(1) Members of a school board in existence in a city immediately prior to the date on which such city becomes a city of the 1st class shall continue to hold office and shall exercise all of the rights and privileges and discharge the duties of members of the board until their successors appointed under sub. (2) are appointed and qualified.

(2) Within 120 days after the date on which a city becomes a 1st class city, the mayor, the city treasurer, the city comptroller, the city attorney and the president of the common council of that city, acting as a commission for the city, shall meet and appoint a board of one at-large member and 8 members from election districts numbered and designated by the common council. The election districts shall be substantially equal in population and the boundaries of the election districts shall be drawn so as to reflect a balanced representation of citizens of all areas within the city. The person appointed to represent an election district shall reside within the boundaries of the election district as determined by the common council under this subsection.

(3) The terms of members first appointed to the board by the commission shall be as follows:

(a) The at-large member and 4 of the combined aldermanic district members shall serve for a term beginning on the 4th Monday of the month next following their appointment and expiring on the 4th Monday in April in the 2nd year following the year in which a city becomes a city of the 1st class.

(b) Four of the combined aldermanic district members shall serve for a term beginning on the 4th Monday of the month next following their appointment and expiring on the 4th Monday in April in the 4th year following the year in which a city becomes a city of the 1st class.

(4) (a) Within 90 days after the board members appointed by the commission under sub. (2) have taken office, the common council of the city may, by resolution adopted by a majority of its members-elect, call a special election to elect successors to the board members so appointed. Such resolution shall be introduced at a regular meeting of the common council. No action may be taken on the resolution until the next regular meeting of the common council and until the resolution has been published as a class

1 notice, under ch. 985, together with a notice of the time when the resolution will be considered by the common council.

(b) The board members elected at the special election shall be nominated and elected to succeed the board members appointed for the terms expiring under sub. (3) (a) and (b) and for the same terms. The terms of office of the board members elected at the special election shall begin on the 4th Monday following the election.

(c) Candidates for the board at the special election shall be nominated in the same manner as for the spring election.

(d) The special election shall be held at the polling places and shall be conducted in the manner of and by the election officials for the spring election.

(5) The board first appointed under sub. (2) or first elected at a special election under sub. (4) shall hold an organizational meeting under s. 119.10 (2) on the 4th Monday of the month, or the next day if the 4th Monday is a legal holiday, following their appointment or election, and annually thereafter shall meet in accordance with s. 119.10 (2).

(6) Successors to board members appointed under sub. (3) or elected under sub. (4) shall be elected at the spring election immediately preceding the expiration of the terms of such board members and shall serve for 4-year terms.

(7) This chapter does not affect the term of office or employment of any person serving in any capacity by virtue of an appointment or contract of employment made by the school board in a city prior to the date on which a city becomes a city of the 1st class, but such person shall continue to serve in the same capacity under the board for the term for which the person was so appointed or employed, unless removed from such office or employment for the causes and in the manner provided in this chapter.

History: 1977 c. 445; 1983 a. 484; 1989 a. 290; 1993 a. 492.

119.08 Election of board members. (1) (a) The board shall consist of one member elected at-large and 8 members elected from numbered election districts determined by the board. The election districts shall be substantially equal in population and the boundaries of the election districts shall be drawn so as to reflect a balanced representation of citizens in all areas within the city.

(b) Within 60 days after the common council of the city enacts an ordinance determining the boundaries of the aldermanic districts in the city following the federal decennial census under s. 62.08 (1), the board shall, by vote of a majority of the membership of the board, adopt an election district apportionment plan for the election of board members which shall be effective until the city enacts a new ordinance under s. 62.08 (1) redetermining the aldermanic district boundaries.

(c) A person elected to represent a district shall reside within the boundaries of the district, except that if a person ceases to reside within the district because the boundaries of the district are changed during the person's term of office, the person may continue to serve for the balance of the term for which he or she was elected for so long as the person resides in the school district. Before taking office, the members of the board shall take the official oath of office and file it, duly certified by the officer administering the oath, with the city clerk.

(2) The electors of each election district shall elect one member residing within the election district to represent the election district. The at-large member shall be elected by the electors of the city. Board members shall be electors of the city and shall be elected at the spring election. Candidates shall file nomination papers for full terms or, when vacancies are to be filled, for unexpired terms. The primary and spring elections for board members shall be conducted by the election officials for the election of judicial or other officers held on that date. The polling places for the state, municipal or judicial election shall be the polling places for the board election and the municipal election hours shall apply.

