety, or welfare and shall apply to minors of the ages specified therein:

(1) No minor shall be employed or permitted to work at any gainful occupation other than domestic service or farm labor for more than 8 hours in any one day nor more than 40 hours nor more than 6 days in any one week, nor during such hours as the minor is required under s. 118.15 (2) to attend school.

The department may, by orders issued under s. 103.66, give effect to the recommendations of the council.

**History:** 1971 c. 271.

See note to 103.65, citing *McGarrity v. Welch Plumbing Co.* 104 W (2d) 414, 312 NW (2d) 37 (1981).

(b) A school board designated as a permit officer under par. (a) may assign the duties of permit officer to an officer or employe of the school district.

(2) The department may designate persons other than school boards as permit officers, regardless of whether any school board refuses designation as a permit officer under sub. (1) (a).

**History:** 1987 a. 187.

**103.70 Permits necessary for minors; exceptions.** (1) Except as otherwise provided in sub. (2) and in ss. 103.21 to 103.31, 103.78, 938.245 (2) (a) 5. b., 938.32 (1t) (a) 2. and 938.34 (5) (b) and (5g) (c), and as may be provided under s. 103.79, a minor, unless indentured as an apprentice in accordance with s. 106.01, or unless 12 years and over and engaged in agricultural pursuits, or unless 14 years and over and enrolled in a youth apprenticeship program under s. 106.13, shall not be employed or

permitted to work at any gainful occupation or employment unless there is first obtained from the department or a permit officer a written permit authorizing the employment of the minor within those periods of time stated in the permit, which shall not exceed the maximum hours prescribed by law.

(2) Minors may be employed without permits in any employment limited to work in or around a home in work usual to the home of the employer, if the employment is not in connection with or a part of the business, trade or profession of the employer, is in accordance with the minimum age stated in s. 103.67 (2) (d) and is not specifically prohibited by ss. 103.64 to 103.82 or by any order of the department.

**History:** 1971 c. 271; 1973 c. 59; 1979 c. 234; 1987 a. 187; 1993 a. 437; 1995 a. 27, 352.

Under the neighborhood youth corps program authorized by the economic opportunity act of 1964, all enrollees of this federally sponsored and locally administered program are employes and must be covered by suitable work permits unless exempt because of age or the nature of their activities. The department does not have the authority to waive the permit fee, there being no statutory exemption. 62 Atty. Gen. 256.

**103.71 Conditions for issuance of permits.** (1) Except as provided in s. 103.78, a permit shall not be issued authorizing any minor 14 to 18 years of age to be employed during the hours that the minor is required to attend school under s. 118.15, unless the minor has completed high school. The department and its permit officers shall accept as evidence of the minor's completion of high school either:

(a) A diploma or certificate to this effect issued by the superintendent of public schools or by the principal of the public school last attended by such minor, or in the absence of both the aforementioned persons by the clerk of the proper school board; or

(b) A diploma or certificate to this effect issued by the superintendent of the parochial school system or by the principal of the parochial or private school last attended by such minor. Such superintendent, principal or clerk shall issue such diploma or certificate upon receipt of any application in behalf of any minor entitled thereto. As used in this paragraph the term "school district" shall apply to all regularly constituted school districts, including union free high school districts.

(2) No permit may be issued authorizing the employment of any minor under 14 years of age at any time, except for:

(a) The employment of minors 11 to 13 years of age as ball monitors at high school football games as provided in s. 103.67 (2) (i).

(b) The employment of minors 12 years of age and over:

1. In school lunch programs under s. 103.67 (2) (a).

3. As caddies on golf courses as provided in s. 103.67 (2) (d).

4. In the business, trade or profession of the minor's parent or guardian as provided in s. 103.67 (2) (g).

5. As a sideline official at a high school football game as provided in s. 103.67 (2) (h).

(3) No permit may be issued under sub. (2) (b) 4., unless the department or permit officer is satisfied that employment under s. 103.67 (2) (g) is not injurious or detrimental to the minor's education, health, safety or welfare.

**History:** 1971 c. 271; 1973 c. 59, 183, 336; 1975 c. 94; 1979 c. 234; 1987 a. 187; 1989 a. 126; 1993 a. 492.

**103.72 Refusal and revocation of permits.** (1) The department or permit officer may refuse to grant permits in the case of minors who seem physically unable to perform the labor at which they are to be employed. They may also refuse to grant a permit if in their judgment the best interests of the minor would be served by that refusal.