(3) The regular terms of board members shall be 4 years.

(4) A vacancy on the board shall be filled by a special election ordered by the board. At such election the vacancy shall be filled for the unexpired term. The board shall follow procedures under s. 8.50, so far as applicable.

History: 1977 c. 445; 1983 a. 105, 484; 1985 a. 312; 1987 a. 176; 1989 a. 290.

119.10 Meetings of the board. (1) The board is a continuing body. Any unfinished business before the board or any of its standing or special committees on the date of the annual meeting under sub. (2) shall be considered as pending before the board newly organized on such date. At its annual meeting, after the election of the new board president and the designation of the clerk, the clerk shall report to the board items of business pending before the board as a whole. After the annual April meeting, unless otherwise directed by the board, the clerk shall report items of business which had been pending before committees of the board to the corresponding committees of the board appointed by the new president. Matters thus reported may be acted upon by the board in the same manner and with the same effect as if the board had not been newly organized.

(2) Annually, no earlier than the 4th Monday in April and no later than the first Monday in May, the board shall hold its organizational meeting, shall elect a president from among its members to serve for one year and until a successor is chosen and shall designate an individual to serve as clerk. In the absence or during the disability of the board president, the board shall elect an acting president. The board president shall appoint standing committees to serve for one year.

(3) The board shall hold a regular meeting at least once each month at times fixed and published by the board in its rules. If a regular board meeting falls on a legal holiday, it shall be held on the next business day. Special meetings may be called and held as provided by the rules of the board. No business may be transacted at a special meeting other than that specified in the notice of the meeting, which shall be delivered personally or by mail to each member at least 24 hours before the time of such meeting.

(4) A majority of the members-elect of the board constitute a quorum for the transaction of business but a smaller number may adjourn. A majority of the members-elect of the board shall be necessary to elect any person authorized to be elected by the board.

(5) If a board member is absent for 4 successive board meetings without presenting satisfactory reason therefor in writing to the board, the board shall declare the member's seat vacant and shall fill the vacancy under s. 119.08 (4). If any person appointed or elected by the board is absent or is unable to perform the duties of the person's office, the board may appoint or elect a suitable person to act in the person's place during the person's absence or inability.

(6) All elections or appointments by the board shall be by roll call vote which shall be entered by the clerk in the minutes and printed proceedings of the board.

History: 1977 c. 445; 1979 c. 110; 1991 a. 39, 269; 1993 a. 492.

119.12 Board; general provisions. (1) Board members are subject to all restrictions, liabilities, punishments and limitations, including recall under s. 9.10 (4), prescribed by law for members of the common council in their city. A majority of the members-elect of the board may dismiss from office for malfeasance any member of the board. The board shall provide by resolution the manner of hearing and disposing of complaints against a board member.

(2) In any action or proceeding in which the board is a defendant, service of any summons, writ, pleading or other papers served in commencing the action or proceeding upon the board president and the superintendent of schools constitutes service upon the entire board. It is sufficient to serve on such 2 officers any notice required by law to be served upon the board.

(3) Each member of the board shall be paid an annual salary in the amount set by the board. The salary shall be paid monthly.

(4) The board shall not in any one year contract any debt or incur any expense greater than the amount of the school funds subject to its order.

(5) If the board president is by law a member of any board or commission, the board may appoint another board member to serve on such board or commission in place of the board president.

(6) The city attorney of the city shall be the legal adviser of and attorney for the board, except that the board may retain an attorney to represent the board in any matter if the board determines that it requires specialized legal expertise not possessed by the city attorney, the city attorney does not have sufficient staff to adequately represent the interests of the board or a conflict of interest exists. The board shall provide the city attorney with reasonable notice of any board meeting at which the board will consider retention of an attorney.

History: 1977 c. 318, 403, 445, 447; 1983 a. 27; 1985 a. 158; 1991 a. 39.

119.16 Board; duties. (1) **EDUCATIONAL PRIORITIES AND OBJECTIVES.** The board and the superintendent of schools shall identify broad yearly objectives and assess priorities for education in the district and shall issue an annual report and such additional reports as the board and superintendent deem desirable on the progress of pupils enrolled in the public schools.

(1m) **MANAGEMENT OF SCHOOL DISTRICT.** The board shall have the possession, care, control and management of the schools, facilities, operations, property and affairs of the school district.

(2) **ESTABLISH SCHOOLS AND DISTRICTS.** The board shall maintain the public schools in the city and shall establish, organize and maintain such schools as the board determines are necessary to accommodate the children entitled to instruction therein. The board shall divide the city into attendance districts for such schools.

(b) Except as provided in par. (c), schoolhouses and the sites on which they are situated shall be the property of the city. (b), and shall develop a master plan governing the use, repair, renovation, and demolition of buildings in the school district.

(b) The board shall establish criteria to evaluate the safety, structural integrity, utility, and costs of maintenance and repair of school buildings in the school district. Subject to the requirements under sub. (10), the criteria shall include consideration of the advantages and disadvantages of repairing versus demolishing older buildings having high maintenance or operating costs.

(4) **COMPETITIVE BIDDING.** The board shall establish competitive bidding policies and procedures for purchases and for construction contracts.

(5) **SPECIAL COURSES.** Within budgetary limitations, the board shall establish in any public school, in grade 7 and higher, such classes of instruction consistent with the educational goals and objectives adopted by the board under sub. (1) as are petitioned for by the parents of a number of pupils attending the school sufficient to form one or more classes of instruction. Petition by the parents

of 30 or more pupils of like classification attending any such school requesting the establishment of instruction in a specified subject is prima facie evidence of the sufficiency of the number of pupils to commence instruction therein.

(6) **CUSTODIANS OF SCHOOL PREMISES.** The board shall fix the duties and responsibilities of principals, as custodians of the school premises, and of the school engineers. Each principal shall have general supervision of and shall be custodian of all school premises over which the principal presides.

At least one week before the public hearing, the board shall publish a class 1 notice, under ch. 985, of the public hearing.

(b) The board shall transmit its completed budget to the common council on or before the first Monday in August of each year on forms furnished by the auditing officer of the city. Such completed budget shall be published with the budget summary under s. 65.04 (2) or 65.20 and budget under s. 65.05 (7).

(9) **SCHOOL BUDGET.** Annually, the board shall prepare a budget for each school in the school district operating under this chapter.

(10) **SCHOOL FACILITIES.** (a) The board may not demolish any school facility that is 50 years old or older without the approval of the city historic preservation commission.

(b) The board may construct new school facilities only in the areas of greatest local need for such facilities.

(11) **COMPREHENSIVE PROGRAMS.** The board shall collaborate with nonprofit organizations and government agencies to provide pupils with comprehensive social services and educational support, which may include a program that offers comprehensive services that address the needs of children and youth from before the time they are born through postsecondary education.

(12) **ALTERNATIVE ROUTES TO GRADUATION.** The board shall provide alternative methods of attaining a high school diploma for those pupils who are unlikely to graduate in the traditional manner, including a program allowing a pupil or former pupil to retake a course in which he or she was not initially successful.

(13) **RESEARCH CONSORTIUM.** If the board determines that sufficient state or federal aid or private funding is available for this purpose, the board shall participate in an educational research consortium, similar to the Consortium on Chicago School Research and the Boston Plan for Excellence, to provide research and policy recommendations, including recommendations addressing pupil literacy and academic achievement, to the department, the board, and the legislature. In addition, the research consortium shall make its recommendations publicly available.

(14) **PARENT SURVEY.** Annually, the board shall conduct a survey of parents of pupils enrolled in the school district operating under this chapter and use the results of the survey to develop or modify parent involvement and school improvement plans, which may include school-based community resource centers, regularly scheduled public meetings, or parent education classes.

History: 1973 c. 17, 188; 1975 c. 353; 1977 c. 109; 1983 a. 391; 1985 a. 29; 1987 a. 395; 1989 a. 290; 1993 a. 492; 1999 a. 9; 2001 a. 30; 2009 a. 215.