(2) Whenever it appears to the department that a permit has been improperly or illegally issued, or that the physical or moral welfare or school attendance of the minor would be best served by the revocation of the permit or that the failing school performance of the minor would be remedied by the revocation of the permit,

the department may immediately, without notice, revoke the permit. The department shall revoke a permit if ordered to do so under s. 938.342 (1) (e). If the department revokes a permit, the department shall, by registered mail, notify the person employing the minor and the minor holding the permit of the revocation. Upon receipt of the notice, the employer employing the minor shall immediately return the revoked permit to the department and discontinue the employment of the minor.

**History:** 1995 a. 77.

### 103.73 Form and requisites of permit; as evidence.

(1) The permit provided under s. 103.70 shall state the name and the date and place of birth of the minor and that the following evidence, records and papers have been examined, approved and filed:

(a) Such evidence as is required by the department showing the age of the minor. The department shall formulate and publish rules and regulations governing the proof of age of minors who apply for labor permits, and such rules and regulations shall bind all persons authorized by law to issue such permits.

(b) A letter written on the regular letterhead or other business paper used by the person who desires to employ the minor, stating the intention of the person to employ the minor and signed by the person or someone duly authorized by the person.

(2) The permits provided under s. 103.70 shall be issued upon blanks furnished by the department.

(3) A child labor permit duly issued shall be conclusive evidence of the age of the minor for whom it was issued in any proceeding under any of the labor laws and under ch. 102, as to any act or thing occurring subsequent to the date such permit was issued.

**History:** 1971 c. 271; 1975 c. 147 s. 54; 1979 c. 89; 1993 a. 492.

**103.74 Duties of employers of minors.** Every employer employing a minor under 18 for whom a permit is required, except in street trades, shall:

(1) Receive and file a child labor permit authorizing employment of the minor by him or her before the minor is permitted to do any work, and shall keep the permit on file and allow inspection of the permit at any time by the department or any school attendance officer. A permit shall be valid only for the employer for whom issued.

(2) Keep a record for each employed minor's name, address, date of birth, the time of beginning and ending work and the time for meals each day and the total hours worked each day and each week.

**History:** 1971 c. 271; 1979 c. 298; 1993 a. 492.

**103.75 Certificates of age.** (1) The department or persons designated by it may issue certificates of age for minors under rules the department deems necessary. The certificate is conclusive evidence of the age of the minor to whom issued in any proceeding under any of the labor laws and under ch. 102 as to any act or thing occurring subsequent to the date the certificate was issued.

(2) Any person who knowingly offers or assists in offering false evidence of age for the purpose of obtaining an age certificate or who alters, forges, fraudulently obtains, uses, or refuses to surrender upon demand of the department a certificate of age may be fined not more than \$100 or imprisoned not to exceed 3 months.

**History:** 1971 c. 271; 1975 c. 147 s. 54; 1979 c. 89, 177.

**103.76 Proof of age in court.** Whenever in any proceeding in any court under any of the labor laws or under ch. 102 there is any doubt of the age of a minor a duly issued child labor permit or age certificate shall be conclusive evidence. In the absence of such permit or certificate a duly attested birth certificate or a verified baptismal certificate shall be produced and filed with the court. Upon proof that the birth or baptismal certificate cannot be

secured, the record of age stated in the first school enrollment of the child shall be admissible as evidence thereof.

**History:** 1975 c. 147 s. 54; 1979 c. 89.

### 103.78 Minors in public exhibitions, radio and television broadcasts, modeling.

(1) Nothing contained in ss. 103.64 to 103.82 shall be construed as forbidding any minor under 18 years of age to appear for the purpose of singing, playing or performing in any studio, circus, theatrical or musical exhibition, concert or festival, in radio and television broadcasts, or as a live or photographic model. Labor permits shall not be required for such employment or appearances but no minor under 18 years of age shall be so employed except under the following conditions:

(a) The activities enumerated shall not be detrimental to the life, health, safety or welfare of the minor.

(b) The activities enumerated shall not interfere with the schooling of the minor and provision for education equivalent to full-time school attendance in the public schools for minors under 16 years of age and part-time attendance for minors 16 to 18 years of age shall be made for those minors who are not high school graduates.

(c) A parent or guardian shall accompany each minor under 16 years of age at all rehearsals, appearances and performances.

*History:* 1977 c. 17; 1995 a. 27.

**103.915 Migrant work agreements.** (1) No person may bring or arrange for another to bring a migrant worker into this state for employment, by means of an express or implied job offer

induce a migrant worker to come into this state for employment, otherwise recruit a migrant worker to come into this state for employment, or hire a migrant worker for employment in this state unless that person does all of the following:

(a) At the time of the worker's recruitment, provides the migrant worker a written recruiting disclosure statement containing the information required in a work agreement under this section.

(b) At the time of hiring, provides the migrant worker a written work agreement as specified in this section, which shall be signed by the employer and by each migrant worker or head of a family if a family is employed.

(2) The department shall issue a standard form for written work agreements required under this section. An employer may elect not to use such form. If an employer does not use the standard form, the employer shall use a form approved by the department.

(3) In fulfilling its duties under s. 103.905, the department may inspect any work agreement signed under this section.

(4) The work agreement shall include the following:

(a) A statement of the place of employment, kind of work available, applicable wage rates, pay period, approximate hours of employment including overtime applicable, term of employment including approximate beginning and ending dates, kind of housing and any charges in connection therewith, cost of meals if provided by the employer, transportation arrangements, the names of all persons in the family employed if a family is employed and any other charges or deductions from wages beyond those required by law.

(b) A guarantee of a minimum of 20 hours of work in a one-week period or a minimum of 64 hours of work in a 2-week period, the work to be the same as or similar to the kind of work specified in the work agreement. The work agreement shall clearly state whether the guarantee is on the basis of a one-week or 2-week period. In the case of a migrant worker employed exclusively in agricultural labor as defined in s. 108.02 (2), the guarantee shall be a minimum of 45 hours in each 2-week period, the work to be the same as or similar to the kind of work specified in the work agreement. The minimum guarantee shall be satisfied if the worker's earnings equal the number of hours guaranteed under this paragraph multiplied by the wage rate specified in the work agreement. The guarantee shall cover the period from the date the worker is notified by the employer to report for work, which date shall be reasonably related to the approximate beginning date specified in the work agreement, or the date the worker reports for work, whichever is later, and continuing until the final termination of employment, as specified in the work agreement, or earlier if the worker is terminated for cause or due to seriously adverse circumstances beyond the employer's control. If the beginning or ending period of employment does not coincide with the employer's pay period, the employer may reduce the guarantee for such beginning or ending period to an amount which is equal to the number of days in the beginning or ending period of employment multiplied by one-sixth of the guarantee if the employer's guarantee is on a weekly basis or multiplied by one-twelfth of the guarantee if the employer's guarantee is on a biweekly basis. If a worker is not available for work, the employer may reduce the minimum guarantee by an amount equal to the wages the worker would have earned if the worker had been available for work. This paragraph shall not apply to any person who is under the age of 18 years and who is a member of a household which contains a worker covered by a migrant work agreement under this section. The payment of the minimum guarantee under this paragraph shall be considered the payment of wages under ch. 108.

(c) A guarantee that the wages together with the other terms and conditions of employment are not less favorable than those provided by the employer for local workers for similar work.

(5) If a worker reports for work as notified by an employer and the worker is never employed due to seriously adverse circumstances beyond the employer's control, the employer shall not be obligated to pay the minimum guarantee under sub. (4) (b) but shall be obligated to pay wages to the worker at the agreed rate of pay for the job for which the worker was recruited for the elapsed time from departure to return to the point of departure, which amount shall not be less than 3 nor more than 6 days' pay at 8 hours per day. The employer shall pay the worker the amount required under this subsection within 24 hours after the worker reports to the employer for work.

(6) The work agreement may contain a guarantee which differs from the guarantee required under sub. (4) (b) if the department finds the guarantee to be no less favorable than the guarantee under sub. (4) (b) and approves the terms of the guarantee prior to the time the employer offers the work agreement to any worker.

(7) Temporary work for another employer with the consent of the worker and his or her first employer shall count toward the guarantee required under sub. (4) (b). Such other employer shall not be required to provide the worker a work agreement.