One who deals with a municipality does so at his or her own risk and may be subject to any provisions of law that might prevent him or her from being paid by a municipality even though the services were rendered. Unless the power to bind the municipality financially has been specifically delegated, the only entity with the statutory authority to contract is the municipality. The statutes do not authorize anyone other than the board to enter into contracts. The board may delegate that authority, but it must do so clearly and specifically. For an MPS employee to have such power, it must be specifically delegated by the board to that employee or class of employees. *Holzbauer v. Safway Steel Products, Inc.* 2005 WI App 240, 288 Wis. 2d 250, 706 N.W.2d 36, 04-2058.

The authority of school boards to contract for services and facilities for special needs students is discussed. 61 Atty. Gen. 203.

(3) TRANSPORTATION. The board may provide for the transportation of pupils to and from any school within the city.

(5) TEXTBOOKS FOR INDIGENT PUPILS. The board may purchase textbooks for pupils whose parents, guardians or other persons having control or custody of such pupils are without means to furnish them with textbooks, if the indigency of such pupils have been investigated and certified by a welfare worker or attendance officer. The local governmental authority administering poor relief in the city shall reimburse the board for all expenditures by the board for such textbooks. Such textbooks shall be the property of the city and subject to the disposal of the board.

(6) SCHOOL CALENDAR. The board may determine the school calendar and vacation periods for each school year for the regular day schools, summer schools, social centers and playgrounds, except that:

(a) The period of teaching service in the regular day schools shall not exceed 200 days, including the legal holidays and educational convention days on which the schools are closed.

(b) The board may close any school or dismiss any class in the event of an emergency, fire or other casualty, quarantine or epidemic.

(7) SCHOOL HOURS. The board may establish rules scheduling the hours of each school day during which the schools shall be in session. The board may differentiate between the various grades in scheduling such school hours.

(8) SCHOOLS CLOSED. The board may determine on which national, state and local legal holidays and for which educational conventions the public schools shall be closed. There shall be no deductions from the annual or monthly compensation of employees not rendering services on such days.

(9) ENROLLMENT UNDER LEGAL NAME. The board may require that any pupil attending public school shall be enrolled under the pupil's legal name.

(10) EMPLOYEES. (b) Subject to ss. 63.18 to 63.53 when applicable, the board may employ and determine the qualifications, duties and compensation of any persons as are required in the operation and management of the schools.

(11) BONDED OFFICERS AND EMPLOYEES. The board may require any officer or employee of the board to give security for the faithful performance of the officer's or employee's duties in such form and amount as the board determines, and may require at any time additional bonds and sureties of any officer or employee.

(12) EMPLOYER CONTRIBUTION. The board may make as the employer agency the contributions to the city retirement system payable under chapter 396, laws of 1937, in respect to its employees who are members of such system.

(13) EXCHANGE TEACHERS. The board may make an agreement with the managing body of the schools in any city or school district in the United States or another country for the exchange of one of the board's teachers for a teacher of such other city or school district for a period not exceeding one school year. The board shall determine the qualifications and compensation of the teacher rendering service under the agreement in the schools

under its jurisdiction, who shall be counted as a regular teacher in the city in the computation of state and county school aids. The agreement shall state:

(a) The manner and by whom the salaries of such exchange teachers shall be paid.

(b) That any teacher regularly employed by the board under this chapter shall receive credit for the year of exchange teaching service in the computation of any benefits to which the teacher is entitled under ch. 40 and the manner in which the monthly reservations shall be paid under that subchapter.

(c) Such other provisions as the board and the other managing body deem appropriate.

(14) SALES AND CHARGES. The board may establish and maintain, in any of the schools or playgrounds under its jurisdiction, cafeterias and stores for the sale of schoolbooks, candies, refreshments and supplies. (16) GIFTS AND GRANTS. The board may receive, accept and use gifts or grants of furniture, books, equipment, supplies, moneys, securities or other property used or useful for school and educational purposes. The board shall make such use of gifts or grants, or invest the same in the case of moneys, as the donor or grantor specifies. In the absence of any specific direction as to the use of such gifts or grants by a donor or grantor, the board may determine the use of or may invest the same in accordance with the law applicable to trust investments. In the use, control or investment of such gifts or grants, the board may exercise the rights and powers generally conferred upon trustees.

(17) PURCHASES FROM HOUSE OF CORRECTION. The board may purchase for use in the schools, from any county in which the city is located, furniture, furnishings and equipment manufactured in any house of correction under s. 303.16 (1). The board may waive the furnishing by the county or institution of bid bonds and performance bonds otherwise required by the statutes in connection with any such purchase.

119.23 Milwaukee parental choice program. (1) In this section:

(ae) "Administrator" means the superintendent, supervising principal, executive director, or other person who acts as the administrative head of a private school participating in the program under this section.

(ah) "Membership" has the meaning given in s. 121.004 (5).

(am) "Preaccreditation" means the review and approval of an educational plan. Review of an education plan includes consideration of whether the school submitting the plan meets the requirements under s. 118.165 (1). The fact that a private school has obtained preaccreditation does not require an accreditation organization to accredit the private school.

(as) "Progress records" has the meaning given in s. 118.125 (1) (c).

(b) "Summer average daily membership equivalent" has the meaning given in s. 121.004 (8).

(c) "Summer choice average daily membership equivalent" means the summer average daily membership equivalent of pupils who were attending a private school under this section on the 2nd Friday of January of the school term immediately preceding that summer or whose applications have been accepted under sub. (3) for attendance at the private school in the school term immediately following that summer.

(d) "Teacher" means a person who has primary responsibility for the academic instruction of pupils.

(2) (a) Subject to par. (b), any pupil in grades kindergarten to 12 who resides within the city may attend, at no charge, any private school located in the city if all of the following apply:

1. The pupil is a member of a family that has a total family income that does not exceed an amount equal to 1.75 times the poverty level determined in accordance with criteria established by the director of the federal office of management and budget. A pupil attending a private school under this section whose family income increases may continue to attend a private school under this section if the pupil is a member of a family that has a total family income that does not exceed an amount equal to 2.2 times the poverty level determined in accordance with criteria established by the director of the federal office of management and budget. For purposes of admission to a private school under this section, siblings of pupils attending a private school under this section are subject to the higher income limit. If a pupil attending a private

school under this section ceases to attend a private school under this section, the lower income limit applies unless the pupil is a sibling of a pupil attending a private school under this section.

3. The private school notified the state superintendent of its intent to participate in the program under this section, and paid a nonrefundable fee set by the department, by February 1 of the previous school year. The notice shall specify the number of pupils participating in the program under this section for which the school has space. The department shall by rule set the fee charged under this subdivision at an amount such that the total fee revenue covers the costs of employing one full-time auditor to evaluate the financial information submitted by the private schools under sub. (7) (am) and (d) 2. and 3.

4. The private school complies with 42 USC 2000d.

5. The private school meets all health and safety laws or codes that apply to public schools.

6. a. Except as provided in subd. 6. c., all of the private school's teachers have a bachelor's degree from an accredited institution of higher education.

b. All of the private school's administrators have at least a bachelor's degree from an accredited institution of higher education.

c. Any teacher employed by the private school on July 1, 2010, who has been teaching for at least the 5 consecutive years immediately preceding July 1, 2010, and who does not satisfy the requirements under subd. 6. a. on July 1, 2010, applies to the department on a form prepared by the department for a temporary, nonrenewable waiver from the requirements under subd. 6. a. The department shall promulgate rules to implement this subd. 6. c., including the form of the application and the process by which the waiver application will be reviewed. The application form shall require the applicant to submit a plan for satisfying the requirements under subd. 6. a., including the name of the accredited institution of higher education at which the teacher is pursuing or will pursue the bachelor's degree and the anticipated date on which the teacher expects to complete the bachelor's degree. No waiver granted under this subd. 6. c. is valid after July 31, 2015.

7. a. Subject to subd. 7. c., for a private school participating in the program under this section on July 1, 2009, the private school achieves accreditation by the Wisconsin North Central Association, the Wisconsin Religious and Independent Schools Accreditation, the Independent Schools Association of the Central States, the Archdiocese of Milwaukee, or any other organization recognized by the National Council for Private School Accreditation, by December 31 of the 3rd school year following the first school year that begins after June 30, 2006, in which it participates in the program under this section, or the private school was approved for scholarship funding for the 2005–06 school year by Partners Advancing Values in Education. If the private school is accredited as provided under this subd. 7. a., the private school is not required to obtain preaccreditation from the Institute for the Transformation of Learning at Marquette University under subd. 7. b. as a prerequisite to providing instruction under this section in additional grades or in an additional or new school.

b. Subject to subd. 7. c., for a private school that is a first-time participant in the program under this section on July 1, 2009, and that is not accredited as provided under subd. 7. a., the private school obtains preaccreditation from the Institute for the Transformation of Learning at Marquette University by August 1 before the first school term of participation in the program under this section that begins after July 1, 2009, or by May 1 if the private school begins participating in the program during summer school, and achieves accreditation by the Wisconsin North Central Association, the Wisconsin Religious and Independent Schools Accreditation, the Independent Schools Association of the Central States, the Archdiocese of Milwaukee, or any other organization recognized by the National Council for Private School Accreditation, by December 31 of the 3rd school year following the first school year that begins after July 1, 2009, in which it participates in the

program under this section. If the private school is accredited under this subd. 7. b., the private school is not required to obtain preaccreditation from the Institute for the Transformation of Learning at Marquette University as a prerequisite to providing instruction under this section in additional grades or in an additional or new school.

c. On or after July 1, 2009, a private school participating or seeking to participate in the program under this section may not apply for accreditation by the Institute for the Transformation of Learning at Marquette University, except that a private school that has applied for accreditation to the Institute for the Transformation of Learning at Marquette University before July 1, 2009, may complete the accreditation process with the Institute for the Transformation of Learning at Marquette University, and may seek renewal of accreditation from the Institute for the Transformation of Learning at Marquette University.

8. Notwithstanding s. 118.165 (1) (c), the private school annually provides at least 1,050 hours of direct pupil instruction in grades 1 to 6 and at least 1,137 hours of direct pupil instruction in grades 7 to 12. Hours provided under this subdivision include recess and time for pupils to transfer between classes but do not include the lunch periods.

(b) No more than 22,500 pupils, as counted under s. 121.004 (7), may attend private schools under this section. Whenever the state superintendent determines that the limit is reached, he or she shall issue an order prohibiting the participating private schools from accepting additional pupils until he or she determines that the number of pupils attending private schools under this section has fallen below the limit. If the number of pupils attending private schools under this section falls below the limit under this paragraph, the state superintendent shall issue an order notifying participating private schools that they may begin accepting additional pupils, and, notwithstanding sub. (3) (a), participating private schools that wish to accept additional pupils under this section shall accept pupils as follows:

1. The private school shall give first priority to pupils who are attending a private school under this section.

2. The private school shall give 2nd priority to the siblings of pupils who are attending a private school under this section.

3. The private school shall give 3rd priority to pupils selected at random under a procedure established by the department by rule.

(c) 1. Notwithstanding par. (a) 6., a teacher employed by a private school participating in the program under this section who teaches only courses in rabbinical studies is not required to have a bachelor's degree.

2. Notwithstanding par. (a) 6., an administrator of a private school participating in the program under this section that prepares and trains pupils attending the school in rabbinical studies is not required to have a bachelor's degree.

(3) (a) The pupil or the pupil's parent or guardian shall submit an application, on a form provided by the state superintendent, to the participating private school that the pupil wishes to attend. Within 60 days after receiving the application, the private school shall notify the applicant, in writing, whether the application has been accepted. If the private school rejects an application, the notice shall include the reason. A private school may reject an applicant only if it has reached its maximum general capacity or seating capacity. The state superintendent shall ensure that the private school determines which pupils to accept on a random basis, except that the private school may give preference in accepting applications to siblings of pupils accepted on a random basis.

(b) If the private school rejects an applicant because it has too few available spaces, the pupil may transfer his or her application to a participating private school that has space available.

(4) (a) Annually, on or before October 15, a private school participating in the program under this section shall file with the department a report stating its summer average daily membership

equivalent and its summer choice average daily membership equivalent for the purpose of sub. (4m).

(b) Except as provided in par. (bg), upon receipt from the pupil's parent or guardian of proof of the pupil's enrollment in the private school during a school term, the state superintendent shall pay to the parent or guardian, from the appropriation under s. 20.255 (2) (fu), an amount equal to the lesser of the following:

1. The amount equal to the private school's operating and debt service cost per pupil that is related to educational programming, as determined by the department.

2. The amount paid per pupil under this subsection in the previous school year multiplied by the sum of 1.0 plus the percentage change from the previous school year to the current school year in the total amount appropriated under s. 20.255 (2) (ac) expressed as a decimal, but not less than zero.

(bg) In the 2009–10 and 2010–11 school years, upon receipt from the pupil's parent or guardian of proof of the pupil's enrollment in the private school during a school term, the state superintendent shall pay to the parent or guardian, from the appropriation under s. 20.255 (2) (fu), an amount equal to the private school's operating and debt service cost per pupil that is related to educational programming, as determined by the department, or \$6,442, whichever is less.

(c) The state superintendent shall pay 25% of the total amount under this subsection in September, 25% in November, 25% in February and 25% in May. The state superintendent may include the entire amount under sub. (4m) in one of those installments or apportion the entire amount among one or more of those installments. Except as provided in sub. (4r), the department shall send the check to the private school. Except as provided in sub. (4r), the parent or guardian shall restrictively endorse the check for the use of the private school.

(4m) In addition to the payment under sub. (4) the state superintendent shall pay to the parent or guardian of each pupil enrolled in a private school under this section, in the manner described in sub. (4) (c), an amount determined by multiplying 40% of the payment under sub. (4) by the quotient determined by dividing the summer choice average daily membership equivalent of the private school by the total number of pupils for whom payments are being made under sub. (4).

(4r) If, after the 3rd Friday in September in any school year, a private school participating in the program under this section closes, for each installment under sub. (4) (c) that was not paid to the private school in that school year, the state superintendent shall pay to the board, from the appropriation under s. 20.255 (2) (fv), the amount determined as follows for each pupil who had been attending the private school under this section in that school year and who enrolls in the school district operating under this chapter in that school year:

(a) 1. In the 2009–10 school year, multiply the amount determined under sub. (4) (b) or (bg) by 0.584.

2. In the 2010–11 school year and in any school year thereafter, multiply the amount determined under sub. (4) (b) or (bg) by 0.616.

(b) Multiply the product under par. (a) by 0.25.

(5) The state superintendent shall ensure that pupils and parents and guardians of pupils who reside in the city are informed annually of the private schools participating in the program under this section.

(6) The board shall provide transportation to pupils attending a private school under this section if required under s. 121.54 and may claim transportation aid under s. 121.58 for pupils so transported.

(6m) Each private school participating in the program under this section shall do all of the following:

(2) Beginning in the 2008–09 school year, the board may apply to the department for an annual grant of up to \$10,000,000 to implement initiatives to improve pupil academic achievement in all grades, such as employing licensed teachers to tutor pupils who are struggling academically, or employing persons to coordinate the district's instructional programs and provide ongoing professional development for teachers. 119.25 Expulsion of pupils. (1) The board may adopt a resolution, which is effective only during the school year in which it is adopted, authorizing any of the following to determine pupil expulsion from school under sub. (2) instead of using the procedure under s. 120.13 (1) (c):

- An independent hearing panel appointed by the board.
- An independent hearing officer appointed by the board.

(2) (a) During any school year in which a resolution adopted under sub. (1) is effective, the independent hearing officer or independent hearing panel appointed by the board:

1. May expel a pupil from school whenever the hearing officer or panel finds that the pupil engaged in conduct that constitutes grounds for expulsion under s. 120.13 (1) (c) 1. or 2.

2. Shall commence proceedings under par. (b) and expel a pupil from school for not less than one year whenever the hearing officer or panel finds that the pupil engaged in conduct that constitutes grounds for expulsion under s. 120.13 (1) (c) 2m.

(b) No administrator may be designated to participate in an expulsion hearing if he or she was involved in the incident that led to the expulsion proceeding. Prior to expelling a pupil, the hearing officer or panel shall hold a hearing. Upon request of the pupil and, if the pupil is a minor, the pupil's parent or guardian, the hearing shall be closed. The pupil and, if the pupil is a minor, the pupil's parent or guardian, may be represented at the hearing by counsel. The hearing officer or panel shall keep a full record of the hearing. The hearing officer or panel shall inform each party of the right to a complete record of the proceeding. Upon request, the hearing officer or panel shall direct that a transcript of the record be prepared and that a copy of the transcript be given to the pupil and, if the pupil is a minor, the pupil's parent or guardian. Upon the ordering by the hearing officer or panel of the expulsion

of a pupil, the school district shall mail a copy of the order to the board, the pupil and, if the pupil is a minor, the pupil's parent or guardian. A school board, hearing officer or panel may disclose the transcript to the parent or guardian of an adult pupil, if the adult pupil is a dependent of his or her parent or guardian under section 152 of the internal revenue code. Within 30 days after the date on which the order is issued, the board shall review the expulsion order and shall, upon review, approve, reverse or modify the order. The order of the hearing officer or panel shall be enforced while the board reviews the order. The expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the board's decision to the state superintendent. If the board's decision is appealed to the state superintendent, within 60 days after the date on which the state superintendent receives the appeal, the state superintendent shall review the decision and shall, upon review, approve, reverse or modify the decision. The decision of the board shall be enforced while the state superintendent reviews the decision. An appeal from the decision of the state superintendent may be taken within 30 days to the circuit court for the county in which the school is located.

(c) Not less than 5 days' written notice of the hearing under par. (b) shall be sent to the pupil and, if the pupil is a minor, to the pupil's parent or guardian. The notice shall include all of the information specified in s. 120.13 (1) (e) 4.

(d) 1. In this paragraph:

a. "Early reinstatement" means the reinstatement to school of an expelled pupil before the expiration of the term of expulsion specified in the pupil's expulsion order under par. (b).

b. "Early reinstatement condition" means a condition that a pupil is required to meet before he or she may be granted early reinstatement or a condition that a pupil is required to meet after his or her early reinstatement but before the expiration of the term of expulsion specified in the pupil's expulsion order under par. (b).

2. An independent hearing panel or independent hearing officer appointed by the board may specify one or more early reinstatement conditions in the expulsion order under par. (b) if the early reinstatement conditions are related to the reasons for the pupil's expulsion. Within 15 days after the date on which the expulsion order is issued, the expelled pupil or, if the pupil is a minor, the pupil's parent or guardian may appeal the determination regarding whether an early reinstatement condition specified in the expulsion order is related to the reasons for the pupil's expulsion to the board. The decision of the board regarding that determination is final and not subject to appeal.

3. If the superintendent of schools or his or her designee, who shall be someone other than a principal, administrator or teacher in the pupil's school, determines that a pupil has met the early reinstatement conditions that he or she is required to meet before he or she may be granted early reinstatement, the superintendent of schools or designee may grant the pupil early reinstatement. The determination of the superintendent of schools or designee is final.

4. If a pupil violates an early reinstatement condition that the pupil was required to meet after his or her early reinstatement but before the expiration of the term of expulsion, the superintendent of schools or a principal or teacher designated by the superintendent of schools may revoke the pupil's early reinstatement as provided in s. 120.13 (1) (h) 4.

5. Except as provided in subd. 6., if the pupil's early reinstatement is revoked under subd. 4., the pupil's expulsion shall continue to the expiration of the term specified in the expulsion order unless the pupil or, if the pupil is a minor, the pupil's parent or guardian and the board, independent hearing panel or independent hearing officer agree, in writing, to modify the expulsion order.

6. Within 5 school days after the revocation of a pupil's early reinstatement under subd. 4., the pupil or, if the pupil is a minor, the pupil's parent or guardian may request a conference with the superintendent of schools or his or her designee, who shall be

someone other than a principal, administrator or teacher in the pupil's school. If a conference is requested, it shall be held within 5 school days following the request. If, after the conference, the superintendent of schools or his or her designee finds that the pupil did not violate an early reinstatement condition or that the revocation was inappropriate, the pupil shall be reinstated to school under the same reinstatement conditions as in the expulsion order and the early reinstatement revocation shall be expunged from the pupil's record. If the superintendent of schools or his or her designee finds that the pupil violated an early reinstatement condition and that the revocation was appropriate, he or she shall mail separate copies of the decision to the pupil and, if the pupil is a minor, to the pupil's parent or guardian. The decision of the superintendent of schools or his or her designee is final.

One who deals with a municipality does so at his or her own risk and may be subject to any provisions of law that might prevent him or her from being paid by a municipality even though the services were rendered. Unless the power to bind the municipality financially has been specifically delegated, the only entity with the statutory authority to contract is the municipality. The statutes do not authorize anyone other than the board to enter into contracts. The board may delegate that authority, but it must do so clearly and specifically. For an MPS employee to have such power, it must be specifically delegated by the board to that employee or class of employees. *Holzbauer v.