(8) The recruiting disclosure statement and work agreement required under this section shall be written in English and, if the customary language of the migrant worker is not English, in the language of the worker. The department shall, upon request, provide assistance in translating these statements and agreements.

(9) Any employer who does not satisfy the employer's guarantees in a work agreement as required under sub. (4) shall be considered not in compliance with this section.

Each application shall be accompanied by an application fee in an amount determined by the department.

(2) **INSPECTION.** The department shall administer and enforce this section and any rules promulgated under this section and may during reasonable daylight hours enter and inspect camps. No agent or employe of the department may enter the premises of a camp for inspection purposes until he or she has given notice to the owner or to the person in charge of the camp that he or she intends to make an inspection. Upon notice an agent or employe of the department may also enter any property to determine whether a camp under this section exists.

(3) **CERTIFICATE.** The department shall inspect each camp for which application to operate is made, to determine if it is in compliance with the rules of the department establishing minimum standards for migrant labor camps. If the department finds that the camp is in compliance with the rules, it shall issue a certificate authorizing the camp to operate until March 31 of the next year. The department shall refuse to issue a certificate if it finds that the camp is in violation of such rules.

(4) **OPERATION.** Only certified camps may operate in this state. The department shall order the immediate closing of all other camps. A violation of any such order shall be deemed a public nuisance. All orders shall be enforced by the attorney general or the district attorney for the county in which the violation occurred at the election of the department. The circuit court of any county where violation of such an order has occurred in whole or in part shall have jurisdiction to enforce the order by injunctive and other appropriate relief.

(5) **MAINTENANCE.** The department may revoke any certificate previously issued if it finds that a camp is in violation of the department's rules for migrant labor camps.

*History:* 1977 c. 17; 1995 a. 27.

This section shall not prohibit the erection or maintenance of a fence around a migrant labor camp if one or more unlocked gates or gateways in the fence are provided, nor shall this section prohibit the posting of land adjacent to a migrant labor camp if access to the camp is clearly marked, nor shall this section prevent a majority of the residents of a migrant labor camp from imposing reasonable limitations on access to common use facilities.

*History:* 1977 c. 17.

**103.926 Vacating residence.** After a worker's employment has been terminated, the employer may require a worker to vacate residence at the migrant labor camp operated by the employer upon final payment of wages to the worker.

*History:* 1977 c. 17.

**103.93 Wages. (1) WAGE PAYMENT.** (a) Every employer shall pay all wages earned by any migrant worker directly to such worker on regular pay days designated in advance by the employer, but in no case less often than semimonthly. Wages shall be paid in U.S. currency or by check or draft.

(b) Every employer shall pay in full all wages due any migrant worker within 3 days after the termination of the period of employment for which the worker was employed except as provided under s. 103.915 (5). If the employer is unable to determine, due to circumstances beyond the employer's control, the amount of wages, figured upon a basis or system other than time rate, due to a worker under this paragraph, the employer shall pay the worker the amount of guaranteed wages due under s. 103.915 (4) (b) within the time required under this paragraph and shall pay any additional wages due within a reasonable time after such wages are determined.

(2) **WAGE STATEMENT.** Every employer shall furnish to each migrant worker at the time of payment of wages a written statement showing the amount of gross and net wages paid by the employer to the worker, and each amount deducted or withheld for whatever purpose.

(3) **DEDUCTIONS.** No employer or migrant labor contractor may deduct or withhold from the wages of any migrant worker any amount on account of debts accrued or anticipated unless the worker has previously authorized such deduction or withholding in writing. Nothing in this subsection shall prohibit any employer of a migrant worker from deducting or withholding from any wages paid, such amounts as may be required by law or on account of any court order.

(4) **OVERTIME.** Any migrant worker not employed exclusively in agricultural labor as defined in s. 108.02 (2) shall be paid not less than one and one-half times the worker's regular rate for any hours worked on Sunday unless the worker is allowed another day of rest in that calendar week.

*History:* 1977 c. 17; 1983 a. 189 s. 329 (28).

**103.935 Hours of labor. (1)** In the case of a migrant worker employed exclusively in agricultural labor as defined in s. 108.02 (2), the hours of labor shall be as follows:
